Greetings from the Commodore - John Demeny

Hello Fellow Members,

Hope everyone had a great August, Summer has finally arrived, a little late but hey the weather is finally nice. A lot of members had good weather to cross the lake which is great. So get them boats out and use them, winter is slowly coming.

Most of you probably heard about the attempted mugging of Larry and Matt Labine. This just goes to show that no place is totally safe. We need to look at our surroundings when on premises. That includes entering and leaving thru the gate. The crooks had snuck in when a vehicle had left. Little did they know that the gate would close and trap them inside. Or Larry had a bag full of beer that doubled as a good weapon and Matt has a good right hook. Hopefully we don't see those three crooks back again.

I will be beefing up the security by adding cameras to the storage garage to view down the front fence area and maybe one to view Dan Emmel's fridge. Yes someone entered Dan's boat and stole his beer and booze. So also keep an eye open for people entering other peoples boats if the owner is not there and they are not there to work on the boat the probably don't belong there. If possible get a license plate number off any vehicle that looks suspicious. We will then at least have something to go on.

We also had put 4,000 gallons of fuel in the fuel dock tank. The new price will now be \$3.98. I'm sure the fleet captain will also have that in his report.

It's just about packer season so go down to the club and enjoy the game on the big screen and every ones company. If you've never been down there for a game you should check it out it's a pretty good time.

So stay safe out there, watch your surroundings, and have some fun.

See ya at the club,

Commodore,
John Demeny

Fleet Captain - Don Smith

Fleet Captain Report – September 2013

In early August we purchased a half load of gasoline to get us through this season. The cost at our pump is \$3.98/gal.

We will start lifting boats for winter storage on Friday Sept 20th and end lifting on Thursday Oct 17th. Tom Nies will be in charge of the lift crews. If you need work hours, contact Tom at 920-676-3145. **IMPORTANT:** members must sign in on the Lift Book at least 24 hours prior to the lift!

This season we had much better compliance with trailer storage fees. 27 members paid the fee (\$75+tax) and were issued seasonal trailer stickers. However, there still are 5 trailers without stickers or with expired stickers. In 2013 our trailers stickers started at number 398. I took pictures of the trailers that are not in compliance and plan to put locks on them.

Note: all members using harbor privileges (including trailer storage, etc.) must put in 18 hours of GBYC work time per calendar year. If they are short on hours at the end of the year, they will be billed after Jan 1st at \$18/hr for the hours needed to reach the previous year's 18 hr requirement.

Dock day is tentatively scheduled for Saturday Oct 19th.

GROUNDS REPORT

Hi All,

We have had some problems with keeping up with the weeds around the harbor this year. They are very prolific! I will be talking to experts on this and will bring some thoughts to the board. If you have any thoughts on this or other items please let Pete or I know. Otherwise we will keep mowing and trimming until there is no need to this fall.

Please keep your boat area picked up so we don't. have to stop and move things to mow and trim.

We could use some help with the yard work. Let Pete or I know if you would like to help or need hours.

On another note, Thanks to all who helped and came out to Burneil's birthday party. We will do it again at 100!!! If Kay and I are around. There was a huge showing and mom had a wonderful time!

Lift Crews

Hello fellow Mariners,

I have some unfortunate news to report. GBYC fall travelift weeks are scheduled, and this marks the close to our Boating season. I have consulted with Don Smith and I will personally contact all Fall Travellift Crew leaders. The Fall Travel lifts are scheduled to start Friday September 20th and continue 4 weeks through October 17th. I am scheduling a Fall meeting for Travel lift crews on September 4th at 6:30. We will discuss travelift procedures and address crew member shortages. I will contact the following Crew Chiefs Bob Frye, Toby Smits, Paul Buntin, and Dan VandenBusch. Please make your Travel lift crew members and all interested parties aware of the meeting September 4th. I will have all additional information at meeting for Lift week assignments. Let me know if you have preference on week to work?

Enjoy the rest of your Summer boating.
