Greetings from the Commodore Jerry Treleven

Well, well, well, there actually have been a few days where the sun did appear and the rain didn't! By the time everyone gets this letter the harbor should be nearly full, boats shined up ready for service and blessed.

The first "official" holiday weekend that starts our boating season will also be a memory and I hope everyone had a chance to enjoy some time on the water and remembered to take a minute to honor those fallen heroes who have given the greatest sacrifice so that we may enjoy our freedom.....we must never forget.

A reminder to all pet owners, please remember to keep your pets on a leash while on the club grounds. Also if your pet is aggressive and likes to nip or bite, the owner bears the liability to inform all those near the animal.

Another reminder is while you leave on vacation or just for a weekend please park your vehicles away from the shore parking places as a courtesy to those still in the harbor.

Special thanks to Linda Nies, Chris Heil, the US Coast Guard Auxiliary, and the many others who provided a really informative safety seminar May 17th. Thank you to Randy Slye and crew for putting on Mother's Day Brunch. And also to Barb Stencil and her crew who organized the Fleet Blessing Saturday May 31st.

We have quite a few new members this year, both social and full, so introduce yourself and welcome them to our family.

I wish everyone a safe and warm boating season!

Jerry

House Kris Johnson

I hope everyone had a great and safe Memorial Day. The Harbor is getting full and people have been working hard at getting an appetite and parched. Todd and I have been working on a couple new appetizers. Stop in for a drink or snack and enjoy.

Tuesday. Burger Night.
Thursday. Taco/Pizza
Fri. Fish
Sunday. Chicken

Kris

Fleet Captain Dan Emmel

As I write this article for the Dockline the first major holiday is just days away and we have lot of boats still on shore. So much for the dead line of having boats removed from slip holders parking spots. (thanks mother nature) I would still like to see boats launched as soon as possible. Remember to pick up jack stands and cribbing with in 24 hours of lift. Also clean up wood scrapes after dock projects. Still trying to get a handle on slip holders assigned slips. There were some changes last year that I wasn't aware of. Remember to sign in and out of the dock log. Enough said, I will see you at the Club.

Dan

Building Jim Beaulieu

Finally summer has arrived & some of us are in the water ! We have reset the outside bathroom codes to 2-4-3. Please make note of this somewhere. Remember that the garage on the northside is not a personal storage area for tires & bicycles & such. Please remove such articles swiftly or they soon could be recycled. We have a few projects like calking around windows & doors on clubhouse, or replacing water stained ceiling tiles but for now lets just get those boats in & enjoy ourselves a bit on the water !

Jim

Memorial Day weekend camping on icy Lake Superior. Brent Lemerond & Emily DuFresne

Grounds

Mike Watkins

Happy Summer!!!

I am sure everyone is writing about the weather being better, but I can't help it! With it though comes weeds. Lucky for me Pete is helping out. He sure does a good job. If anyone feels the need to exterminate and you could use hours, I'll leave some juice in the garage.

I hope you will all introduce yourself to our new dock hand, Jorje (Hor hey). John Demeny did a great job training him. We also told him if he needs anything or some help, he could ask any of us. Everyone is friendly and helpful.

Remember , Just like the bar.....The grease of society is tips!

Grounds Guy Mike

(Tentatively, Jorje will be working from 2-3:30 and 6:30-8:30 Thursdays and Fridays 8-2 pm Saturdays and Sundays. See Jorje for a free-of-charge life vest if you temporarily need one for children or adults.)

Entertainment

Scott Conrad

What could be better than the month of June? The boats are launched and summer is launched!

The Blessing of the Fleet was moved to Saturday, May 31st to allow time for more boats to get in the water. So be here at 4PM for the blessing, followed by cocktails and ham and turkey dinner with all the fixings at 6 pm (live music \$10 per person) reserve ahead.

Remember dad on Father's Day , Sunday June 15th, with a GBYC logoed item from the ships store. New merchandise just arrived: Hats, shirts, sweat shirts, bar ware, etc... See Marlene Buntin or check with the bartenders to purchase. Gift certificates available as well.

The motorcycle ride is Saturday June 7th . Meet at the club at 10am, return at 5 for beer and pizza. Contact Paul Buntin or Tom Nies, or sign up at club.

After a long weekend of boating , relax and enjoy a great chicken dinner on Sunday nights. Todd takes the pressure off of having to cook at home... Great way to wrap up the weekend .

Plan ahead for the annual Luau, 3rd Saturday in July! Great music, food and special drinks, prizes for best dressed and more. Looking for volunteers to share in the fun and good time.

Thank you to Randy and Andrea Slye and crew for working THEIR magic on Mother's Day serving 145 people with great food, entertainment and a Bloody Mary bar. Special thanks to Tracey Willem for decorating the event.

Scott

Sincere sympathy to Joe Smet and his family on the passing of his father Ronald Smet.

DOOR COUNTY CHERRY FACTS:

There are **approximately 2,500 acres** of cherry orchards in Door County.

There are around **50 additional acres** devoted to growing sweet cherries, which is plenty to supply our roadside markets.

Cherry trees typically bloom during the **middle to the end of May**.

Door County orchards typically harvest between 8-12 million pounds of cherries each year.

Door County currently ranks as the **fourth largest cherry producer** of tart cherries in the nation.

Cherries are ready to pick around 60 days after petal drop, which typically puts the harvest in the mid-July to early August time frame each year.

Other than pick-your-own options, most of the cherries in Door County are mechanically harvested by cherry shakers.

It takes a mechanical harvester around 7 seconds to shake a cherry tree, and a mechanical harvester can shake anywhere from 60-100 trees per hour.

Montmorency cherries (tart cherries) are the most commonly grown variety in Door County. Bing, Balaton and other varieties are grown, but in much smaller quantities.

The waters surrounding Door County help moderate the weather and make the area **ideal for cherry growing**.

Cherries aren't the only crop grown here. Door County is also home to more than **550 acres of apple orchards and 50+ acres of grapes**.

The average cherry tree contains around 7,000 cherries. That's enough cherries for about 28 cherry pies or 30 bottles of cherry wine per tree!

All but 100 acres of Wisconsin's red cherry crop are grown in Door County.

For more fun facts and cherry info visit www.WisconsinCherries.org
