Greetings from the Commodore - Larry Labine

With another warm boating season coming to an end, I think the club has headed in the right direction with the docks just about full and new members on the rise. The board has been doing all they can to cut costs and labor to build up our bank account and now we ask our dock holders to only run your heat and air when you are on your boats. Turn your water heaters off when you don't need hot water. Our utility bill in August was over \$4,100 mostly due to cooling the club and boats. If we keep our electrical cost down on the docks we can help keep our dock fees down. There are several dock holders that don't even use any power and they pay the same rate per foot as everyone else. So let's be fair to them and try to conserve whenever possible. We have looked into putting meters on the docks but they cost \$29 per meter and it could be a nightmare for the Fleet Captain to monitor them when floaters move into someone's dock or someone plugs into your meter when boats are stored on shore.

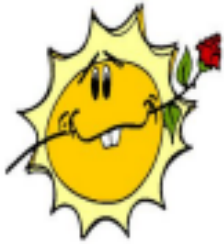

It has been a pleasure working with the present board. We seemed to work together and not on opposing sides on issues. We will be replacing a few next year so we are looking for anyone who would like to be on next year's board of directors. If you are interested please contact Pat Foley or myself.

Thank you,
Larry LaBine

Dick Conrad won the friendly baseball bet.

Sunshine Committee - Roger Gilsoul

No news to report from the Sunshine Committee this month. I hope everyone had a wonderful summer.

Entertainment - Jeff Tilkins

Autumn Fest was a huge success this year. We had around 130 people participating. Pete Weber and his helpers did an excellent job organizing this event. Mike our cook and his crew really did a good job preparing the food and thanks to Rob Collins for getting the band 12 Volt. Very nice maties!!!

September's Smoker hosted by Larry LaBine featured his famous rib eye steaks. Good job to all that helped out that night.

Saturday October 1st is the annual North vs South baseball game, I hope we have good weather that day. Please contact the Slyeman for more details.

On Sunday October 9th the Foxy Lady cruise will leave the municipal boat landing around noon. Following the cruise we will have our appetizer party at the club. So for all attending please bring an appetizer to pass. There are only 140 tickets available for this event at \$10.00 per ticket, no reserving tickets. Tickets will be available behind the bar on a first come first serve basis.

Packerland's Musky Tournament will be held on the 14th, 15th and 16th of October at our club. We expect record crowds and record fish caught this year. The bar is going to be busy so please be patient with our bartenders during this event.

October 19th is the Men's Smoker and will feature Eddy's BBQ pork shanks. Cost for this feast is \$15.00 per person. Signup sheet is on the board. We could use some help with this smoker.

The plans are in the works for a spooky Halloween party... with costume contest and grog or witches brew and a suspicious menu... cost the same arrangement as the Autumn party and same on the ticket sales....10 in advance and 15 if they wait till Tuesday... ..Dinner at 6!!! Please contact Marjorie Newby for details

With the end of the boating season fast approaching, remember it's lift crew season. Make sure your vehicle is parked so the travel lift can get through, and boats can be stored. Driving over cars is hard on the travel lifts tires. When pulling your boat please be ready, and on time. If gassing and/or pumping out plan ahead so everybody can stay on schedule. "Dock Day" is scheduled for Oct. 22nd. A great way to get hours. It's also fun, so join in.
Till next month, Gary

Building - John Demeny

Well I guess fall is here. But there is still time for a couple of boat rides.

Back at the club, not much new to report on the building. Still waiting on the approval for the roof but I do think it will still be done before winter. Remember to turn out the lights when not needed. See you at the club.

Anyone looking for some quick hours to put into the club can start with some of these simple, but often neglected, but ALWAYS appreciated tasks. Anyone who wants to add to this list contact our newsletter editor, Jim Wassenberg (jwassenberg1@new.rr.com).

* Remove the big speaker in the ceiling by the dance floor and redo the ceiling tile.

* Cut lawn - lawnmower is in garage. Gas should be there; if not go ahead and purchase and you will be

reimbursed at the bar.

* Pull weeds in gardens.

* Volunteer for parties - check with member in charge for details.

* Check aerators - pull out any sticks or garbage.

Yacht Club Input Committee

We would like to introduce the Green Bay Yacht Club Input Committee: This group is meeting once monthly with a goal of ensuring our GBYC continues to operate successfully in its current facilities for a long, long time. This group is similar to the Light House Group that also meets monthly for the care of the lighthouses.

At the present time, the group includes Mark Hanson, Keith Budzis, Bert Gagnon, Patrick Foley, Paul Buntin, Art Gage, Roger Gilsoul, John Barnes, Jerry Treleven and Rick Kofler. The group is looking to expand with additional members who are interested in sharing ideas geared towards keeping the GBYC a fabulous place to be a member of, keep your boat at, and meet with friends. This group consists of active and interested members rather than an official club committee. We will be sharing ideas that are developed with the Board, and the membership.

If this describes you, please contact any of the listed members to learn more about joining us.

Golf Outing Report

The golf outing was held on September 10th and everyone had a great time. Not as many golfers attended this year (21) but we had great weather and a few beverages consumed. We had a first this year with a fly over by Mark Skvara in his power parachute. (little lower next year so we a have a shot at you or a shot on you)

We had great prizes and great food. A special thanks to: Ashwaubenon Bowling, Wally's Spot Supper Club, Wertel's Tap, Twin Oaks, Print King, Bay Coin, Molly McGees Irish Pub and of course the Green Bay Yacht Club. Hopefully next year we'll have a few more golfers as we have had in the past.
