## Greetings from the Commodore Jerry Treleven

If you missed the Yachtoberfest party October 18<sup>th</sup> you missed a really fun time. The bands, food, beer and special attire worn by several members were all hits. I cannot name all of those who are responsible for the success but I know for sure Chris and Heather Heil, Patrick and Bridget Foley along with many others behind the scenes helping tirelessly to make this event a good time. Thank you all for the well planned special event!

Dock days went as smooth as planned with no major incidents and the roofers worked extra hard to repair the rotten sheeting and replacing all the shingles on the leaky south side roof of the club. Again, too many members to mention, but many worked hard to get the job completed and keep the debris cleaned up for the wedding reception that evening! So thanks so much to everyone who helped on this project.

The annual December general meeting will be partially for election of outgoing board members and the Commodore position, and also for any by-law changes. So this is a meeting all members should be at. If anyone has a nominee for the board or the Commodore, please contact me (920) 366-2020, and I will get the names to the nominations committee.

November is also the month of deer hunting in Wisconsin. However, we cannot hunt on the GBYC grounds so let's not encourage the deer to come to our marina by feeding corn to them.

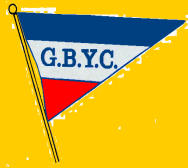

Please do not buy corn and throw it in the parking lot for the deer. Thank you!

Well all of our boats are in hibernation for the year but let's keep a positive thought....it's only 171 days to the next dock day! Keep smiling and have a good winter season.

Sincerely

Jerry

### House Kris Johnson

What a sad time of year it is. With the boats out and everyone getting ready for winter. Dock days went very well. I want to thank all of the help in the kitchen for our great lunch and clean up.

Don't forget to continue to patronize our club during fall and winter months. I am always looking for input on drinks or food. If you have any ideas, pass it on. Also..we do not have waitresses or waiters. It is always a huge help by cleaning your table when you leave.

### Fleet Captain Dan Emmel

By the time you read the November Dockline, hopefully all the boats will be stored and the docks will be tied up for the winter. Officially ending the 2014 boating season. I am sure we will have some dock projects to do over the winter. I'll keep you posted. Just a reminder that boats must be unplugged when you leave the club property. I want to thank all the lift crews that lifted and stored boats and everybody that helped out on dock days.

Once again thank you.

Fleet captain out.

### Entertainment Scott Conrad

The boats are all snuggled, safe in their beds, wondering what's taking place on shore, while they take their winter nap! The answer is : lots!

Come join us for the Veteran's Day celebration on Sat. Nov 8th for those who have served or are presently serving in the military and for their friends and families. Registration is at 10 am, ceremony at 11 am and luncheon immediately following. Please contact Barb Stencil if you are able to contribute a dessert or appetizer.

Sign up for the Men's Smoker on Nov 19th .Thanks to Rick Paulick for a great job with his Shrimp Boil in October. Looking ahead, volunteers are needed to help Mary Unrath with the Annual Children's Christmas Party, Sat. Dec 13 th. Please contact her if you are able to help with crafts or lunch. Reserve ahead, so Santa can have a gift for every child when he stops for a visit. Bring your children or grandchildren and their friends. Thanks to Bridget Foley and Heather Heil for a phenomenal job on Yachtober Fest last month, so successful it is sure to become an annual event! Danke !

Thanks also to Ken Lemerond and Susan Seidl for the Fish Fry after the Packer Game in October! Funds raised go to purchasing Christmas gifts for children hospitalized with serious illnesses. Ken matched the funds raised with his own donation! Although your week- ends can't be spent ON the water for awhile, there is still plenty of warmth and camaraderie at the club INDOORS in the winter months. Join us for every Packer game, bring a dish to share and help us cheer the PACK on! See you at the club...Scott

## Grassy Island Range Lights Open House

What a GREAT day! The lighthouse keepers showed off the results of years of effort in the restoration of the lighthouses. Nearly 100 guests viewed the lights with compliments and photos. The highlight of this open house was our guest, Adris (Weber) Robinson. Adris grew up on Longtail point as her father was a lighthouse keeper. Visiting with someone who grew up with these magnificent structures and listening to her reminiscences was truly a great experience. On Sunday, a number of current lighthouse keepers boarded the Toscana for a cruise to Longtail where Adris last visited over 70 years ago. She truly enjoyed the cruise as did we all. Adris was accompanied on the visit by her daughter Patricia Bell and cousin Kathleen Janssen.

### Mike Watkins

November must be the "Anti April" month. Boating ends, boating begins, trees go to sleep, trees wake up, shrink wrap on, shrink wrap off. No wonder more people voted April a happier month. Yes, I am anti November. Except maybe for honoring our Veteran's and Thanksgiving.

I hope everything went well for Dock Days. If I threw out too much, (I have heard of dumpster diving) I'll leave it there for a while just in case!

Things went well with our dock hand, Jorge. I hope we can get him back for next year. I know he missed some time. He does play football, needed his driver's license and I couldn't deny time to get a new shirt for Home Coming to a young man!

I have been told we will have Tom Sawicki back for snow plowing. He really does a great Job. There are a few details to work out. I'll try to keep up with the salt as I know Paul is also busy this year.

With so many good and giving people at the club I know others in need will have a Happy Thanksgiving.

Sincerely,

Grounds

Michael Watkins

### Jim Beaulieu

I want to start with a huge Thank You to everyone that showed up for our fall Dock Days and actually helped out! We got a lot done and have a lot more in store. I especially want to thank our roofing crew who gave up their whole weekend and on their backs to our club, none of which needed any more hours to hit their 18 hour minimum for the year. This was a huge savings for the club and needed badly as seen by the rotten wood that was replaced. The outside bathrooms are now shut down for the winter. The lines have been blown out, sinks and toilets are filled with antifreeze, thank you John and Dawn!

Anyone still in need of hours please contact a board member and we will find something you can do to contribute. Hope to see more of everyone in the clubhouse as winter forces us all indoors.

Jim

## 2nd Annual Charity Fish Fry Update:

This event went way beyond our expectations! Thanks to the generosity of many, many members and friends. We raised over \$1600.00 from donations and the match from Print King. This can be even higher with a few pledges pending. Because of the success, not only are we doing holiday shopping for the CHILD LIFE PROGRAM, we are also doing the same for GOLDEN HOUSE and possibly other programs. Thanks to all, especially to these people: Mark Skvara, Eddie Driscoll, Sharon Dickinson, Jay Zahn, Lori LaBine (Larry), Mark Konop, Sonia Baeten, Brent/Emily/Barb Lemerond, Barb Stencil, Todd Seidl, Marlynn Ohlfs, Julie Romanesko, Crystal Bay, and of course to Todd our cook and Print King.

**Thanks to all!** It just shows the character this club has.

This will make the holidays a little brighter for many people.

Ken Lemerond / Susan Seidl

**Thanksgiving Day** has been an annual holiday in the United States since 1863.

There are claims that the first Thanksgiving Day was held in the city of El Paso, Texas in 1598. Another early event was held in 1619 in the Virginia Colony. Many people trace the origins of the modern Thanksgiving Day to the harvest celebration that the Pilgrims held in Plymouth, Massachusetts in 1621. However, their first true thanksgiving was in 1623, when they gave thanks for rain that ended a drought. These early thanksgivings took the form of a special church service, rather than a feast.

In the second half of the 1600s, thanksgivings after the harvest became more common and started to become annual events. However, it was celebrated on different days in different communities and in some places there were more than one thanksgiving each year. George Washington, the first president of the United States, proclaimed the first national Thanksgiving Day in 1789.
