Greetings from the Commodore Jerry Treleven

As we wind down the boating season I hope everyone enjoyed the limited time that we had to use our boats. By now all should have seen the completed project. Make sure to hang around long enough to see the nice job the lights do in illuminating the harbor. Thanks to Dan Emmel on a much needed project well done!

Lloyd Carpenter has volunteered to run the project to spiff up the inside of the club with new tile and carpet. If you have any input or ideas I am sure Lloyd would listen. Don't forget to get ready for Yachtoberfest coming up October 18! This will be one of the best in our fine city. It is open to not only members but anyone, so bring your friends, neighbors, family...whatever! The list for shrink wrapping is in the club so if you need to wrap your boat get on the list as soon as possible to get the day you want. Also do not wait until the last minute to sign up to pull your boat as the lift crews have adequate but only a short time to pull boats. Also bring help when pulling your boat as the lift crews are not expected to block up your boat or move materials around for you. Scott has plenty of things going to entertain you and your guests in the remaining months of the year so watch the bulletin boards for details.

Enjoy your club!

See you there Jerry

Happy Halloween

We all know that it is starting to get cooler. So we will have to drink more to stay warm or stop by the club to enjoy some of Todd's great chili and don't forget the cheese and onions! If chili isn't your thing, let me know and we can possibly add a new soup to the menu.

Please don't forget to bring dishes to kitchen and glasses to bar when leaving your table.

Packer days feel free to bring a dish to pass
See you soon

Fleet Captain Dan Emmel

Lights are up and working. It actually looks like a harbor at night.

Lift crews are up and lifting from sept. 26 to oct. 23. Make sure you show up one half hour before your lift and have your stands and blocking ready. Dock days will be oct. 25 starting at 8:00 am. We will be working on docks, grounds, and building. I hope to see you there.

Fleet captain out. Grrrrr.

Entertainment Scott Conrad

Fall fun, fellowship and festivities coming up! Stop out for the Fabulous Friday Fish Fries and plan to stay a little later on Friday the 10th to enjoy music by the 'Geezer Gang Band' from 7 to 11 pm.

Sign up for the Men's Smoker on Wednesday October 15th for Rick Paulick and Brad McKay's famous fish boil.

Save some strength and put on your lederhosen the following Saturday for the first 'Yachtoberfest' on October 18th. Gates open at 2 pm and the event is open to the public, so bring your friends! \$5 tickets available now includes Polka Bands, food for purchase, stump fiddle contest and more.

Looks like the Packers need all the help they can get, so come join us to cheer them on every game. Lots of fun and camaraderie, spiced with snacks and spirits, since members like to bring a dish to pass.

Look forward to next month for our annual Veterans Day Commemoration on Saturday November 8 'honoring all who served....and are serving'. Join us!

See you at the club. Scott

Condolences to Evel and Lori on the loss of their granddaughter Eva—also to Jim Mathys on the loss of his daughter in law. Our thoughts and prayers are with you

GRASSY ISLAND RANGE LIGHTS OPEN HOUSE

Tail Point Light keeper Andy Weber's daughter, Adris (left), and her best friend, Pat Lawler, frolic on the beach on Long Tail Point in 1939.

Grassy Island Range Lights will be celebrating an **open house** on the same date as the GBYC Yachtoberfest, October 18th from 1:00PM until 5:00PM. As the lighthouses are owned by the Club, you as members should take this opportunity to stop out and see what you own.

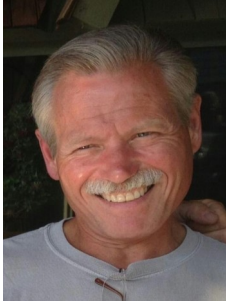

As Yachtoberfest, this open house will be open to the public. We will have a special guest for the open house. Adris (Weber) Robenson lived in the lighthouse keepers house on Long Tail from 2 weeks of age until graduating from high school (1921 to 1938 est.) I am sure she will have some interesting stories to share.

We look forward to seeing all of our members at the open house.

Ah the Fall, trees changing colors, specialty beers, the hunt. Oh darn, the docks too! Yea, Dan says they have to come out. Boats on shore... not fun. At least we have Yachtoberfest this month to look forward to. Sounds a little different, but lots of fun. I have my tickets, do you? I have Jorge each weekend till dock days. He will help us as much as he has time for, if you ask him. I forgot to tell him to stop with the ice. Can't keep a good dock hand down. I will call him. For next summer, please let me know anything I missed, but now I have to think about winter. Snow and salt. Definitely not my favorite things. Though one good thing is the drain for the down spouts that now run under the black top. Thanks to Kris Johnson and Pat Foley for that. Have a good month and we'll see you at Yachtoberfest.

Building

Jim Beaulieu

Well fall is here ! Time to get the boats ready 4 winter. The clubhouse also needs to be squared away before winter. Thanks to Mr. & Mrs, Paul (Donna & Buddy) & friends the clubhouse was pressure washed & windows cleaned inside & out among other preparation for their wedding! Thank You All for the extra efforts in sprucing things up ! Thank Lloyd Carpenter for stepping up to take charge of the new floor coverings inside the club.

With the Spring dock days being such a success we are hoping for a repeat performance for our fall dock days ! We have a couple of projects on the building to take care of. One being the small roof on the SW corner. Its been trouble for a few years & wood needs replacing. A couple tearing off, a couple repairing, a few cleaning up & we will make quick work of it !

Thank You to Everyone in advance for all your help & making this the Great Club it is !! Jim
