Greetings from the Commodore - Larry Labine

I would like to start by wishing everyone a happy Independence Day. That seems to mark the middle of summer, but the Club is just warming up. We are having the Luau on the 14th of July. Buy your tickets soon and bring as many friends as you would like. This is a great event every year and if you would like to help out with set up, clean up, serving food, and or bar tending let the chair people know or sign up. On August 11th Manitowoc Yacht Club will be having the first summer Inter Club Party. If you want to take your boat to the event or if we can get enough people to have a bus we will get one rented but Captain Mitch from the Foxy Lady has his bus booked for a wedding that night so we need to get people to sign up in advance so we can reserve what ever size bus we need or just drive our own cars. In September we will be having our Autumn Fest.

My deepest sympathy to Gale and Carol Basten for the loss of their daughter Sue after a long fight with brain cancer.

The travel lift will be needing new tires soon but we must bust out the concrete outside the old well. It is sinking do to the weight of the boats on the lift. When it was designed the old lift was narrower than the new one and the concrete was not as thick as it should be. We will be busting the old stuff out and getting the new poured and covered as soon as the harbor is shut down for the season.

We need to start thinking about new people to run for the board for next year. If you would like to get involved let me or someone on the board know. This board has been very wonderful to work with. It is nice when you have a good group of members that all working together trying to get things done rather than butting heads and getting nothing accomplished.

This month I would like to thank Chris Johnson for all the extra work he has put into the club this year. It seems like any time we need something done at the club Chris is here getting it done and enjoying doing it.If we could get every member to do half as much we would run out of things to do. If you see Chris buy him one.
Let's go boating!!!!

Thanks,
Larry LaBine
Commodore

Fleet Captain - Don Smith

As of this writing only dock 81 and 83 are open and dock 81 has very restrictive access/departure issues and will be reserved for small vessels such as runabouts and dinghies.

If you see an aerator fouled with debris, please unplug the power cord and try to remove the debris. If you are unsuccessful, leave it unplugged and call me at 366-1123.

If you have a trailer parked on the grounds, it needs a sticker that is available from the GBYC for \$75.00.

If someone needs hours, I need a few members to help me replace some warped dock boards and address the issues on a few of our dock ramps. I am planning to do this on Saturday morning at 9:00 AM on June 30th. It should only take a couple of hours.

Remember there is only one parking spot for each dock holder so tell your guests to park by the fence or on the gravel.

Finally, we are getting complaints about cigarette butts on the ground around the club house. Please put butts in the receptacles near both entrances.

Summer

House - Randy Slye

Happy Summer Solstice to One and All! Summer is officially here! There is a lot going on "in the house" at your GBYC:

We are currently seeking a new cook/chef. If you know of anyone with cooking/kitchen experience, please let them know about this wonderful opportunity. Presently, a few of our members, as well as Jay (and myself) have jumped in to keep things moving in the kitchen. Tuesday's Buck Burger Nights are still going strong, as well as Thursday Taco Nights. Thursdays are also our happy hour priced evenings. Don't forget about Clucker Sundays either...broasted chicken is being served, along with the regular bar menu. That being said...we could use a little extra help in the interim until we find a kitchen replacement person. We're looking for members to help on Tuesday, Thursday and Sunday evenings to cook and/or take orders, serve and help with clean up. Please let me know if you can pitch in.

New at the bar...is buckets of ice cold beer for \$10. Also, don't forget that pitchers of beer are now \$6. With each pitcher you purchase, you receive a chip. Accumulate just 6 chips and the 7th pitcher is free!

Finally...the kitchen could use some sprucing up. We would like to put together a group to tidy things up. If you are interested in getting a few hours in, or joining a fun group please let myself or Jay know. If we don't get a group of members together soon, we'll have to hire it out. That's something the club cannot and should not have to do. Remember...this is YOUR club! Even if you do have your hours in for the year, working together is why the GBYC is the best kept secret on the Bay. Let's keep it that way!

Entertainment - Gary Kuschel

The summer smokers are in full swing. I heard Jay did an awesome job on his grilled chicken. Watch the board for next month's sign-up sheet. Thanks to Scott and Leanne Conrad, along with Pete Weber for chairing the Luau. Tickets are on sale now, at the bar. Buy early, buy often. \$15.00 per person or a great deal at \$25.00 per couple. The July 14th event promises to be a great time. Food, music, and good friends. Who could ask for anything else? We will be putting up a sign-up sheet for the inter-club party shortly. We are also checking out bus prices. The Aug. 11th party at the Manitowac club is always a good time. Sign-up and show the other clubs what fun people we are in Green Bay. Anything I forgot, remind me at the club when you buy me a beer.

