Greetings from the Commodore - John Demeny

Ahoy Fellow Members,

Well fall is approaching and the nights are getting cooler. That means it's almost time to put the boats away for the winter. Where did the summer go? I feel like we missed something, like the rest of the summer. They say all good things come to an end. But why! I wanted 1 more \$300.00 breakfast in Sturgeon Bay.

With that note, the lift crews have started the fall process of finding parking spots for our boats. So try to leave the harbor side open unless you will be there to move your vehicle if needed. The lift is looking good with some new tires and slings. The new tires say they are rated at 225 mph I don't think we can control it at those speeds so if you are the operator please keep it down to about 3 mph. These new improvements should bring happiness and joy to the lift for a few years anyhow.

I heard the Autumn fest party went over well. This is the first club party I missed in a long time. Hope everyone that went had a great time. I know I would have if I was there. The club always does a good show and everyone seems to get along very well. So if you haven't been to a club function you should check it out. I think the next function if we have it would be halloween. We would just need someone to chair it. Packer games are also a good time at the club especially when they win.

The board member elections are coming up soon so if you would like to be part of the board please let Pat Foley or Tom Nies know you would like to run.

Well that's it for now,
See ya at the club

Thanks
Commodore
John Demeny

Autumn Fest 2013 had great turnout

By Land or By Sea

Eddy's annual party was another huge success this year! With about 50 late summer party goers in attendance, the riverfront house was buzzing with activities. A half dozen boats from the GBYC made their way through the locks for the late season soiree, enjoying fantastic weather and some beautiful fall colors. The sun was shining and Mother Nature kindly held off the rain until everyone had turned in for the evening. A wide variety of beverages, food, and music was enjoyed by all. Floyd Mayweather put a beating on Canelo and subsequently won the pay per view boxing match. The Wisconsin Badgers barely lost to Arizona State 32-30. Best of all, several of us enjoyed listening to the sporting events while enjoying a multitude of cocktails and crazy stories in the hot tub. In the morning, Eddy made a terrific breakfast buffet for everyone complete with a Bloody Mary Bar. Brats during the Packer game finished off the day of recovery. It goes without saying that everyone had another great time; Special thanks goes out to Eddy Driscoll for being such a generous host. We all certainly appreciate it!

Boat Lifts for winter storage started on Friday September 20 and will end on Thursday October 17. Tom Nies is in charge of the lift crews. At the time of this writing, the first lift week started out slow with very few lifts. This could result in a full schedule for the last lift crew – so it would be prudent for members wishing to lift on that last week to sign into the lift book early.

Also note that before a member's boat is lifted, the lift crews must confirm that the member is up to date on all fees, including the winter storage fee, before they lift the boat. Tom Nies will be kept informed of this information.

A huge kudos to Andrea Obry who has taken on the task of managing our bar and bar staff! She's doing a fantastic job of keeping things in order! Let's make them feel welcome and please help them by being patient as they get accustomed to new surroundings and fantastic GBYC Family.
