Greetings from the Commodore - Larry Labine

I would like to thank everyone that came out to the Luau. We had over 200 people this year and most bought their tickets early. That really helps in ordering food so we don't run short. The weather was perfect. I would also like to thank all my friends that help set up, bar tend and clean up. We could not have pulled it off without you.

Please do not give your key card to nonmembers. We do background checks on members before they can join our club to insure every one's safety and to protect our club and others boats. If you are selling your boat and need access for an interested buyer please contact a Board member for a card that can't get into the club house.

Boat U S gives our Yacht Club a discounted membership of only \$15 when you tell them that you are a member of our club. You need to tell them our group number that is 80526Y. You get discounts at marinas like Menominee and Wave Point. You get 25% off dockage and 10 cents off gas with a Boat U S membership. That \$15 you pay will save you many times over if you boat in these area's.

I hope everyone is enjoying the warm weather that we deserve after that long cold winter and the cold rainy spring. Before we know it we will be pulling boats for the winter again. Don't forget to put your winter storage applications in before September 1st.

Happy boating to all. See you on the water.
Thanks,
Larry LaBine

Condolences to Amy and Don Demeny on the passing of Amy's dad, John Konitzer. Our thoughts are with them at this difficult time.

Entertainment - Jeff Tilkens

July has been a very good month for our boating members, plenty of sunshine, warm temperatures and low winds. Let's hope that the remaining season brings us the same scenario.

Our annual Luau was held on the 16th of July and was attended by over 200 people; by far one of the best ones we had in years. The drinks were cold, food was excellent and the band did a good job. A big thank you to the Labines, Kuschels and all of the volunteers that helped with this event.

Jim Mathys endured scorching temperatures on July 20th while preparing his famous BBQ Ribs for our Men's July Smoker. The ribs as well as the helpers were well marinated for this event. Thanks to all who helped out that night.

On August 2nd we will be hosting the Navy Boat Ride and Steak Fry. If you would like to help these veterans out by giving them a boat ride that night a signup sheet will be posted on the club board. For all members that do give them a ride you can get hours and a free steak dinner that night.

The Dinghy Poker Run will be held on August 13th. Dan and Ann Emmel will be chairing this event. Please contact them for details and if you would like to help with them with this function.

DICK Conrad will be hosting the Men's Smoker in August. That night DICK will be preparing succulent T-Bone steaks on the grill under the pavilion. Marinating will start around 3PM for those that want to get an early start. The cost of this meal is \$15.00 and will end the Men's Summer Smokers. Signup sheet on the board at the club.

A short and sweet article this month. Just the usual stuff; sign in and out of your slip if leaving for the weekend and/or week. Clean up after your dog, kids, and spouse. Wash and wax all board members' boats. Have fun. Till next month, Gary

Hello Fellow GBYC Members,

Wow is it warm out. Good time to go to where the boat leaves from (a Zak Brown song). I did some research on the leaky roof and found that the widows peak railing was coming apart and pulling on the rubber patches around them. I got some rubber roof caulk and patched the ones that were coming loose. Hopefully this solves our problem with the water coming in.

Randy Slye and Pat Foley got the window in the dining room installed and it looks good Plus no one got hurt in the process (one more project down)

There is still a large speaker in the dining room ceiling that I would like to see gone. If anyone wants it feel free to remove it. I can install new ceiling tiles where the speaker was.

The new folding door seems to be working very well at keeping the bar area cooling separate from the dining area. In this type of heat try to keep it closed when possible. And try not to leave the patio door open for too long also. It doesn't take long to get the temperature in the bar up if the doors are open.

Thanks

John Demeny
