## Greetings from the Commodore - Larry Labine

Save the date for March 9th 2013 as the Green Bay Yacht Club hosts the Inter Club Party. In the past 2 or 3 times we had it here we had about 200 or more people from our club and the 3 other clubs. It is a nice way to talk to other clubs about things they do that we might want to try or things we do that they may like that could help out at there club and it is good meet other boaters. We could use a member to chair this and make it a great event.

My sympathy to Lu Jaekels and her family for the loss of her son Jim. We will all miss him and seeing him work on the Lazy Lu every spring and fall.

It seems the weather has gone back to normal with the temperatures not warm enough to wax yet. I should have done it in March!

The launching of boats have slowed down but should start picking up any day.

The Travel lift crews are now running and don't forget to sign up 24 hours in advance to give the workers time to plan the next day. Also you have 24 hours to clean up and pick up your jack stands and blocking after you have launched. Don't forget to sign in and out of your dock. Check your phone number in the dock log to see if it's correct so we don't call the wrong number if there is a problem with your boat or it needs to be moved.

Thanks to all the people that helped out this winter and spring with the fish fries. The food was great and so was the service. Now we will be starting the broasted chicken on Sunday evenings.

Buy your tickets for the Blessing of the Fleet/ Launching Party on the 19th of May. This is a great way to meet some of the new members and have a great time. Social members it's a good time to tour some of the boats and have a few cold one's on the boats. The Crack the Ice Party was another big hit this year. Thanks Shipyard for having it here.

Mother's Day Brunch is a great way to please Mom and get the family down to the club. If you are coming with a more than a few sign up for the time you would like on the board.

We have several new members again this year and make sure if you see someone new that you introduce yourself and make them feel like a part of our family.

Thanks to everyone that helped out on Grounds day. Not too many people but we got this cleaned up in the storage area and around the harbor. If you need hours contact Collin he could use help anytime and has a list of things that need to get done.

Thanks,  
Larry LaBine  
Commodore

## Fleet Captain - Don Smith

As of April 21st we had only 5 open docks! This year we may fill all our docks and a floaters list will become more active. Any full members who do not currently have docks at the GBYC, but may want one some day, should get on the floaters list because one of the factors that determines which floaters get a dock is their length of time on the floater list.

If the floaters list becomes active again, it will be very important that permanent dock holders record their boat departure and return dates in the dock book before leaving for extended periods.

The grounds crew cleaned up the storage area for jack stands, blocking, etc. and it looks good. We are asking members that use this area during the boating season to put their names on anything they put into that area. You can use a magic marker, paint, wood burner, etc. Tosca also provided new boards for use under jack stands. Your old boards should be placed near the GBYC fire pit or next to the wood pile.

Dock holders should check the dock holder's book to make sure the phone numbers are correct and write in any additional numbers that can be called in an emergency. Many boats sink at the dock due to failed sea water hoses & connections, muskrats chewing through rubber seals on stern drives, etc. Several years ago, I was at the GBYC when we noticed that the stern drive of a boat was totally submerged. We called the owner and he was able to get to his boat and correct the problem before the engine was submerged.

Again, remember to unplug your land-bound boat when not on GBYC property.

### **GBYC Membership gets you 50% Discount with BoatU.S.**

Just a reminder - The Green Bay Yacht Club has a Cooperating Group Agreement with  BoatU.S. that allows our members to pay 50% of the annual regular dues rate of \$30.00 or only \$15 per year!

New BoatU.S. applications are by the computer in the Club which have our Cooperating Group Nr. GA80526Y stamped on it. (This number **MUST BE ON THE APPLICATION** to receive the discount.) Current BoatU.S. members can renew their membership at this low price, but **MUST** provide our Cooperating Group Nr. (GA80526Y) on the renewal form, on-line site, etc. at the time of renewal.

**House - Randy Slye**

FROM THE HOUSE:

Splish Splash...well, for some of you at least. Eventually, we'll get there too. Anyway, we're all very happy to welcome "Boating 2012"! Let the season begin! Bring it on!

