Greetings from the Commodore Jerry Treleven

Greetings to all of you who are looking for the first Robin to appear as an indication that spring is coming. The birds are much wiser than that as they are down where it is warm and have no intention of coming up here anytime soon! We may have dock days with ice cubes floating in the harbor....I would rather have them in my drink! Patience is rewarding however.

The Commodore's Ball has been set for April 26th so dust off your dancing shoes and other ball regalia and get ready to have another great time at GBYC!

Scott Conrad has a number of cool events coming up for the next several weeks so watch for the notices around the club for details.

We (the board) are aware of many rumors going around the club that we are going to let Todd go, shut down the kitchen and the bar as we are losing money. I need to dispel those rumors now! We are not and have no intentions of shutting down the kitchen, bar, and even think of letting Todd go. The persons responsible for these rumors are shallow thinkers with an apparent personal agenda, by trying to incite the members who will listen to their garbage. I also believe they would like to see this board of directors fail.

Do not allow yourselves to believe any of this. If you want the truth about the kitchen or bar areas contact me or Kris Johnson.

Sincerely,
Jerry

Spring is just around the corner. Soon we will be able to enjoy that cold beverage or grilled food outside. Until then, the GBYC still needs your support. Come on down and enjoy some of Super Todd's Specials.

Tuesday: Buck Burgers

Thursday: Mexican Night/Italian Night

Friday: Friday Fish

If anyone is looking for hours. You are always welcome to ask the Bartenders for the pad and take orders. Remember! Todd can get your food out quicker if he has a little help delivering it as well.

I will be taking on the "March Smoker" with a little help from my friends. Seafood or Chicken Alfredo. Homemade fettuccine noodles and sauce. PLEASE!! Make sure to clarify your choice of chicken or seafood on sign up sheet. Also....since we are getting closer to boating season. We will be having fun events for our boating needs. Life jackets, fenders, flares, lines are a few things on the list.
Hope to see you there!

Fleet Captain Dan Emmel

Just a few reminders. If you want a dock you must submit a dock application by March 1. Docks will be assigned early March. Don't forget to unplug your boats when leaving club property. I don't enjoy stumbling through three feet of snow to unplug boats. A salesman from US Lamp stopped at the club to take a look around and get some ideas for lighting of the parking lot and harbor. He will get back to us with estimates of ideas in few weeks.

See you at the club.

Building Jim Beaulieu

As we all shiver through another Wisconsin winter, every day we get 1 day closer to the 2014 Boating Season ! We have had a few problems with our gate at the club. We are looking into that to avert any future mishaps. In the mean time, please call me or leave a note at the bar if you have any problems so no permanent damage is caused by it running improperly.

Some talk of adding a pair of coin-op washer & dryers & possibly a small lounge area. This would be a nice addition to our club ! We would really like feedback on this idea and as always friendly volunteers ! We will be putting a board up to let members know what projects are available to help get their yearly requirement of hours in.

Jumping to the future please keep May 17th (tentatively) in mind. We are putting a Safety Day together with the help of Linda Nies at Vorphal & Chris Heil with the GB Fire Dept. Someone will be available to check extinguishers & other safety equipment. There will be fire extinguisher & AED demonstration along with hands on CPR refreshers on a dummy! (still looking for a volunteer) Keep checking for updates. So til next time, stay warm & keep thinking Spring!

MARY KAY

Hello everybody. Just wanted to let you know that we will be cleaning out the attic sometime in late March or early April. If you have anything up there that is "yours" and you want to keep it, please get it out. Otherwise, everything up there will be considered donated to the yacht club and handled that way. We are planning on selling, donating or disposing of items that are not being used or have not been used in quite some time.

I do have a few people lined up to help. If you are interested in being part of this group, please e-mail me at nhobbies03@msn.com or call 373-3025 and I will be sure to contact you with the exact date.

Thank you

Dawn Demeny

Grounds

Mike Watkins

Bleak cold February leads to just as cold a start on March. Lets hope the Ides of March are a little warmer. Looking at hours for gas attendant. Thursday night, Saturday and Sunday morning. Can add different hours depending on what is needed. Then doing some odd jobs around the yard. Refill ice coolers, help out with weeding and mowing. Just getting back from vacation, so it will take a little to get caught up. Already getting worried how long the ice will stick around. I am sure it will be too long no matter what.

Mike Watkins

Entertainment

Scott Conrad

One good thing about March and April is that they bring you closer to summer and our boating season! Meanwhile let's "think spring"!

Andrea Lipinski invites you to help celebrate a very joyous event, her one year cancer free birthday party on Saturday March 8th. Come enjoy food, drinks and karaoke starting at 6pm.

St. Patrick's day party will be Sunday March 16th. Margie will be whipping up her traditional corned beef and cabbage with live music by Casey's unexpected friend . Please sign up at the clubhouse so Margie knows how much to purchase.

Come help Shipyard Marine "Crack the ice" at their party on April 5th. Food and entertainment is provided. A rockin' night is promised- open to all.

Congrats to all the winners and all the entrants in the Daytona 500 Chili Cook Off. First place went to Anne Emmel, second place Chris Heil, and third to Steve Weise. Great turn out.

A big thank you to Matt, Larry, and Rachel Labine for his over the top Porterhouse Smoker. Sign up early for the next one on March 19th featuring Chicken or Seafood Alfredo by Kris Johnson and Pat Foley. Maritime themed fun events will be held that night.

How well do you know your College Basketball? Test your knowledge! Brackets will be available for the March Madness basketball tourney after Selection Sunday. Come try your luck... Commissioner George Savage is in control!

See you at the club...

Scott

JUST A REMINDER.....Yearly membership dues were due on January 31st. Those of you who haven't paid yet please do so ASAP. Any questions please contact Jim Manlick or Marlynn Ohlfs

Satellite image of ice coverage on the Great Lakes as of 2/9/14

Ice cover on North America's Great Lakes reached 88 percent in mid-February 2014—levels not observed since 1994. The average maximum ice extent since 1973 is just over 50 percent. It has surpassed 80 percent just five times in four decades. The lowest average ice extent occurred in 2002, when only 9.5 percent of the lakes froze.
