Greetings from the Commodore - Larry Labine

I would like to welcome all the new members that signed up this year. Come down to the club and get involved. The more people you meet and the more you do around the club the more comfortable you will feel. We have events every month. Please sign up for them in advance so the people running the events know what and how much to order.

The harbor is looking fuller than I've seen in years. Now we just need to keep some warm and dry weather around for more than a few days in a row. It's nice to see gas prices heading in the right direction. We are selling the 4,000 gallons we bought earlier in June for \$3.99 a gallon and as soon as we get the tank down low enough we will buy more to lower the price some more. We will not have a gas attendant this year. If you need gas contact the bartender to come out and turn it on and someone can fill in behind the bar while they are gone. During the week days Jay might be in if you contact him.

It has been great seeing so many parties in the club this year. I think we have set a record. Any member can book the club for weddings, graduations, anniversary's, birthday's, retirement, Christmas, Easter or anything else you could think of. We booked a party for Easter rather than having 40 people at our home. It turned out great. If you need or like to book the club for anything stop in or call Jay to reserve a date. You need to fill out a club house or pavilion rental agreement and put a \$100 returnable cleaning fee and a \$25 club fee to use them.

Just a reminder to all members that we are welcome at most Yacht Clubs in the country. Just go in and show them your membership card and just remember you are representing our club and follow their rules.

Well let's start them vacations!!!

Thanks,
Larry LaBine

Another Sunday at Long Tail !

Sunshine Committee - Roger Gilsoul

Ken Konop is recovering from a stroke. I talked with him and he is doing well. He will be back at the club shortly.

-Roger

Entertainment - Jeff Tilkins

Our first Men's Summer Smoker was held on June 15th. It was a good one featuring BBQ Chicken. Although our chair for the event Mr. Ken Konop could not make it due

to a medical emergency other members of the club filled in to make it a success. One good thing with Ken gone that night there was more marinade to pass around the grill. Get well fast Ken, we need you back.

July 16th is the luau; we have an excellent reggae band and dancers for the event. Cocktails will start around 3, dinner at 6 and band will start around 7. This is our signature party of the year. Please support your club by attending and inviting your friends to enjoy the fun. Contact Larry for more details.

On July 20th the Men's Summer Smoker will be hosted by Big Jimmy Mathys. He has sifted through his wife's cook books to come up for the best recipe for his BBQ Ribs. Jimmy and crew will start the marination process around 3 that day under the pavilion. Sign up sheet will be posted at club. Please sign up by the 17th. Come thirsty my friends.

Once again there will be some private parties this month. All parties are listed on the calendar of events so please check it out before you come down to the club.

House - Randy Slye

From the House: (By the way, did I ever tell you that "House" is my favorite TV show?)

Our TUESDAY NIGHT BUCK BURGER NIGHTS are going superbly! These have grown in popularity. It's a great night to come down and spend sometime with your fellow club members, enjoy an awesome burger at an incredible price.

THURSDAY NIGHTS still include our happy hour pricing from 4 p.m. to close. Specials include tap beers for just a buck and two dollar mixers and bottle beer. You can't beat that price anywhere in town.

Our FRIDAY NIGHT FISH FRY is temporarily on hold. We are seeking a volunteer from the club to work the grill for burgers and fish plates. If you are interested in earning a few club hours, please give me a call, or shoot me an e-mail.

We have just started our SUNDAY NIGHT CHICKEN DINNERS. Quarter chicken and the fixings for \$6.50, while a half chicken and the fixings are \$9.50. We will also have a limited menu of burgers, and such available to end your weekend.

Don't forget...always on tap at your club: Miller Lite, Bud Lite, Leinie's Amber, Mich Ultra, Coors Light, Leinie's Summer Shandy and Sam Adams.

We are always looking for volunteers for bartending on various weekday evenings. If interested, I will be happy to put you on the waiting list.

Fleet Captain - Gary Kuschel

With summer here, we have the aerators running in the harbor. If you see one plugged up with junk please try and remove the obstruction, (boat hooks are great for this), from the aerator. They are not cheap to repair and/or replace.

Remember if you have a trailer parked on the grounds it needs a trailer sticker. Cost is \$75.00 plus tax. See Marlynn for your sticker. Non stickered trailers will be led away to the old trailers home.

Gas is available, but remember if the bar is busy you might have to wait. Calling ahead is always a good option.

Please park only one car in front of your boat. Guests and/or second vehicles should be parked by the fence, or on the gravel.

Pete Fleck would like to know if anyone has seen the red emergency water pump. It seems to have vanished. Please contact Pete if you know its location.

One more thing, summer's short so have fun. See you at the club.

Building - John Demeny

Hello Fellow GBYC Members,

It seems the boating season came to an abrupt halt with all this rain we have been getting. Hope the rest of the summer is dry and sunny.

If anyone had problems with their access card on Monday or Tuesday the (20th and 21st of June) it wasn't your card malfunctioning. We had a little glitch in the access software which is now resolved.

The cracked window in the dining room is still in the process of being repaired, it seems they lost our order and had to reorder it. This will get fixed before the end of my term in 2012.

We are still hunting down the leaky roof. With all the rain we have been getting it seems the leaks are getting worse. I just think it's the amount of rain and the heavy down pours causing more problems.

If anyone has an expertise in rubber roof repair please come forward. We could use your help!

Dawn Demeny got together with some of the bartenders and wrote up a list of items that need to done with the building at the end of the day. The list is located next to the till.

There is a list for bartenders and a separate one for members. If the member is the bartender please follow both lists. Just a reminder to turn off the cooler lights and the restroom lights.

Have a pleasant summer and happy boating.

Grounds - Colin Piaskowski

Wow what a productive Saturday with limited help, super thanks to all who showed up. We had limited members available for the last grounds day. We ripped out the current shrubs around the building, tore out ratty looking paper under the red mulch by the the well, trimmed up some trees and a couple other things.

Suggestions are roaming around to what should be done around the club, now that the shrubs are gone, the existing rock looks like crap.

Plans are being looked into extend the patio area.

Do you have concrete finishing experience? We are looking for estimates from contractors or skilled labor alike to help develop this project. If you have another idea for the front of the building, let me know.

The yacht club really needs more volunteers to help with some weed control. I have the product and equipment but don't have the time to do it myself. I also am looking some people to help clean and organize the shed and jack stand area both are somewhat a disaster. Contact me: Colinpiaskowski@yahoo.com, 920-412-1426 text me. I don't really answer my phone that often but you can always call.

I was cutting the grass this past weekend found a lot of garbage and some boche balls scattered about. If you hold a party you are responsible that all things related to the party be cleaned up.

The planters are planted around the building and look fantastic. If you see deadheads give them a pluck.

Enjoy the season and see you at the club.

Job Jar

This is a new section in the newsletter and a great idea by Dawn Demeny. Anyone looking for some quick hours to put into the club can start with some of these simple, but often neglected, but ALWAYS appreciated tasks. Anyone who wants to add to this list contact our newsletter editor, Jim Wassenberg (jwassenberg1@new.rr.com).

- * Replenish ice in the machine by the gas dock.
- * Cut lawn - lawnmower is in garage. Gas should be there if not go ahead and purchase and you will be reimbursed at the bar.
- * Pull weeds in gardens.
- * Hose out cottonwood on air conditioners behind kitchen. Hose is there.
- * Volunteer for parties - check with member in charge for details.
- * Check aerators - pull out any sticks or garbage.

Hours clipboard is behind the bar.
