Greetings from the Commodore Gary Kuschel

Greeting fellow GBYC'ers, hopefully you are all over the disappointment of the Packers loss. What a turnout we had for the game. The club was really hopping. With all the events upcoming, we should be able to keep our bartenders busy. Busy bartenders are a good thing. We also had a full house for the January smoker. Matt Labine's crew made an awesome meal. March 21st, is the date for the interclub party in Fond du Lac. We have a sign up sheet on the board, if we get enough interest, we will be getting a bus. Sign up soon so we can get a count and see if the bus is possible. In February, we have the Super Bowl to watch at the club, which is usually a big turnout. On the 22nd, we have the chili cook off, during the Daytona 500. I almost forgot, Valentine's Day on the 14th. A busy month, so come on down and partake in the festivities. Coming in March, a group of us, captained by Chris Heil will be getting our heads shaved. The annual event held downtown at St. Brendan's Inn on March 15th, all proceeds go to fighting childhood cancer, a very worthy cause. If interested in joining us or donating to the cause, contact Chris Heil on Saturday March 14th, the day before the cold head. There will be a party at the club after with Lori Labine making corned beef and cabbage. We will have live music 3 to 6, come on down. Give us encouragement, donate, or just socialize. There will be a sign up sheet if you wish to eat. I'll write more about this next month to remind you. As you can see, busy times ahead. Come down and support your club, help to keep us the best club on the lakes.

Till next month,
Gary

Love is in the air and we want to hear all about it! After you take your sweetie to a Valentine's Day dinner (Saturday, February 14th), stop by the club for some yummy after dinner beverages and a few rounds of the GBYC's version of "The Newlywed Game!" Don't forget, GBYC merchandise makes a nice gift! We also have a Special drink and appetizer on the board. It will always be changing. We have breaded mushrooms added to menu for now. In the future we may only have a few appetizers but keep changing them. Let me know what your favorite appetizer is.

Come down and enjoy!

Fleet Captain Dan Emmel

Happy February, this has been a mild winter so far. I don't know if that's good or bad, no snow, no water. Dock applications went out in the January Dockline. They must be filled out and returned by Jan.31 with proof of insurance and any special request. There will be a meeting mid February to assign docks. I would like to start replacing the winter cables on the north side. This would take place Saturday mornings and would only take two days; weather permitting. I will post something in the Duck-o-Gram when we will start. Remember to unplug your boat when leaving the club. I have already unplugged several boats. Like I need one more thing to do.

Enough said, Fleet Captain out.

Entertainment Heather Heil

A Remembrance

Mrs. Adris Elizabeth (Weber) Robinson, 93, Waukesha, passed away on Jan. 7, 2015, at Angel's Grace Hospice in Oconomowoc, Wis.

Adris was our guest at the Grassy Island Range Lights open house on October 18, 2014. Adris was such an uplifting spirit and an inspiration to everyone around her. She will be remembered for her smiles and laughter and we will cherish the wonderful life stories that she told.

She was the third child born to Alice (Aliska Shipla) Weber and Andrew Weber on August 5, 1921. Although she spent the majority of her childhood in Green Bay, Wis., her summers were spent on an island in the bay, called Long Tail Point, where her father was a lighthouse keeper. She graduated from St. Joseph's Academy in 1939. She served in the U.S. Coast Guard in St. Louis, Mo., from 1942 to 1945. Adris was an avid reader throughout her life, which led to her next career as the proprietor of a newsstand in the lobby of the Northern Building in downtown Green Bay. She truly loved life to its fullest for all of her 93 years. Her feistiness, wit, humor and love of the Packers will be remembered by all of those who knew her and loved her.

Tail Point Light keeper Andy Weber's daughter, Adris (left), and her best friend Pat Lawler, frolic on the beach on Long Tail Point in 1939.

Is it summer yet??

I know nobody wants to review the Packer game anymore, but I have to thank Heather Heil for such a great party (outside the actual ending). Thanks to Pat Foley and Chris Heil for the brats, Bridget Foley, ticket sales that will one day give us all better Docks. Thank you to everyone that contributed to an incredible array of good food. Thanks to Tom and Paul Sawicki on the snow plowing. They are doing a great job. We are very lucky to have them here. If anybody would like some very useful hours, salt goes along way. Even restocking dispensing spots will help and get hours.

The Deer seem to have become quite an attraction, especially for the little ones. To see their faces light up was quite special. It sure gets the club on social media.

I like to say something about the kitchen. How great it is for the club to have Todd and Kris Johnson taking care of us. When you see them, let them know. Tip your bartender and your cook, it helps us all. Soon we will be actually starting to think about spring commissioning and Dock days. Another time that Dan Emmel stands out. May it come early.

Thanks!!

So far so Good , as far as the building is concerned. No winter mishaps which is Good !! Spring is right around the corner, like 30 days or so away ! Update on the clubs new carpet; We have an interior decorator named Rachael from H J Martin. She has a vast knowledge of floor coverings & has worked with numerous businesses & churches with similar needs. I will keep everyone in the loop.