A reminder to everyone that the final fish fry of the season will be on April 27th. The kitchen may remain open on Fridays in May with a limited menu similar to last year since it went over so well. Clucker Sundays begin on May 7th and will be the same rendition as last year. We will do our very best to keep the prices in the same range.

With Mother's Day just around the corner, we are still looking for help. There is a sign up sheet on the back bulletin board at the club. As always, feel free to call me with any questions on how you could help! Finally, with the club all spiffed up we'd like to continue the Spring cleaning right on into the kitchen. We've put a sign up sheet on the board for that as well. All hands on deck would be greatly appreciated! Working together on these projects has proven to be a lot of fun and an awesome way to chalk up a few hours.

Finally, the month of April at the bar has been absolutely stellar! With all of the parties that have been held at the club, and our faithful members spending some time (and money)...its been a great month. Lets keep er' going!

Thanks again! ~Housemother Randy

**Entertainment - Gary Kuschel**

The April smoker was a big success, thanks to Ed Driscoll and his crew, (Pete and Lloyd) for a great evening. Next month the GRAND SMOKER. Rick Kofler and Tom VanderHeyden will be cooking for us. The meal you ask, steak and lobster. With these two guys cooking for us, our fabulous bartenders serving your favorite beverages at our normal cheap prices how can anyone not want to be there? Don't forget the Kentucky Derby party on May 5th. Knowing Ken Lemerond, I'm sure it will be a fun and entertaining event. Remember all events need volunteers. They are the backbone of our club. Help out whenever you can. Til next month, Gary

## Grounds - Colin Piaskowski

Thank you for all the great volunteers on grounds day April. We had our best turn out ever but still need more help. We are getting a ton of people for dock days and not for grounds day. I am scheduling another grounds day after most of the boats are in the water. We cleaned the storage area and it is ready for jack stands and blocking, properly marked with your name on everything that is yours. We have a number of quality unclaimed items. Contact me to claim. If I am not contacted club will assume ownership and determine what to do them.

Organization of shed is getting better. Still need to organize tool room, contact me if you can help.

Special thanks to Evil for building us a cabinet for the tool room for spare parts, really a high quality cabinet!

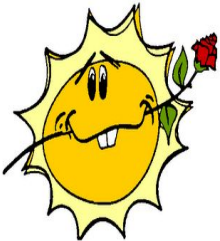

Some work was started on the rehab and expansion of the playground. Lotta work left but started. Contact me if you can help, I need carpenters.

May 19 is the next grounds day. We still have a ton of things to do, and need your help. We need to spray shorelines, planter beds, cracks, fence lines, storage areas for weeds. Planting pots around club and organizing the tool crib. Cleaning the parking lot and painting parking stops.

We also need someone to repaint the GBYC sign. This is a little larger project and looking for a someone to had the project.

Thank you Colin

## Sunshine Committee - Roger Gilsoul

Condolences to the family of James Jaekels who passed away last week. Our prayers are with you. The Club also extends condolences to Bev Hendricks on the passing of her mother, Evelyn Van Lanen. Our sympathy to Bev, Mark and the entire family at this difficult time.

Roger

Changes to any written rule must be brought up at a general meeting for discussion, then tabled and posted in the following month's newsletter. Changes can then be voted on. Changes that effect the daily operation of the GBYC can be made by the GBYC board of directors at anytime.

Submitted by Keith Budzis

## Building - John Demeny

Hi Everyone

I would like to thank Jay and everyone helping to keep the club clean since our cleaning person resigned. Hopefully the new crew will start shortly. Until then try not to leave too much of a mess because Jay is getting tired of cleaning. If you see something that needs cleaning feel free to do so. Remember this is our club so lets take care of it. Otherwise everything else seems to be running pretty smooth. No water leaking on peoples heads at the bar, that was a big accomplishment in itself.

If there is someone looking for hours the VHF marine antenna needs to be reinstalled on the roof.

(Not the rubber roof) The shingled roof above the outside showers should be a good spot for it.

The parts are in the garage in the rafters. (at least they were last fall)

Until next time see ya at the club.

Thanks

John Demeny  
The Building Guy
