## Greetings from the Commodore - Larry Labine

Summer has come and gone already. It was a dry and hot one just as I wished for. Our harbor looks great again when it's full of boats. Let's hope we can keep them full for next year. Thanks to Dale Lautenbach from Visions Upholstery for getting the sides done for the pavilion. They look great. We had a motion and a second for \$5000 to put new siding on the clubhouse. We will be voting on this at our general meeting on the 13th of September.

We had WPS remove all of the light poles and thanks to Dave Lehulier for putting all the new lights on the buildings and on the poles on the south side. He did most of this on the hottest days of the year. We had only one person complain about it but he got over it. If you feel that you need more light somewhere let me know. This will save us over \$15,000 per year. Thanks also to Dean for the lights.. Dean also put a button on the outside of the box on the gate so you can get out if you are walking or on a bike.

The Winter Storage applications should be in this newsletter or off our website and should be sent to Don Smith A.S.A.P. with a certificate of insurance and a check. You must be signed up on the lift log 24 hours in advance to let the Travel lift crews know how to plan the next day. Have your blocking and jack stand ready. We can not store boats that are not blocked properly.

Thanks Captain Mitch from the Foxy Lady for giving us a great deal again this year for the trip on the 23rd from noon til 3 PM with the pick up at the boat landing next door. The cost is \$10 per person with the maximum of 130 people. Bring your friends and family. The sign up is on the board and the tickets are behind the bar. Meet at the club at 11:30 and bring a dish to pass for after the ride. There is no Packer Game that day.

We still have 20 members with no hours in for this year. Don't wait until the end of the year when we need work done now. Come down to the club for all the Packer Games and bring a dish to pass. We have Happy hour prices for all Packer Games. See you at the club.

Thanks,  
Larry LaBine  
Commodore

**Fleet Captain - Don Smith**

Our docks are full at this time. If you are a full member and think you may want a dock someday, you should fill out a dock application to get on the floater list. If a dock becomes available, one of the factors used to determine who gets it is your length of time (rank) on the floater list.

We are still having issues with boat trailers! There are still 6 boat trailers on GBYC property without stickers and 3 trailers with expired stickers. Contact me or Jay to get your stickers. Cost is \$75 + tax. (\$ 79.13)

Boat cradles are not allowed on GBYC property. One of our new members, Bret Boehm, (dock 83) can make jack stands at a "very" reasonable cost. He can be reached at 920-792-8871.

We are not selling fuel for boats at this time. Our gasoline tank is nearly empty and what is left is being saved for the travel lift. If we bought 4000 gal at current prices, we would have to sell it for over \$4.40/gal.

We will start lifting boats for winter storage on Sept 21st and end on Oct 18th. If you need hours or just want to be on one of the four lift crews, contact Tom Nies at 920-676-3145. IMPORTANT: to have your boat lifted you must sign in on the lift book at least 24 hours in advance of the lift.

NOTE: Dock holders and all members using harbor privileges (including trailer storage, etc.) must have 18 hours of GBYC work time per year. At this time we have several dock holders that have little to no hours. Members who are short on hours will be billed after Jan 1st @ \$18/hr for the hours needed to reach the previous year's 18 hr requirement.

Dock Day has been scheduled for October 20th.

Happy Summer Everyone! Only one month remains before Autumn arrives...so let's get out there and enjoy the final days of summer!

A reminder to all that your club is the perfect place to start your weekend with a Friday Night Fish Fry. If fish isn't on your palate, there's certainly something on the menu for everyone! To end your weekend, Clucker Sundays are in full swing as well! During the week, there's always something happening. Tuesdays night Buck Burgers continue to be our most popular night, followed by a close second to our Thursday Taco/Mexican Fiesta Nights. We're still looking for help taking orders and cleaning up especially when its busy. Please see the sign up sheet on the bulletin board. This is a great way to enjoy your fellow members and gain a few hours at the same time. Also, Thursdays continue to have our Happy Hour pricing. At the bar, the Summer Special of Beer Buckets will be over before you know it...5 beers for 10 bucks. Get em' while they last!

Finally, please remember to tip Todd for his fabulous cooking and incredible service! He's done an awesome job and receiving rave reviews. If you haven't met Todd yet, make sure you pop your head in the kitchen and introduce yourself.

See you at the Club...  
~Raaaaaaaaaaaaaaaaandy,

**Entertainment - Gary Kuschel**

Ken Lemerond's September 22nd golf outing promises to be a fun and entertaining time. With Ken in charge anything is possible. Sign-up sheet is up on the board. Sign early so we can get a head count for this event.

The annual Foxy Lady cruise is set for September 23rd. The ride is set from 12 to 3pm. As usual bring a dish for an after cruise snack at the club. There will be a sign up sheet posted soon with the cost and more details.

The Autumn fest will be held on September 29th a few couples, who don't need the hours but want this event held will be hosting. Watch for details via e-mail and postings coming soon.

## Lift Crew

From the Desk of Tom Nies.

I have accepted the position from Don Smith to Oversee the Travel Lift Crews and scheduling. I will be contacting all the Crew leaders in the next few days and touch base on their crews. I have scheduled a Tuesday September 11th meeting at the GBYC for all Crew Leaders and their crews. It will start at 5:30 and we encourage every travel lift member to attend. We also encourage any interested new members to attend. We have spots to fill on some crews and we will discuss these issues at the meeting. It also my intention to take the meeting out to the travel lift for a quick over view of Maintenance and Operation. From what Don Smith has said Dock Days is October 20th this year. We will schedule fall crews starting September 21st through October 20th. I will provide Crew Leaders with details and lists at meeting. Ken Unrath has also agreed to assist me when I need help.

I look forward to working with all of you at GBYC.

Ahoy Fellow Yachtsmen!! The only major order of business in my department this month is the siding. A motion was made at the last meeting to appropriate \$5000 to re-siding the clubhouse. This WILL be voted on at the September meeting. If you have an opinion on this situation, please attend this meeting. If you are against it, please do NOT attend the meeting.

Just a reminder that if you get locked in the freezer, there is a panic button right next to the door to summon help. Also, turn off the lights, shut the doors, yadda, yadda, yadda if you're the last one to leave.

Happy boating until next month:)
