Greetings from the Commodore Jerry Treleven

This time of the season is usually spent recalling all of the fun we had during the boating months and I hope everyone who had the opportunity to spend time on the water were not disappointed.

Not that anyone noticed, but I have not been around the last few weeks as every time I see warm temperatures I am gone! But alas, the summer is winding down and it is time to return to reality.

There was a 60th anniversary celebration for Fatima and Merle Baenen on August 17th and they sure put on a warm welcome for everyone. Congratulations again to Fatima and Merle!

Less time on the water usually means more time at the club and there are many good things available every week with special events sprinkled in on weekends. Heather Heil and Bridget Foley (along with a small committee) are planning a Yachtober fest party in October that really sounds like one no member will want to miss. So watch the bulletin boards at the club for details and alert friends and family to come and help celebrate the end of the season bash!

The Board meeting will be September 8th and the General meeting September 11th. There are still a few good days left to our season so if you can get out on the water and enjoy!

Sincerely,

Jerry

As we hang on to the last bit of summer and begin the Packer season. We have so much to continue to enjoy.
Tuesday Burgers
Thursday Mexican
Friday Fish
Sunday Chicken (Except) Sunday football. Be a sport and bring a dish to pass for the games. We are ALL members and need to help keep the club clean. If you make a mess please pick up after yourself. And please spray off dishes and put on rack and put through dish sanitizer. Bringing glasses to bar from other tables is a help to bartenders as well. Parties are welcome to be booked. Calendar is by liquor cabinet to check for availability. Please fill out a sheet accompanied by two checks. Just a reminder to make sure that all fridge and freezer doors are closed after entering.

See you around
Kris

Fleet Captain Dan Emmel

As you know by now, the bases for the lights are in. The poles and lights will be put up the week after Labor Day. The harbor and parking lot will look nice.

We have a full tank of gas to go into next year. The price of gas will stay the same.

I hate to say this, but winter storage applications are included in this newsletter. It was a short and fast summer!

Remember, if you change oil in your boat, you have to remove the changed oil off of Club property.

Dan

Hello friends... A big thank you to Jay Zahn and crew for his "no machete needed" chicken smoker. The next one will be September 17 and feature Larry Labines Prime Rib. Sign up early for this one.

Saturday September 20 is GBYC annual golf outing at Royal Scot. Shotgun start at noon, scramble format, 18 holes with cart and drink tickets, prizes/hole events, food back at club, all this for \$50. Please register early at the club.

Have you ever wanted to exercise your constitutional right to carry a concealed weapon? Monday September 29 from 5:30 to 9:30 pm will be your chance. A 4 hour class is being taught at GBYC by retired veteran GBPD officer Lt. Jerry Johnson. The cost is \$40 pp and when the class is completed you will have everything you legally need to apply for your concealed carry permit from the state of Wisconsin Justice Dept. Class is open to the first 25 people who sign up and pay. Make checks payable to GBYC. Contact Chris Heil for more info or to sign up.

Keep Saturday October 17 open for GBYC 1st annual Yachtoberfest. Details to follow soon and more info will be posted at the club.

Thanks Scott

From the Grounds

Well unfortunately it is September. The leaves have been changing for a few weeks already. As some have noticed it is football season. Along with the Packers, Jorge also is in football. This means some practice and games on Thursday and Friday. I will do my best to keep notes up to let you know. He has done a great job so I hope you will help in supporting him! I have asked him to work as much as he can into October.

The donated wood has been stacked to help it dry out. If you would like a fire, hopefully you can find enough dry wood.

Thanks,
Michael D.Watkins, Grounds

Hoping everyone is having a wonderful boating season so far !! Some of our members found time to take care of a few of the clubs needs between boating trips ! A big Thankx to Dave LaHilliar (AKA electriction Dave) for changing out the automatic switches in the outside bathrooms. Another Thankx to Kris Johnson for changing the freezer door handle & keeping our dishwasher operational ! Jimmy Thomson came through again with our ice maker too ! Anyone I missed I do apologize & we all appreciate the extras done to keep our fine club up & running. Also we are still looking to get some roofing repaired & replaced yet this year so please get a hold of me to schedule the best time for the most available help !

Thanks a ton Jim
