Greetings from the Commodore - John Demeny

I would like to start out thanking everyone for voting for me for the commodore position. I will do my best to keep this club going forward as we did the past few years. We are doing well financially and we will try to keep that up as well.

The siding project on the building went very well this past fall. It turned out better than anyone could imagine. Thank you again to all that volunteered and put in so many hours on that project. Rain or shine we got-er done. WELL DONE GUYS.

The new board has many projects to look at this year. One of them is the grounds and the other will be the docks. We may have to get a committee together for this project to see what we can do with the old docks. We may be able to get away with updating the wood, staining or replacing. We will need to get pricing on this project for the membership to review.

I've been told that our new website will be up and running by January 1st if not before. So everyone get on there and check it out and let us know what you think about it.

I believe we have a good board in place for 2013 and they will do a great job in improving and keeping the club running as to the best of their abilities.

Well that's all for now hope too see you at the club.

Thanks

John Demeny

Fleet Captain - Don Smith

Due to potential water level issues this coming spring, it will be more important to turn in Dock Applications by "mid February" because that is when the dock assignment committee will be meeting. Any requests for dock changes should be noted at the bottom of the application so they can be discussed at this dock assignment committee meeting.

Floaters who would like a permanent dock should also submit dock applications to keep their rank on the floaters list because it is one factor in determining who gets the docks when they become available.

If our harbor water levels continue to drop, the GBYC risks losing boats to other deeper marinas. At the dock assignment committee meeting we will be looking at our options to avoid or minimize such situations. For example, do we have any dock holders with "smaller draft" boats in "deeper draft" slips who would "temporarily" swap docks with a another dock holder who needs more draft until the water levels come up again?

Regular members that are permanent dock holders need to put in a minimum of 18 hours of work time during the previous calendar year or buy their hours at \$25/hr. If you are unsure about your hours, the membership hours list is located in one of the top drawers just below the big screen TV in the bar area. Also, if any current dock holders plan to give up their dock for 2013 for whatever reason such as selling their boat, please let me know.

Sunshine Committee - Roger Gilsoul

HAPPY NEW YEAR to everyone and may 2013 be a great year for you.

- Roger

Entertainment - Ken Lemerond

HAPPY NEW YEAR!

Hope everyone had a great holiday. Thank you for electing me to the board. I'll do my best to make the club fun and interesting. I'd like to thank Gary Kuschel for his past tour on the board, I'm sure I'll be looking to him for a little help and input. The December smoker had a great turn out as usual with Jack Koehne's wild game feed and raffle.

Thank You to Jack and his crew. The children's Christmas party as always was fun also and well attended. A big thank you to Mary Unrath, Santa and crew. The kids always have a good time with the crafts and gifts. Parents, Grandparents have fun too. (No one saw me snatch cookies did they?)

Watch the Packer games at the club and bring a dish to pass. Hopefully they have a run through January and into February! The farther they go, the more crowded the club gets, so get there early for a good seat.

January's smoker on the 16th is Eddie Driscoll's classic pork shanks with all the fixin's. Sign up as usual.

If anyone is still interested in the February group trip to Ixtapa Mexico, last I looked there were just a couple of rooms left at the same price. You can call me or Barb at Journey's Unlimited for more info. 469-8747. Have a great New Year and we'll see you around the club.

 OUR EXPERIENCE. YOUR

GBYC Annual Veteran's Day Ceremony

Submitted by: Theresa Gage

To start our 8th annual Veteran's Day Ceremony, the club was just as it should've been...choked full of red, white & blue! Over 240 people attended this incredible event on Nov. 10th to honor our veteran's and enlisted military personnel. In typical GBYC style, food was abundant, and everyone left full of thanks and pride for our club. Well done to all those who had a hand in making this day memorable and successful!

Special thanks to our community volunteers: American Legion Sullivan-Wallen Post 11 (color guard and gun salute), Greg Truttmann (Marine), Don Brungraber (bugler) and the U.S. Coast Guard Auxiliary. They make our ceremony "official", and I'm truly grateful.

To the committee who gave so generously of their time and talents, I thank you from the bottom of my heart: Roger Gilsoul, Paul Buntin, Bridget Foley, Barb Stencil, Patti & Jim Thompson and Dan Laubenstein. To Randy & Andrea Slye, Anita & Wally Destiche, Ken Lemerond, Jerry Treleven, my family (Art, Sarah & Isaac), everyone who made delicious food or helped cleanup, and anyone I may have missed by name (please forgive me)...THANK YOU, THANK YOU, THANK YOU!!!! Your help and support made this event possible and successful.

For the Muskie Club's generous donation, we are extremely appreciative for your support of this worthwhile event. And to all the members who joined us to honor our veterans and enlisted military personnel, and their families, thank you. We are blessed with freedoms today because of their sacrifice.

Saving the best for last, our never-ending thanks to all the veterans who fought to preserve our freedom, and the young men and women who carry on that tradition of duty and honor. May God bless you and your families, and may God bless America.

Building - Kris Johnson

I would like to start by saying Thank You to all supporting my position on the board. Second to congratulate John Demeny, Marlynn Ohlfs, LLOYD Carpenter and Ken Lemerand in their new positions as well. I have confidence we will continue making the Green Bay Yacht Club a place of pride and pleasure.

The club as a whole is looking great inside and out with a few odds and ends to be tied up after the holidays. The windows will be finished. Some touch up with paint and minor wood work. A couple of the doors need some attention. If something catches your eye and needs to be fixed please let me know. Call me if you are willing to help even if only for a while. All time is appreciated. Hours to be made. We have our inter-club party coming and nothing better than to have them say WOW!

I cant thank enough those involved with the siding. A lot of hours that many people did not have to donate.
