## Greetings from the Commodore - John Demeny

Hello fellow members,

Well the boating season is finally here and I hope it will be a good one. The season started a little slow but it is now going strong. There are still a lot of boats to go in yet but I'm sure they will get there.

This weekend is Memorial Day and the weather is looking pretty good. The Blessing of the Fleet will also be held this weekend and we are hoping for a good turn out. The event has been at the club for many years and we would like to keep it going.

We are planning on installing the jet ski docks as soon as possible. By the time you read this they may already be done and in use. Pretty sure they are all spoken for already. They will be a good addition to the club and will be installed in areas we could not put boats in.

I would like to thank all the members that helped with the Mothers Day event. It turned out very well and we served over 140 people. I would also like to thank all the members that came down to enjoy the event. Without a good turn out these club events may perish. So try when you can to attend the club events so we can keep them going.

You may have also noticed the docks are getting cleaned. There are about 30 docks that are ready to be stained or refinished. One of our members found a product made by Rust-oleum called RESTORE that restores the wood finish or you could say it puts a plastic like coating on the wood and it has a non skid finish. I have over 8 hours of research on this product and it looks pretty good and comes in 60 different colors. The one thing we are looking at is which color to use that will not be too hot and will not show as much dirt. I installed the product on one of the ramps by dock 50. So if you have time go and check it out. Just don't judge it by the color because we can change that. Look at the texture. It is rolled on with a special roller and needs 2 coats to be complete. It also fills in cracks up to a 1/4 inch. They say the product will last up to 10 years.

Enough said now lets go out and do some boating. See ya at the club!

Thanks

Commodore  
John Demeny

## Fleet Captain - Don Smith

### Fleet Captains Report – June 2013

After rescheduling dock days three times, we still had a good crew show up and our docks were put in place. At the time of this writing, we only have one unassigned dock. Also, “full” members who do not have a dock in our harbor, but may want one in the near future, or at least be able to visit our harbor by boat should submit a dock application as a floater. “Length of time” on the “floater’s list” is a factor in deciding which floater gets a dock first.

Members have been power washing all the dock boards to prepare them for a new high tech coating that will protect the wood, is none skid, and has a 10 year life. Dawn Demeny has been showing members the color options to get input from our membership in selecting the color.

GBYC treasurer, Marlin Ohlfs, is keeping Tom Nies (in charge of lift crews) updated as to who has paid their dock fees so he doesn't put in boats that haven't paid dock fees. Regarding our members with boats on trailers, they are also required to pay the dock fees before putting their boat into a slip. Also note that there is a charge for boat trailers stored on GBYC property for extended periods. Call me at 366-1123 if you have any questions.

### **GBYC Membership gets you 50% Discount with BoatU.S.**

Just a reminder - The Green Bay Yacht Club has a Cooperating Group Agreement with  BoatU.S. that allows our members to pay 50% of the annual regular dues rate of \$30.00 or only \$15 per year!

New BoatU.S. applications are by the computer in the Club which have our Cooperating Group Nr. GA80526Y stamped on it. (This number **MUST BE ON THE APPLICATION** to receive the discount.) Current BoatU.S. members can renew their membership at this low price, but **MUST** provide our Cooperating Group Nr. (GA80526Y) on the renewal form, on-line site, etc. at the time of renewal.

Our sympathy to Bridget Foley on the passing of her dad, Roger McKenna. Condolences to Bridget, Pat and the entire family. Condolences and sympathy to Barb Machon and Bob Frye on the passing of Barb's mother Mabel Arendt. May god be with all of you.  
- Roger

**Entertainment - Ken Lemerond**

How do you shut up 90 guys? You feed them tenderloin and lobster. It was quite funny, the bar was just a pile of noise, and when we brought out the food for the grand smoker it was silent. Hope everyone had fun. Thanks to Mark Konop and his friends and family for helping out. Next month's smoker is ribs and chicken. We need some people to step up and do the July and August smoker. If no one does, these will be cancelled. So let me know if you'd like to put one of these on. Thanks to Judy and Barb for hosting the Blessing and Launch Party. Also, thanks to everyone attending the Kentucky Derby Party and bringing a dish to pass. Another fun event. Hopefully June will bring us some nice weather to get some boating done. Till next time, have a great June!  
Ken

## Grounds - Lloyd Carpenter

On 05/11/13 we had a short grounds work day. Due to rain and wind we had to stop early. We did get a little clean up done though. Thanks to all that helped.

When you get this The children's play area should be ready for use.

Margie (Don Smiths significant other) will be planting flowers and etc around the club house. I am sure she can use some help. Margie's phone # is 615-5838. If you have day lilies or irises you can split and bring to the club she will plant them.

Pete Weber will be doing general maintenance and lawn care on the grounds though out the summer. I am sure he can use some help. If you are interested in this please call him at phone # 619-5899.

Please clean up around your boats grounds, parking areas and police it so when the lawn gets cut we don't. have to stop to move personal item off the lawn areas.

Thanks to all that helped so far with this short spring season we had to get the grounds ready for the boating season.

Please update your records with my new email address. carp.arch@gmail.com

## House - Randy Slye

Giddy up...boating season has finally arrived! We've all been itching to get out on the water! Sunday Night Finger Lickin Chicken began last week and had rave reviews. When you're worn out at the end of your weekend boating activity and too tired to cook...c'mon down for a tasty chicken dinner!

Tuesday burger nights, Thursday taco nights and Friday Fish dinners are still being very well attended. Also don't forget Happy Hour pricing on Thursdays nights!

Finally, a huge thank you to everyone who helped to make a memorable Mother's Day Brunch. We had an incredible turnout with tons of compliments! Also, thank you to all of you who brought Mom and the family down for to support your club.

See you on the water  
~Raaaaaaaandy

**Building - Kris Johnson**

It is good to finally see boats in the water. Now if we can get the weather to cooperate to enjoy them.

The light on the South side of building is now working for all your stumbling activities.

Mens and Womens outdoor restrooms are in full stream. Mens has a new shower head neck to try and keep water contained to shower, and a new wall mounted fan. Please remember to shut it off when leaving. If the Womens needs any assistance please let me know.

I would like to congratulate Ken, Mark and the rest of the help for the terrific job with the Grand Smoker.

Dippity, dippity, dippity! Lets go boating!
