Greetings from the Commodore - Larry Labine

With a cold snowy winter and a cold, snowy, rainy spring we got off to a late start of the boating season so we will have make up for lost time by coming down to the boat or the club more often.

The Membership / Marketing committee did a great job coming up with many new ideas to bring in new members. It's starting to work with over 10 new members joining and more calling every day. I would like to thank everyone that was on the committee. They had meetings every other Thursday.

I would also like to thank the finance committee that worked on cutting costs in the club and the harbor. They spent many hours looking and checking on everything they could. It seems the money trouble is getting back on track due to the work of this committee and the great work that the board has been doing over the last year. They cut hours on the manager, bar staff and found ways to cut our utility and garbage bills to save the club about \$30,000 a year or so. Good member turn out at the bar and getting the docks full will help greatly.

We had the blessing of the Fleet and a first time GBYC reunion that was a huge hit. We picked up a few past members and the bar had a great night. Thanks to Stephanie Neis and her crew for a great party and a great band.

My wife Lori and I will be doing the Luau on the 16th of July.

Let's go boating!!!!

Todd Oudenhoven spruced up the gas dock with some new stain

Sunshine Committee - Roger Gilsoul

No news to report this month. We're all glad to see that some warmer weather has finally arrived. Hope everyone has a safe and enjoyable summer. Happy Boating!

-Roger

Entertainment - Jeff Tilkins

We had a very successful month at our club with the great parties that were held there. Derby Day followed by Mother's Day was well attended and the bar sales were up over last year. Thanks to all of our members that chaired these events and to all of you that participated.

The Grand Smoker was held at our club instead of going off site. This brought in extra monies and I feel that our members enjoyed having it our club. The steaks and lobsters were prepared to perfection. I would like to thank Tommy, Lloyd, Eddy, Gregg and both Pete's for all the hard work they did that night making the Grand Smoker a Grand Event. Stephanie Neis and her crew did an excellent job with the Blessing of the Fleet. The weather wasn't the greatest but everyone that came had a good time. It was also nice seeing some of our former members join us for this function. Hopefully some of them will rejoin.

June's Men's Smoker will be held on June 15th. Kenny Konop and

his marinating crew will be preparing a half of chicken and the fixins that night on the grill under the pavilion. Sign up sheet is on the board.

When signing your name on the sheet please use your full name and write it so we can read it. PLEASE!!! We had some problems on the last signup sheet, example JOHN H. How are we supposed to know who that is?

June is going to be a very busy month for private parties at the club. Please give our members renting our club the respect and room they need to put their party on.

Our Luau will be held on Saturday July 16th . This year we will feature 2 bands. 12 VOLT will start late afternoon and The Jimmy Burton Reggae Band and Dancers will perform in the evening. Please get your tickets early, this is one Luau you don't want to miss.

House - Randy Slye

From the house; Summer shanty is now on tap and is a very tasty beer. We will not have a cook on duty for Friday nights anymore until next fall. We will be starting chicken on Sundays from 4:30 to 7:00 pm. We will keep buck burger night going. We will be starting some beer bucket specials for summer. That's about all I have for this month. Thanks, Randy, Jay and staff.

Fleet Captain - Gary Kuschel

First the good news; we got the gas pump working again. Thanks to John Demeny for all his hard work on getting our pump working again. Now the not so good news. It's possible we could be out of gas, for a short while. We are closely watching the price and shouldn't be out of gas for long, if at all. Crunching pennies isn't always easy, or fun.

The lift well is to be used only for its intended purpose. i.e. Hauling boats in and out of the water, fueling, pump out, etc. Unattended vessels should not occupy the well, especially when lift crews are hauling boats. Be considerate. There are plenty of other available slips to utilize while waiting for guests or loading equipment. Lift crews and members have schedules to maintain. Remember to sign in and out of your slips when leaving for vacations and weekends.

Also keep your dogs leashed, and pick up after them. One more thing. Let's have fun, summer's too short.

See you at the Club, Gary.

Building - John Demeny

Hi Everyone,

The boating season has finally started. It's all the storms and the wind we could do without though. (At least I could.)

Not much to report on for the building. I got a new amp for the PA system. This one has twice as much power so it should last longer.

If anyone sees anything around the club that needs attention you can either send me an E-mail or leave me a note at the club and I will get to it as soon as possible.

Have a great day

Grounds - Colin Piaskowski

Good day fellow boaters...

Grass is growing and flowers are starting to bloom.

Thank you to the ladies for helping plant some flowers. I know there are names out there but no exacts. We were able to use some perennials for the bless the fleet party and replant them outside.

Thank you to people who have donated flowers.

There are some perennials at the club ready for planting and may be planted before anyone reads this but if not come on down and plant some flowers.

I am in serious need of someone to help cut the grass. I cut

around the front slips the other day but really need the north area cut. Weed control will be sprayed on the storage areas the monday after the last lift crew.

Organization of the jack stand area and the garage will also commence. Pete Weber is like a grizzly looking for ding dongs in your backpack but looking for scrap metal in your old used grill.

So if you have items that you don't want recycled get your name on them and in their proper area.

Enjoy the spring and see you at the club.

Colin

**CLASSIFIED ADS**

For Sale: 1974 Trawler, Marine Trader, 34 ft., fully equipped, fiberglass hull, Ford diesel 120 hp. 3.65 mpg, or 800 mile range on full tanks. Reasonably priced, call Gale or Carole Basten 920-468-9392 for more info.

Got any old, unused boating items laying around the house (or boat)? Maybe another GBYC member could use them . . . Why not post them here?

The Dockline is the monthly newsletter of the Green Bay Yacht Club.

Every month copies are sent to all GBYC members, all of whom are active boaters and boating enthusiasts. Copies are also sent to other area yacht clubs, local marinas and marine businesses. In addition we place copies on our web site:

www.greenbayyachtclub.com.

Members may submit yacht club or boating related articles for publication in the Dockline.

Members and nonmembers may place an advertisement in the Dockline. The annual rates for an ad are as follows:

Small Ad (2 ¼" x 1 ¼")

GBYC Members - \$120.00

Nonmembers - \$180.00

Large Ad (4 ¾" x 1 ¼")

GBYC Members - \$180.00

Nonmembers - \$270.00

A monthly ad may be placed in the Dockline at a rate of \$15.00 (small) and \$20.00 (large).

Send all articles, ads and classified ads to thomas.bentzler@fpna.kpl.net.
