Greetings from the Commodore - Larry Labine

Where did our water go? Was it the mild winter, spring and hot summer or did someone pull the plug? I hate to say it but maybe we need a cold snowy winter just to get some water back. Anyway the harbor is closed for the season with a perfect dockday. The weather could not have been nicer and we had a good turn out by our members and we got more done than we expected. We even removed some of the old siding and started to repair the building a week ahead of planned and repaired the loop on the gate.

I would like to thank everyone that helped make the Autumn Fest a success. We had 24 tickets sold on Thursday and we ended up with about 65 attending. Just enough to make a small profit on the event and the bar did well. The band was a hit. Thanks to Brett Boehm for setting us up with the band and using you equipment.

If you still are short on hours or would like to help out siding the clubhouse come down on Saturday's and help John and Chris. Let's make the club look great for the Inter Club party on March 9th. Keep the date open unless you are lucky enough to be headed south for the winter.

Well just because the harbor is closed does not mean the club is. So don't be a stranger stop down and plug your boat in and have home made pizza by Todd or come down to watch the Packers win! Have a Happy Thanksgiving and good luck hunters. If you don't see one in the woods just stop in at the club anytime after 4 PM and see what the look like.

Thanks,
Larry LaBine
Commodore

Fleet Captain - Don Smith

Dock Day went well due to good member turnout and the many members that knew what needed to be done. Thanks!!

Remember to unplug your boats before leaving the GBYC property. Please also keep the area around your boat clean.

Please note that the day after dock day, Larry and I inventoried the boats in winter storage and we found 15 boats for which I am lacking winter storage applications or proof of payment. I will be contacting the boat owners regarding this issue.

October was a good month at the club. A great smoker, hosted by chef Rick Kofler.

ROCKER, ROCKER, ROCKER, do I have to say more? Thanks to our hosts, sharon, John, Mike and Ginny, you guys know how to throw a party.

November shows promise. We have our Veterans Day celebration on November 10th. The event starts at 11:00 with the registration starting at 10:00. Refreshments and snacks will be available (a dish to pass is always appreciated). Come on down and help us honor our veterans.

The smoker date for this month has been moved. The new date is Nov. 14. on the menu, John Potts prime rib. Watch for the sign-up sheet, this is one that you don't want to miss.

A couple of dates in December to mark down, Dec. 15th is the children's Christmas party. Dec. 19th Jack's Wild Game Smoker.

All for now, till next month, Gary

From the Editor...

Jim Wassenberg

It's time to start thinking about the upcoming election for the Board of Directors. All nominees are encouraged to submit a concise article detailing their interest and qualifications for a board

position. A head-shot photograph should also accompany these submissions (provided the Dockline Newsletter doesn't already have one on file.)

Anyone who is (or intends on) being nominated for available positions should send material for inclusion in the next newsletter by November 24th. This material provides the opportunity to inform the membership about qualifications, committment, various ideas, projects you have been involved in, future plans in which you might incorporate, pressing issues to be discussed in the future and reassure the membership that the GBYC is in good hands.

As always, newsletter submissions will be edited regarding objectionable or offensive content, but not re-written for grammar, so please ensure that material is well written. After all, we want to promote a positive and professional image of the GBYC.

Dick collected is bet today from Jim and Dean.

MARK OF EXCELLENCE
AWARD WINNER

Building - John Demeny

Hello Fellow Members,

Well the docks are put away for the winter so it's time to concentrate on other things.

If you've been down to the club you will see we started on the siding. We ran into some problems in the south west corner of the building and had to remove some of the picture windows to repair the damaged wood. 2 windows were bad and one got damaged in the removal process so we decided to only reinstall 4 windows, one of those 4 will need to be ordered that is why there is plywood in it's place right now. This project will be ongoing until it is complete. Any other problems we find will have to be addressed before the new siding can be installed.

There will also be some inside work because of the window removal. Which can be done on a rainy day or maybe a sunday when the Packers don't play. So if your bored and need some hours come on down and give us a hand. Any help will be appreciated.

I would also like to thank all the people the helped out on dock day. That got us ahead of schedule.

See ya at the club,

Thanks