Til next month, Gary

Grounds - Colin Piaskowski**No Submission****Job Jar**

Anyone looking for some quick hours to put into the club can start with some of these simple, but often neglected, but ALWAYS appreciated tasks. Anyone who wants to add to this list contact our newsletter editor, Jim Wassenberg (jwassenberg1@new.rr.com).

* Replenish ice in the machine by the gas dock.
* Cut lawn - lawnmower is in garage. Gas should be there; if not go ahead and purchase and you will be

reimbursed at the bar.

* Pull weeds in gardens.

* Hose out cottonwood on air conditioners behind kitchen. Hose is there.

* Volunteer for parties - check with member in charge for details.

* Check aerators - pull out any sticks or garbage.

The hours clipboard is behind the bar.

Sunshine Committee - Roger Gilsoul

Condolences to Gale and Carole Basten on the death of Gale's daughter Sue Notaro. Sue lived in Florida and passed away June 16 after a long battle with cancer. God be with you. Sincere sympathy to Ann Emmel on the passing of her mother, Ruth VanCampenhout. Our condolence to Ann, Dan and Morgan at this difficult time. Ruth

was also Ken Konops sister. So please keep Ken and Sandy in your thoughts as well.

Roger

Got any old, unused boating items laying around the house (or boat)?

Maybe another GBYC member could use them . . .

Why not post them here?

From the Editor...

Jim Wassenberg

The Dockline newsletter is the primary avenue for the passing of necessary information to the membership and illustrate the commitment of its leadership.

In an attempt to improve the quality and resources of the Dockline newsletter, and maximize its potential, everyone is invited to submit material which is relevant, informational, propositional, or simply entertaining to the membership. Remember, this is your club and your newsletter. Feel free to make a contribution and utilize it. Stories, photos, comics, posters, graphics, puzzles, events, dates, menus and advertisements are all appreciated by the membership and vital to the club's operation.

All submissions must be sent via email by the 24th day of each month to jwassenberg1@new.rr.com. This material provides the opportunity to inform the membership about scheduled functions, various ideas, projects you have been involved in, future plans in which you might need assistance, pressing issues to be discussed at upcoming meetings and reassure the membership that the GBYC is in good hands.

Many suggestions and concerns can be addressed directly with the appropriately elected board of directors chairperson for inclusion in their respective articles. Their contact info is included in every Dockline issue on page 2.

Newsletter submissions will be edited regarding objectionable or offensive content, but not re-written for grammar, so please ensure that material is well written. After all, we want to promote a positive and professional image of the GBYC.

Since authors are responsible for their accuracy, no anonymous material will be accepted.

Revenue generated by our advertisers offsets much of the printing and postage expenses, so please patronize our sponsors. Free classified ads are a great method of connecting buyers and sellers, but please request an update or removal as necessary. Old, outdated and inaccurate ads aren't effective.

Questions, concerns and suggestions are always welcome. After all, a newsletter is only as good as its content.

The Dockline is the monthly newsletter of the Green Bay Yacht Club.

Every month copies are sent to all GBYC members, all of whom are active boaters and boating enthusiasts. Copies are also sent to other area yacht clubs, local marinas and marine businesses. In addition we place copies on our web site:
www.greenbayyachtclub.com.

Members may submit yacht club or boating related articles for publication in the Dockline. Deadline for submissions is the 24th day of the month.

Members and nonmembers may place an advertisement in the Dockline. The annual rates for an ad are as follows:
Small Ad (2 ¼" x 1 ¼")
GBYC Members - \$120.00
Nonmembers - \$180.00
Large Ad (4 ¾" x 1 ¼")
GBYC Members - \$180.00
Nonmembers - \$270.00

A monthly ad may be placed in the Dockline at a rate of \$15.00

(small) and \$20.00 (large).

Send all advertisements to krogers@new.rr.com.

Building - John Demeny

Hello Fellow GBYC'ers

Well the month of June has treated us pretty well. Not too many storms so no damage to the building yeh! The front railing job went very well. If you have not seen it yet it makes the harbor side of the building look very nice.

We are talking about installing new siding on the building, this project will probably take place either in the fall or early spring. We will be looking for some volunteers for this project. With enough help we could have it completed in one weekend. I will keep you posted on when we will start this project.

Larry Labine is also looking into getting some canvas type sides for the pavilion. With the sides we will be able to control the wind and rain in the pavilion. We will start with just 2 side and see how it works out. We may even have them by the luau.

The aerators have been installed in the harbor so if you see something plugging them up please try to clean the debris out so the motors don't burn out. They do have an over heating protection built in but still need to be watched.

Well that's all for now
See ya at the club

Thanks
John Demeny
