Greetings from the Commodore - Larry Labine

I would like to start off by congratulating John Demeny for being our next Commodore for 2013. I will be here to help him in any way I can. I would like to thank all the prospective board members for running and the outgoing board members for all of there help and commitment. We could not get back on our feet without there help. Don't forget to come to the Annual meeting on December 13th at 7 PM or fill out a absentee ballot if you can not make the meeting.

The Veterans Day celebration went very well with about 250 people attending. Thanks to the committee that put it on again this year. It gets better every year and thank all the service men and women for all your commitment. We would not have a free country without it.

I would also like to thank everyone that worked so hard and long on taking off the old siding and putting the new stuff on. It looks great and we should see some reduction in our heating and cooling bills. John, Randy, Chris, Pat and many others need a big thank you for all there time and mother nature for the warm fall weather. This will look good for our Inter Club party on March 9th. We also stayed under budget the members set at \$5000. We would have had to pay that much for the removal and the installation alone. Great work!!!!

We are looking into buying jet ski docks to rent out for next years boating season. As of now we have a price of \$1000 delivered per dock and we will continue to shop and compare price and quality. We will be talking about it and setting a price per year at the Annual meeting.

Well I'm stepping down as Commodore before I get burned out and my job has been taking more of my time than I'm used to . I would also like to thank my wife Lori for having me gone more and not spending time at the club with her. I will continue to work with the membership to keep our docks full and keep new members coming in and making them feel welcome. Thank you and Happy Holidays to all!

Happy Holidays to one and all!

A HUGE thank you to everyone who helped make the GBYC Veteran's Day Ceremony one of the best ever! We had over 250 people in attendance and heard many thank you's from Veteran's and their families. This is something our incredible club is becoming known for. If you haven't attended one yet...be sure to mark it on your calendar for next year!

Also, thanks to everyone who is patronizing the for club for Friday night fish fries. If you would like your fish breaded heavier ask Todd and I am sure he will oblige!

Tuesday night Burger nights are going extremely well. Last Tuesday was one of our best attended nights. Also, don't forget about Thursday night Taco Nights, and of course...happy hour pricing!

Last, but not least...thanks to everyone who has helped our Building Chairman with the siding of the club. I think you'll all agree it look fabulous. Projects like these take a group of people working together...as usual, the GBYC came through splendidly!

Hello Fellow Members,

Well the docks are put away for the winter so it's time to concentrate on other things.

If you've been down to the club you will see we started on the siding. We ran into some problems in the south west corner of the building and had to remove some of the picture windows to repair the damaged wood. 2 windows were bad and one got damaged in the removal process so we decided to only reinstall 4 windows, one of those 4 will need to be ordered that is why there is plywood in it's place right now. This project will be ongoing until it is complete. Any other problems we find will have to be addressed before the new siding can be installed.

There will also be some inside work because of the window removal. Which can be done on a rainy day or maybe a sunday when the Packers don't play. So if your bored and need some hours come on down and give us a hand. Any help will be appreciated.

I would also like to thank all the people the helped out on dock day. That got us ahead of schedule.

See ya at the club,

Sunshine Committee - Roger Gilsoul

November is veterans month and veterans day was November 12. I want to thank everyone who came to honor all veterans at the Green Bay Yacht Club's veterans day commemoration. When you see a man or women in uniform or a veteran thank them for there service to our country. They are why we are a free country. GOD BLESS THE U.S.A. - Roger

Fleet Captain - Don Smith

Kevin Rogers and I worked together to create invoices for floater fees and also "past due member fees". The majority of past due fees are for winter and/or summer boat storage, boat lifts, trailer storage, etc. These invoices were mailed the third week of November.

Some of our members never paid for summer trailer storage this year because we didn't know who owned them and the owner may not have even known there is such a fee for summer trailer storage. Please note that we are referring to extended trailer storage, e.g. a month, not a full GBYC member who launches a boat at the public ramp for a week's vacation and parks their car and trailer on GBYC property. Next year we may change some procedures: e.g. get members to purchase trailer stickers before parking their trailers or have the owner's name on the tongue of the trailer.

It has been a good year and I really appreciate the help and cooperation I received from our members.

Entertainment - Gary Kuschel

the November smoker was a great time, John potts and his crew did an awesome job, the meal was enjoyed by all. The December smoker will be hosted by Jack koehne. The meal will be wild game, the date will be Dec. 19th. raffles will be held once again. mark your calanders and watch for the sign-up-sheet.

Our clubs annual veterans Day commemoration was our largest ever. Many thanks to all the people who worked on this special event. Theresa gage, keep up the good work.

The children's christmas party is to be held on Dec. 15th at 11:00. There is a sign-up sheet on the board, please sign the child's name and age, so we have a list for food and treats.

