## Greetings from the Commodore - John Demeny

Ahoy fellow members,

Hope everyone enjoyed the 2013 luau. From what I could see everyone had a good time. The food was great ,the music was good , and the sponsors Scott and Leanne did a great job getting everything together. Also thanks go out to Pete Weber and Mike Lee for doing a great job on cleaning the grounds up the next morning while everyone else was still sleeping. Great job to everyone involved and keep up the good work. It's people like you that keep this place going.

For any of you that did not attend the July general meeting and are wondering what is happening with our dock renovation. We have put it on hold for now until we can try out different products on the wood. Or find a fellow member which may be able to distribute the Rust-Oleum product. I've also been told that Rust-Oleum will be coming out with the product already tinted in 3 different colors which will make our project a lot less confusing. So until we know what the 3 colors are we will be putting it on hold.

Just a reminder that the parking spots on the marina side are for dock holders so please have your 2nd vehicle or your guest park on the other side of the lot. It's no fun when you go to your boat and find there is no parking spots open near it.

We also added an amplifier to our wireless internet. The range now should get out as far as the light houses. Because of the extended range we had to put an encryption code on it. That should stop the people at the public ramp from using our internet. If you need this code just ask around at the club someone there will know it. We really don't want to make this public knowledge. Too many people on it at the same time will cause it to freeze up.

On a final note I would like to thank Gale Basten for installing the railing on the dock ramps. This is a good safety factor and it looks great. Thanks again Gale and keep up the good work.

Members should also note there will be no Board meeting or general meeting for the month of august

Thanks  
John Demeny  
Commodore

## Fleet Captain - Don Smith

At the time of this writing, the GBYC only had two unassigned docks and several members on the floaters list. Any of our full members that do not keep their boats at the GBYC, but may want to some day, should submit a dock application as a floater because if our harbor is full when they really want a dock, their length of time on the floaters list will be a factor in deciding who gets a slip when one is available. Dock holders should note that there is only one parking spot for each dock holder so please tell your guests to park near the fence or on the gravel.

**ATTENTION:** There is a fee for Summer Trailer Storage (\$75 + tax = \$79.13) and the owner is given a sticker to place on their trailer. This year the stickers started at number 398 and many members have complied. However, we still have several trailers on site with expired stickers or no stickers. To deal with this problem we have purchased several "Trailer Locks" that fit into the trailer ball receiver and render the trailer unusable. In July we will start putting locks on trailers in non-compliance! If we run out of locks we will purchase more because the locks cost \$25 and the GBYC will receive \$75 from the owner to have them removed. If any of our members know of other members who are unaware of this situation because they don't read the news letter, please let them know.

If you see an aerator that is fouled with weeds or debris, unplug the power cord and try to remove the fouling material by using a boat hook or pulling it close enough to reach the fouling material by hand. If successful, put it back into service. If not, leave it unplugged and call me.

Remember that we only have a few members and bartenders that are allowed to pump gas so try to fuel your boat at times when the bar isn't very busy. If the gas system is in alarm, do not turn off the breakers because the system will not be able to monitor for leaks or other problems. Call me at 920-366-1123.

Floaters need to sign in and out of the docks (in the Dock Book) and include their phone number.

**Sunshine Committee - Roger Gilsoul**

Sympathy to John Kennedy and Gayle on the passing of John's dad Roger. God be with you.

Roger

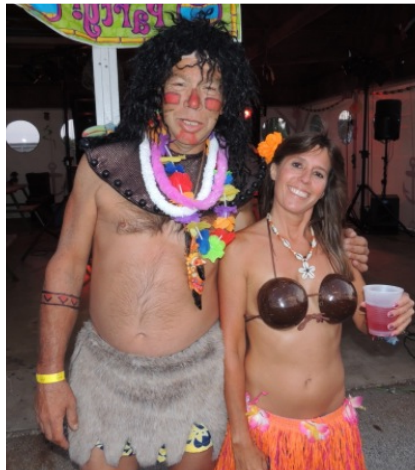

**Entertainment - Ken Lemerond**

Thank You to Jay & friends and Ken Konop for doing the July Smoker of juicy Rib Eyes. Kenny I hope seasoning the steaks wasn't too much work for you. The August 21st Smoker, Denny DeGreef is doing his Pork Loin Delight! Sign up sheet is in back hallway. The cut off date is Monday August 19th by the end of the day.

