## Greetings from the Commodore - John Demeny

Hello fellow members,

Well I think summer finally arrived and it came in with a vengeance. We went from 60 degree temps right to the 80's and muggy. Can't complain though because we've been waiting for this all winter. When it's that hot boating on the lake is where to be. The temps seem much lower on the water.

Congratulations to Jim Manlick and Pat Lucas on the sale of their boats. You know the saying the 2 happiest days boating are the day you buy it and the day you sell it. Now we just have to find someone to buy Ken and Mary Unraths then we will have 3 very happy club members.

If you ever happen to patronize the 1001 club the owner just joined the Yacht Club and is offering a free drink when you show them your GBYC membership card. What a deal. So go down and say Hi to Gary and welcome him aboard.

A few members got together and cleaned out the maintenance/storage building and it looks great inside and out. Lloyd and Pete Weber cleaned around the outside. We as members need to keep it from getting cluttered

up again. Just like the rest of the club let's keep it looking good so please put things back where you found them. The same on the patio when you leave the area for the day or night please put things back where you found them. We are also noticing a lot of cigarette butts around the premises. We spent a lot of money on ashtrays over the years and if you need training on how to use them I would be glad to do a training class on it.

The next big party at the club is on July 20. It's the Luau the Biggest party of the year at the club. If you have never been to it you need to come to one and check it out. You will have a good time. The bands they get for it are usually very good and keep the crowd going all night. The club will be allowing some camping at the club on that weekend to try to keep people some what safer. We could always use some volunteers for this event. See Scott or Leanne Conrad if you wish to help out. These events are a good way to get your hours in at the club.

We will also be bringing back the Job Jar. It will be in the dock line and let you know what jobs need to be done around the club. Like bagging ice, cleaning aerators etc.

Well that's it for now and have a great 4th of July and stay safe.

## Fleet Captain - Don Smith

At the time of this writing, the GBYC only had two unassigned docks and several members on the floaters list. Any of our full members that do not keep their boats at the GBYC, but may want to some day, should submit a dock application as a floater because if our harbor is full when they really want a dock, their length of time on the floaters list will be a factor in deciding who gets a slip when one is available. Dock holders should note that there is only one parking spot for each dock holder so please tell your guests to park near the fence or on the gravel.

**ATTENTION:** There is a fee for Summer Trailer Storage (\$75 + tax = \$79.13) and the owner is given a sticker to place on their trailer. This year the stickers started at number 398 and many members have complied. However, we still have several trailers on site with expired stickers or no stickers. To deal with this problem we have purchased several "Trailer Locks" that fit into the trailer ball receiver and render the trailer unusable. In July we will start putting locks on trailers in non-compliance! If we run out of locks we will purchase more because the locks cost \$25 and the GBYC will receive \$75 from the owner to have them removed. If any of our members know of other members who are unaware of this situation because they don't read the news letter, please let them know.

If you see an aerator that is fouled with weeds or debris, unplug the power cord and try to remove the fouling material by using a boat hook or pulling it close enough to reach the fouling material by hand. If successful, put it back into service. If not, leave it unplugged and call me.

Remember that we only have a few members and bartenders that are allowed to pump gas so try to fuel your boat at times when the bar isn't very busy. If the gas system is in alarm, do not turn off the breakers because the system will not be able to monitor for leaks or other problems. Call me at 920-366-1123.

Floaters need to sign in and out of the docks (in the Dock Book) and include their phone number.

**Sunshine Committee - Roger Gilsoul**

Our sympathy to Frank and Mary Derginer on the passing of Franks mother Lois at the age of 101. Al Sigl former member of Green Bay Yacht Club died in Naples, Florida on Wednesday June 12. Condolences to Blanche and her family. Gods blessing to everyone.

Roger

**Entertainment - Ken Lemerond**

A couple of thank you's to start with. Thanks to Dan Laubenstein and his group for putting his band together and playing at the club June 8th. The old people can still Rock! GREAT job, it was a lot of fun. (most of us remembered the songs from the 70's)

Thanks to Tom Vanderheyden and Rick Kofler for doing the Ribs & Chicken for the June smoker. July smoker is grilled ribeyes with Kenny Konop and Jay doing their wizardly talents on the grill.

Up coming is the annual LUAU July 20th. Save the date and buy your tickets early. This one is always good!

Have a great month!

ken

**GBYC Membership gets you 50% Discount with BoatU.S.**

Just a reminder - The Green Bay Yacht Club has a Cooperating Group Agreement with BoatU.S. that allows our members to pay 50% of the annual regular dues rate of \$30.00 or only \$15 per year!

New BoatU.S. applications are by the computer in the Club which have our Cooperating Group Nr. GA80526Y stamped on it. (This number MUST BE ON THE APPLICATION to receive the discount.) Current BoatU.S. members can renew their membership at this low price, but MUST provide our Cooperating Group Nr. (GA80526Y) on the renewal form, on-line site, etc. at the time of renewal.

## House - Randy Slye

Happy Summer to one and all!!! Finally, sun scorching boating weather has arrived! Hope you're all getting some time to go out and enjoy it while it lasts...

First of all, we bid a very sad farewell to Jay Zahn who has been an absolutely positively incredible bar manager!!! When you see Jay, be sure to thank him for doing an excellent job! Yes, we'll still see Jay around the club...he'll just be on the other side of the bar now. However; he has agreed to help out as Andrea Obry, our longest staying bartender and myself and my Andrea, as we take over some of his responsibilities. That being said, we are also looking for a few volunteer bartenders for late Monday and Wednesday afternoons. This is a great way to earn a few hours and spend some time with fellow club members. Give me a shout out if you're interested!

Don't forget the weekly happenings at your club: Tuesday: Buck Burgers Galore! Thursday: Mexican Fiesta/Happy Hour Friday: Fish Fry Sunday: Finger Lickin' Chicken

See you at your club...and out on the water!

House Mother ~ Raaaaaaaandy

## Job Jar

Anyone looking for some quick hours to put into the club can start with some of these simple, but often neglected, but ALWAYS appreciated tasks. Anyone who wants to add to this list contact our newsletter editor, Jim Wassenberg (jwassenberg1@new.rr.com).

\* Replenish ice in the machine by the gas dock and storage shed.

\* Weed Eat/Cut lawn - lawnmower is in garage. Gas should be there; if not go ahead and purchase and you will be reimbursed at the bar. Any questions see Pete Weber.

\* Pull weeds in gardens.

\* Hose out cottonwood on air conditioners behind kitchen. Hose is there.

\* Volunteer for parties - check with member in charge for details.

\* Check aerators - pull out any sticks or garbage.

The hours clipboard is behind the bar.

**Building - Kris Johnson**

Is it really feeling like summer?

After you get finished with enjoying the GREEN Bay boating activities you can use the bathrooms or showers without having to turn on/off a light switch. Dean has taken charge in purchasing and installing motion activated switches for them.

Along with this beautiful weather we get the privilege to put up with wonderful snowy effect of summer. Cotton wood season is also here. Besides the cottonwood's leaves for animal fodder and herbal teas, its canopy for shelter and its wood for fire and crafts. We have the seeds. If you have a few minutes to give, feel free to grab the hose and spray the cotton wood from the condensers for the A/C units in the fenced in area at the back of the club.

Just a kind note to everyone...please remember to clean up after yourself if you happen to make a mess in the clubhouse. Also, the outside bathrooms and shower facilities are not a personal storage space. Please take all of your items with you or they will be disposed of. A team effort is greatly appreciated.

In the near future, I'll be looking for help to repair the roof on the South side of the clubhouse. If you are interested in making a difference by helping out...email, text or call me!
