Greetings from the Commodore - John Demeny

Ahoy Fellow GBYCers

Well it looks like the end of the boating season. The docks are put to sleep in the harbor and the boats are all nestled in their blankets on shore. Dock day seemed to go very smooth this year with just a few glitches that were taken care of by some very experienced club members. Thank you to everyone that had showed to make this day productive. I would also like to say thanks to a new member that showed up with a skid steer to help out. That was greatly appreciated. Thanks again Gary (Buddy) Paul. If you see him or Donna at the club introduce yourself and tell him good job. By the way he just joined a week before. Boy I tell you this is a great club!

November 9th is the annual Veterans Day event. If you've never been to a club event you may want to think about attending this one. This is a very special day for our veterans and the club puts on a great ceremony. Roger Gilsoul is mc'ing the event and I'm sure he will do a great job with it. We are expecting to have around 300 attendants. If you would like to help with this event please get ahold of Roger or sign up by the bulletin board. If you're not sure you can help at this time just show up and we will find something for you to do. We also need appetizers.

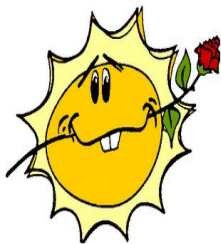

It's also time to start recruiting new board members. If you have any skills you would like to share with the club please sign up with the nomination committee. The board needs the following for 2104, Fleet Captain, Entertainment, Grounds, Secretary, and House. And of course every year (Commodore) .

I've also heard there will be a Halloween party this year on November 2nd. Jazzy Jason one of our club members will be the DJ for this event. They will also have prizes for the best costumes. Again like any club events they will be looking for tricks or treats. So bring what you can. This should be a good time at the club, it has been every year I attended.

Remember that if you see any new members at the club please say Hi and welcome them aboard. We were all new at one time and know how it feels to be sitting around the club feeling like strangers.

That's it for now
see ya at the club

Thanks
John Demeny
Commodore

Happy Fall! (or should I say straight to winter) Thanks to Jay Zahn for doing October's Smoker. Rumor has it prime rib is in order for November. Watch the sign up sheet for details. Thanks to all who came for the fish fry October 20th. We raised \$225.00 to buy toys for under privileged children. We served 37 plates of fish. (we had just enough) Thanks to Todd, Lori LaBine, Susan Seidl for serving, and others who brought fish in. We will buy and distribute toys to the kids in the clubs name. It's little events like this that people can do to make a little difference.

Things to watch for: November 9th is the Veterans Day celebration. November 15th 6-9 acoustic music. Children's Christmas party is December 14th with Mary Unrath organizing it as she does every year and does a great job. I'm sure she is looking for volunteers for the party. Sign up child's name with age. Then the Christmas Eve party. First drink is on the house and bring a dish to pass. This is always a fun event, socializing to see who's in trouble for being late for the family functions and didn't do their last minute shopping. But of course there is always GBYC gifts. Those items have helped me out in the past. The only thing I have left is the group winter get a way trip in February. Info will be available shortly. Everyone who came last year will get \$100 credit towards the purchase of their ticket this year thanks to Mark Konop and myself complaining about our disaster with upgraded seats.

As most of you know this will be my last article. I will be gone for the November article and then the election is December. But I won't be out of the picture completely. As most of you know I like a good party. Good luck to all those running for the board this December. Have a great fall, Have a Happy Thanksgiving and we'll see you around the club!

Fleet Captain - Don Smith

Dock Day went smoothly with nice weather, a good crew, good food and free drinks. Harbor water levels were about the same as on our dock day this past spring.

After we finished eating on dock day, I recruited Larry Labine with his giant brain to identify the owners of the 66 boats we had on shore. He was able to identify the owner of all of them—no kidding!! As of dock day, I only had 40 (paid) winter storage applications. We know that some of the boats on trailers will be taken to other locations for winter storage, so let me know if that is your situation. (Call me at 366-1123).

In November I will be taking another count of boats on shore and again comparing that number to the number of paid winter storage applications received. This will help the GBYC to collect unpaid fees. Also note that there has been some discussion among some board members regarding adding a "late fee charge" that could be added to fees paid after the deadline. This idea will be brought-up at our November board meeting.

AAAAAAAAAAAAAAAAAAAAHHHHHH!!! Is that SNOW already!? Well...you know what that means...tis the season to warm the barstools! Come on down for Tuesday Buck Burgers...Thursday Tacos...Friday Fish Frys and of course, Sunday, Sunday, Sunday Packer Games! Remember on Sundays, you can feel free to bring an appetizer or dish to pass. It's not a must by any means...but is always welcome.

Todd is at the club most days beginning at 3 pm and on the busy days we appreciate the help we've gotten with taking orders, serving and cleaning up. Special thanks to the members who have pitched in when it's been most needed (you know who you are and THANK YOU!) That being said, please take note of those busier times, and if you can lend a hand for even a few minutes it's greatly appreciated. If anyone is looking for hours please let me know as there are always things to be done in the house!

There are a few menu changes coming soon! Stay tuned and we'll help you put on a couple of winter pounds to keep you warm! (haha)

See you at your club!

Grounds - Lloyd Carpenter

Hi all,
On dock day a small group of members did grounds work. We replanted approximately 20 Yucca's in the planters around the club house and travel lift areas. We trimmed the trees back in front of the club. Now you can walk under the trees without getting a branch in the face. The patio furniture was put in storage. Other miscellaneous work was also done. The grounds are now ready for winter. Big thanks to all who helped, it went very smooth. Special thanks to Steve Wiese, Grant & Tracy Willems for their expertise. They are social members that don't need hours. Also special thanks to Pete Weber for continuing to do the yard work all year long. The club looks Great!

September has been a great month with some days to remember how lucky we are in Wisconsin. But winter is coming. We have a few things yet to do around the club before it gets here.

Gutter drains will be installed under black top on the East side of club to prevent ice buildup.

We will be receiving an estimate any day on replacing tile in East entryway. We are also looking for an alternate idea to replacing tile in hallway and bathrooms to make that non skid as well.

The light in South parking lot will be moved to corner of storage area to help prevent infestation of bugs in/on vehicles, showers, and to help prevent tendinitis from swatting them.

If any one is looking for a few hours. Give a shout.

Thanks Kris

It's time to start thinking about the upcoming election for the Board of Directors. All nominees are encouraged to submit a concise article detailing their interest and qualifications for a board

position. A head-shot photograph should also accompany these submissions (provided the Dockline Newsletter doesn't already have one on file.)

Anyone who is (or intends on) being nominated for available positions should send material for inclusion in the next newsletter by November 24th. This material provides the opportunity to inform the membership about qualifications, committment, various ideas, projects you have been involved in, future plans in which you might incorporate, pressing issues to be discussed in the future and reassure the membership that the GBYC is in good hands.

As always, newsletter submissions will be edited regarding objectionable or offensive content, but **not re-written for grammar**, so please ensure that material is well written. After all, we want to promote a positive and professional image of the GBYC.