The dinghy run is suppose to be August 17th. If anyone interested in setting that up please come forward. With our great Law Enforcemnet it could be a little difficult to get participants.

Upcoming in September is the annual Golf outing and Autumn Fest combined for one great (full) day of fun. Saturday September 21st at Royal Scot with a shotgun start at noon and followed by prizes and a great buffet dinner at the club. Then SHOCKER will be performing at 8pm that night. See posters and this newsletter for more info!

A BIG thank you to Scott and Leanne Conrad, Pete Weber, Pete Fleck, Brett for doing the lights and all the others for doing a great job at the Luau. Hope everyone had fun.

Have a great August!

Ken

## Grounds - Lloyd Carpenter

FROM THE GROUNDS CHAIRMAN  
Hi Everyone,

Well its mid summer and I don't. have a lot to report. Pete Weber has been doing a great job on keeping the lawns cut and grounds cleaned up.

Margie has done a great job of planting perennials around the club house. Thanks to both for your efforts. Pete and I have sprayed for weeds twice so far this summer and it appears we have them under control. If you have weeds around your boat area and wish to get rid of them there is weed and grass killer in the storage building north east room for your use.

On another note Burneil Carpenter is turning 90 years old this August. She is celebrating the whole month! So Jay, Kay & I are celebrating at the club with her on Tuesday 08/20/13, normally Buck Burger Night. We will have free food by Chef Todd and music by Pat Lucas and Amy. Please come and celebrate with us it should be a blast!!!

## House - Randy Slye

Applause! Applause! A huge thank you to Scott and Leanne Conrad and their team who put on a fantastic Luau! Everyone had a great time outside at the party...then inside the fun continued until close! Well done Team Conrad and Committee!!!

We also have a request that all members try to help out our fabulous bartenders by not attempting to pull a bartender outside to fuel during our busiest times, such as on Tuesday, Thursday and Sunday evenings when the bar is full of members and their guests. The best times to get fuel is on Saturday and Sunday from 11 to 3. We realize this is not always possible, but please try to help our club out. Remember, we are a member run club, which means we cannot afford to hire someone to staff the fuel dock without passing the costs onto members. Thank you in advance for your kind consideration!

**Tipping:** When adding a tip to your bill at the end of a night, please separate the tip you are giving Todd and the Bartender by putting Todd's in his tip "jar".

**Reminder:** If you're looking for some hours...please let me know. There are some "house" things we could use assistance with!

Finally, we are taking applications for bartenders. If you know of someone who may be interested, please have them contact me.

House Mother ~ Raaaaaaandyy

## Job Jar

Anyone looking for some quick hours to put into the club can start with some of these simple, but often neglected, but ALWAYS appreciated tasks. Anyone who wants to add to this list contact our newsletter editor, Jim Wassenberg (jwassenberg1@new.rr.com).

\* Replenish ice in the machine by the gas dock and storage shed.  
 \* Weed Eat/Cut lawn - lawnmower is in garage. Gas should be there; if not go ahead and purchase and you will be reimbursed at the bar. Any questions see Pete Weber.

\* Pull weeds in gardens.

\* Hose out cottonwood on air conditioners behind kitchen. Hose is there.

\* Volunteer for parties - check with member in charge for details.

\* Check aerators - pull out any sticks or garbage.

\* Serve food on Tuesday, Thursday or Friday. See Todd in the kitchen.

The hours clipboard is behind the bar.

## CLASSIFIED ADS

**Building - Kris Johnson**

August has been a great month thus far. Good to see some hot days to enjoy boating.

At the club, A few things have been improved. The mens toilet has been refastened to the floor. That just wouldn't be a good citation. The caulk around the sinks and urinals have been cleaned and reapplied. I finally installed the new covers for the exhaust fans in both mens and womens outdoor bathrooms. The motion sensors seem to be working ok. If someone notices that they are on all the time. Please let me know. The sensors also have a button on the bottom to shut it off on your way out.

I have been spraying wasp nests one after another. If I happened to miss some, let me know. Also.. Please help in keeping doors closed on the garage. We are trying to keep rodents and debris from getting in.

Anyone looking to get a few hours give me a shout!

Thank You,

Kris Johnson