With this being my last article, I want to thank my "spell check typist ", Renee, (all mistakes are mine). I also want to thank all the people who hosted and /or helped make all these parties happen. Without you we would be just another club. Thanks to all, Gary

To allow ample room for board nominees, the Veteran's Day article will be published in late December for the January edition of the Dockline. However, recognition needs to be promptly given to the committee and volunteers: Roger Gilsoul, Paul Buntin, Bridget Foley, Barb Stencil, Patti & Jim Thompson, Dan Laubenstein, Randy & Andrea Slye, Anita & Wally Destiche, Ken Lemerond, Jerry Treleven, the Gage family, everyone who made delicious food or helped cleanup, and anyone I may have missed by name (please forgive me). Commodore Nomination

I am writing this article to let everyone know that I am running for the commodore position at the club. I have been a full member of the club since 2009. I have been on the board of directors as the building chairperson for the past 27 months. I think it's time now to leave that position and let someone else enjoy all the fun that goes along with the job. Here is what I and many others have accomplished at the club since I have been involved on the board. We got the rubber roof replaced that had been damaged by a wind storm. (Minimal money from the club) We managed somehow to make the inside of the club look great. (Still a work in progress) With the help of a great crew we installed a folding door to separate the dining room from the bar. This works great for parties and energy costs (saving the club money in the long run) The widows peak railing got relocated to the front patio area (great for keeping kids and some adults contained) Replaced the security lock on the outdoor restrooms so they actually unlock now (its a problem when you really have to go and the door doesn't unlock) And last but not least the siding on the building now makes it look like a Yacht Club and not a supper club. That job was by far the hardest to get accomplished. By wrapping the building and repairing all the holes we will save money on heating and cooling. I would like to thank everyone that was involved in these projects, it wouldn't have gotten finished without you. I will keep doing what ever it takes to keep the club up and running. With out all the help from the fellow members this job would be very difficult, so thanks for being there for the club. Hope to see you around at the club.

- John Demeny

Board Nominations

Hi all, I am Pete Weber and I am running for the 2013 & 2014 board of directors. I started in the club as a social member and have been a full member for 10 years. I have been involved in many projects and activities around the club and wish to continue to do so as a board member. I think I can help the club run smoothly with my experience and ability to reason my way though a problem. I am interested in helping with the club grounds part of the boards responsibility in managing the club. Thank you for your consideration in

voting for me and I hope you will.

- Pete Weber

Fellow Members: Accepting the nomination for the GBYC Board of Directors took considerable thought since I'm well aware of the position I would be expected to fill and the amount of work it entails having served in it for two years. It is not a thankless job since the reward in doing it well is a contribution to a financially solid Yacht Club for the benefit of all our members and their continued enjoyment of our facility. I feel we are fortunate in that our general membership is a great group of people that step up to the plate when something needs to be accomplished. Your dedication is evident in the quality of the work and the money it either makes or saves the club. We are also fortunate in that our employees care about their jobs and our club. We have some projects that need attention next year and others that will need to be addressed down the road and it is important that the GBYC continues to stay on its' present course of full docks and a healthy use of bar and food service by both full and social members. Our financial success would be my primary concern. I would be honored to again serve on your Board of Directors.

Hi – my name is Jim Manlick. My wife, Jackie and I have been members of the GBYC since spring of 2009 . Initially we joined just as social members, partly because we only had a runabout at the time and were thinking of going bigger, but also to see if we would like it or not. One year later we knew we were happy, joined as full members and purchased our first “bigger boat” – a 27 Regal Commodore.

Nearly four years later, we can both definitely say that we love it here.

We have developed new friendships and the camaraderie we have with people at the club is unbelievable. I have seen great things happen since joining the club- the slips have filled up, we’ve remodeled both the inside and outside of the club and people step up to the plate whenever needed. Unfortunately it’s often the same people again and again. I think we need to try and encourage more people to get involved. I want to THANK Kevin Rodgers for nominating me for the board and hope to be a part of new and exciting things happening at the club in the future. In closing I would like to say that if elected I promise not to export jobs to China or raise taxes on the middle class. You’re Damn Right.

- Jim Manlick

Hello My name is Kris Johnson. I am running to be a member of the board. Joining the GBYC four years ago, I have enjoyed being a full member. The club is a great place to converse and to meet new friends. I have been doing my best to help improve the club, with help from friends starting with installing the sliding door, remodeling the inside of club to the great new look on the outside including the fence and siding. I've been doing my part with being a host for a smoker to being a member on lift crew. There are many odds and ends yet to do and more to come. I will do the best I can to continue my efforts to help keep the GBYC as great of a place for the current and future members. Thank you and I would appreciate your support.

- Kris Johnson

Or more like...

Short and sweet. Most of you know me, I’ve been a member a long time and have actively been involved in the club chairing events and helping out with parties. Me and my son Brent own Print King, a small printing company here in Green Bay for over 25 years. I feel we have to keep

going in the same direction with the club, creating new members and making the club the best it can be. Most of all making it fun and friendly, letting everyone feel welcome.
