## Greetings from the Commodore - John Demeny

Hello Fellow Members,

I would like to start by thanking all the volunteers that came down to the club on weekends and completed the touch-ups. The club looks great , fresh touch up paint, new chair rail, new window trim and a lot of beverages I'm sure. This will be great for the Interclub Party on March 9th. Thanks for all the help. I know that most of the guys and gals on this project already have their hours in for this year but that won't stop them from volunteering for more. Keep up the good work.

We also filled the fuel tank with mid grade fuel with no ethanol the price at the pump will be determined ( should be around 3.60 ish ) We know by buying it early is taking a chance. But sometimes that's the way it goes. Wait till summer when every place else is over 4 dollars.

Make sure you get your dock fees paid for 2013. We will be doing dock assignments in the beginning of march so if you would like to keep you existing dock please pay for it or you may lose it. I know everyone is worried about the water levels but we still need to go forward with the club procedures. Hopefully we get a lot more rain and snow to get the water back up to safe levels for boaters.

Our financial committee has been looking at our credit card fees and they were pretty high last year. So if you or your guests need extra cash please get it from our ATM that is why it is there. That's one machine that always seems to pay. We are also charging an extra 5% on all dues and dock fees paid with a credit card. If you are out for the friday fish or other club meals feel free to pay with you card. It's the real small and larger draws that's hurting us.

I hope this boating season is better than the snowmobiling season was this winter. I bought some used sleds and got to use them 3 times that's over a thousand dollars a ride. And I thought boating was expensive. If the water don't come back up I'll have to find a new hobby. Maybe sky diving! The sky always seems to be there.

Well if you're not doing anything (like sky diving) come on down to the club for some fish, burgers or tacos. Or just come down to socialize

See you at the club.

**Fleet Captain - Don Smith**

Pray for lots of snow or rain to raise our harbor water levels! If this doesn't happen, I have already heard that some of our members may delay launching their boats until water levels improve. If water levels do become an issue this year, we will do what we can to accommodate as many members as possible. Once our docks are in place, we plan to take water depth readings at the entrance and back of our docks and also the middle of our harbor. I will need some help and a row boat to do this so give me a call at 366-1123 if you would like to participate.

I am also open to suggestions as to how to get meaningful depth readings. We can take portable sonar readings but that may only give us depths to the top of the mud/silt. I would also like to know the depth to the "hard bottom" that could damage props. My plan at this time is make a depth instrument using a 2" X 2" X 8 ft board graduated in inches with a 12" X 12" piece of plywood attached to the bottom. I plan to add some weights to the plywood to give it negative buoyancy and push it down to a hard bottom. This is just my plan at this time but I am very open to other ideas!

In addition to possible water issues affecting dock availability, we also have members (floaters and new members) who have submitted Dock Applications for 2013. We will try to accommodate as many members as possible by enforcing our bylaws. If you were a dock holder in 2012 and plan to hold a dock again in 2013, please make sure to turn in a Dock Application before our dock assignment meeting in early March and also make sure that you are a member in good standing, i.e. you have the required 18 volunteer hours in 2012 (or paid the \$20/hr), and are in good standing regarding GBYC fees. If you have a dispute regarding hours, fees, etc, call me at 366-1123 before our dock assignment meeting.

The 2012 member hours sheets are located in the top drawer just below the big screen TV in the bar area.

First a big thank you to Eddie Driscoll for the great smoker in January. Eddie and the crew did an outstanding job and if anyone went away hungry contact Marie Osmond at nutrisystems or Jessica Simpson at weight watchers.

I know you don't even want to think about it, but since the Pack is done for the season there are plenty of activities to do at the club to keep your mind off that (do I dare say) game.

Chili cook off on Super Bowl Sunday February 3rd. Enter your favorite recipe and de-throne Steve Weise. \$3.00 tasting fee, but if you enter the competition there is no charge. The fees will be distributed to the top two entries. Set up at 3:00 and judging 4:30-5:00.

Splurge and take your sweetie to the club for Valentine's Day for Mexican night. Why wait at a crowded supper club and pay those high prices, Todd will have your feast ready in no time to get you home for what Valentine's day is about. (watching TV and falling asleep)

February smoker is Tenderloin on the 20th. And in March the Inter club party is on the 9th and St. Patty's Day party on Saturday the 16th of March. Followed by a family bowling afternoon.

See enclosed calendar and keep it to reference activities and parties at the club. But always check the hallway board for changes or other activities not listed on calendar.

See you at the club,

HAPPY WINTER! (Okay, not really...but boating season IS right around the corner!)

Heads up we have a new beer on tap by popular demand....(drum roll)...Sam Adams with a signature 22 oz mug at \$3.50, pints at \$2.50 and pitchers for just \$8! Get em' while they're cold!

All-in-all, Tuesday's Buck Burger nights are still being extremely well attended, followed by Thursday Night Happy Hours and Taco Night. Please remember your club when you're looking for a fabulous atmosphere and good friends on Friday and Saturday nights as well. Please note that the kitchen will now be staffed just a tad later on Saturdays...due to a full Winter menu. Come on down on a cold night and enjoy dinner at your club!

Thank you to everyone for stepping it up and getting some of your hours by helping in the kitchen or serving on busier nights. For anyone looking for a fun way to attain a few hours, give me a shout and I'll be happy to have you help out.

Looking forward to another year working with the newest additions to the GBYC Board of Directors! Thank you to those who worked so diligently together last year. I have no doubt the new Board will do an extraordinary job at running things smoothly.

A kind reminder to one and all as well...to remember to tip Todd. He's done an incredible job and making additional improvements all the time. It's easy to remember to tip the bartenders since they're right in front of you, please try and remember that Todd is behind the scenes give your wonderful service as well.

See you at the club!
