## Greetings from the Commodore Jerry Treleven

Two months of Wisconsin boating season are in the books already and I hope between the wind and rainstorms most of our members have found an opportunity to get out on the water. Maybe July and August will bring a more favorable weather pattern. No matter what the weather, at least we don't have to shovel!

Besides usually warmer weather July always brings one of the best events of the year.....the GBYC Luau! This has always been a fantastic event and I am sure this year will not disappoint anyone who likes to have fun. Get your tickets early so the organizers can plan and prepare for a great evening. See the fliers posted around the club for details.

I know that the Coast Guard and other law enforcement boats are out in force so before leaving the dock, make sure you have the required safety equipment and documents on board, watch your speed in wake zones, and curb drinking while at the helm. These agencies are just doing their jobs so let's make it easier for them and us and be prepared.

Enough said.....lets go boating!!

Give yourself permission to be happy every day. Not just on the weekends.

Jerry

## Vice Commodore MarLynn Ohlfs

It's a good day at the GBYC, the speed divots behind the building have been fixed, water levels are up and *the biggest GBYC party of the year is this month*. Mike and Angela Watkins and friends are getting the Luau ready and it is sure to be a hit. Dan Emmel is almost finished with the harbor lighting details. Also, there may be one or two slips left, please see Dan for what, if anything, is available for your non-GBYC boating friends that may want to join. We could still use some help finishing the landscape stone work around the building so please see Mike Watkins for his design plan. We would like to tidy up the parking on the south side to accommodate more vehicles for the boaters so please see Dan Emmel about moving your trailer or sailboat stands as soon as possible. Please remember you are allowed parking for one vehicle along the harbor wall (other than those in front of the clubhouse) and your spouse/family/friends need to park across the parking lot. See you at the Club!  
MarLynn

## House Kris Johnson

Flying cotton, bay flies, outside drinking and cooking, and.... boating season is finally in full swing. When your getting ice for your boat remember that ALREADY bagged is \$1 if you get your own it is \$.50. Remember to pay for it! If the freezer is empty and your not suffering from "ain't nobody got time for that" spirit, bag a few for others and get some hours. Specials at the club house include:

Tuesday Burger Night  
Thursday Pizza/Taco  
Sunday Chicken

Todd can always use help delivering orders.  
Thanks  
Kris

## Fleet Captain Dan Emmel

Just a few reminders, if you have a trailer stored on Club property you must purchase a storage sticker for \$75 plus tax. Stickers must be on by July 1 or I will start putting locks on trailers that don't have stickers. Looking for volunteers for Thursday dock repairs. Thursday July 3rd we will be working on approach ramps that need to be addressed. Some have tripping hazards that need to be fixed. If you need hours come on down on Thursdays, this is not hard work. Waiting for a permission from MSD to install the lights around the harbor. Once we have permission we can move forward. Having new dock holders log book up dated, should be back at the club soon. Don't forget to sign in and out of your dock. Enjoy the rest your summer!  
See you at the club.  
Dan

## Building Jim Beaulieu

Finally....Finally everyone is in the water, even both of the LaBine's boats! This is what we all have been waiting so long for!! OK, to business, no-one is to touch the thermostats. We cannot have 400 members all changing the house temps. They will be set to a comfortable median temp just like other establishments you frequent. Some like it hot, some like it cold, some like it in the pot....voice your opinions just don't touch, Please!

For now, we will delay the hard, manual/fe-manual labor for cooler fall temps after everyone has spent their fuel allowance and have had a bit of summer fun. That's all for now fellow boaters, ENJOY! Jim

## GBYC Motorcycle Ride

On behalf of myself and Paul Buntin we'd like to Thank everyone that participated in our First Annual motorcycle ride through Door County. Our goal to have a fun ride and donate any proceeds to the Golden House was achieved. We had 17 motorcycles, 7cars, and 1 moped that ventured out from the GBYC @ 10:00 o'clock and returned @ 6:00 o'clock for pizza and refreshments. We had nice weather and great scenery along our 178 mile trip from bayside to the lake. We ventured through Little Sturgeon, Sturgeon Bay, Egg Harbor, Sister Bay, then over to Bailey's Harbor, Jacksonport and Algoma. Our Lunch at the Brick Lot (formerly Vans) in Sturgeon Bay was a nice break. Gale Basten gets credit for making it as far as Brussels with his Moped. It was huge success and we were able to generate \$170.00 for the Golden House for women on University Avenue.

Thanks again for your participation. Hope to see you all again next year!

Regards  
Tom Nies

## Grounds Mike Watkins

Happy Fourth of July from the Yard Guy!  
I know everyone is tired of the rain, but before we lament too much, look at the water levels. They have come up. Hopefully the rain can stop soon or at least rain at night.  
Things seem to be going well. The black top is getting done as I write this. The sealing of the cracks will be done also. Everyone seems to be happy with Jorge, he is doing a great job and is a welcome addition to the club. Van's Waste is starting on the 15<sup>th</sup>. The issue with the port-a -potties on the south side will have to be dropped. It is too expensive to make any changes to what we have at this time. What we have works, so on we go.  
I know we were going to do more edging. Hopefully somebody with more talent and time than I have can help out to get there hours in.  
I have to also say that I have been extremely thankful to be a part of this club. I am having an issue with my boat just before vacation, (of course). The people that have stepped up to help have been incredible. I am very proud to say I am part of such a wonderful group. Thank you!  
Be safe on the water,

Mike Watkins

## Entertainment Scott Conrad

This will be short and sweet, as sweet as the month itself! In addition to your peak month of boating pleasure, we invite you to the biggest party extravaganza of the season, the GBYC annual luau! Purchase your tickets in advance for Saturday July 19th and bring your friends. Eat, drink and be merry while dancing to "Consult The Briefcase ". Cocktails start at 4 pm, dinner at 6 pm and the band starting at 8 pm. Deserts and appetizer donations are gladly accepted! Early reservations \$15, \$28 per couple, or \$20 each day of.

This also is a great time to volunteer while working with and meeting other members, earning hours at the same time. Volunteer sign up sheet is hanging on bulletin board.

By popular demand, the men's smokers will continue through the summer. Thanks to Matt and Larry Labine for their outstanding work grilling steaks for the June smoker. Well done! ( Their work, not the steaks).

Prepare for another treat this month featuring Prime Rib. This smoker is moved to July 23rd. Sign up early so we have enough. See you at the club... Scott
