## Greetings from the Commodore Gary Kuschel

One busy month done at the club, another one coming up this March. We had Buddy and Mike's smoker, I wasn't able to attend but I heard it was awesome. We had the chili cook off and a lot of entries. There were different styles and degrees of spiciness. All were very good and all deserved to win. There was also a wedding in Mexico, Congrats to Brent and Emily Lemerond, your ceremony was very special. The sermon from Padre Patron was one to be remembered. By the time you read this, dock assignments should be done. Summer is just around the corner! The March smoker will feature Ken Lemerond and Mark Konop's culinary prowess of seafood and pork. We also have our St. Patrick's Day feast of Corned Beef and Cabbage, cooked by Larry and Lori LaBine on the 14th. That night we will also be sending off our brave souls to St. Brendan's Inn to get their heads shaved for Childhood Cancer Research. Come on down and cheer on and possibly donate to the cause. The members on the team are Chris Heil, Pat Foley, Jason Dorner, Rick Paulick, Larry LaBine, Jim Thompson, Andrea Abry and myself. On the 21st of March is the interclub party in Fond du Lac. We do have a bus going, check with Heather on availability. As you can see, it's a busy month ahead. Come on down and join in on the activities. It's your club, use it and have fun.

Gary

### House Kris Johnson

The weather has been cold outside. Our beer and drinks at the GBYC are also. Stop in for a cold drink or warm up with our hot food specials. They are constantly changing so keep an eye on the boards near the Juke Box. If you have any suggestions I am always open for ideas. New updated menus will be available soon. This club is a very special place for our members to gather. While Todd is preparing our food on busy nights feel free to stop back and help locate it to bring to the hungry mouths patiently waiting for it in exchange for a few hours. Bringing family and friends is highly encouraged. If I can only ask, while it is all so unpredictable. When you are bringing a group(6+) to eat please let us know of your group so we can plan a bit for it. We'll try and do the best we can to make you and your company satisfied.

### Fleet Captain Dan Emmel

Welcome to March, we are a little closer to spring and warmer weather. I took a walk on the docks to check for damage caused by the ice, looks like we have some minor repairs. I am still hoping to get some new winter cables on the north side before spring, but it always seems like something comes up on Saturday morning. I will try to post something in the Duck O Gram if a Saturday looks good. I am forming a dock committee to discuss projects and the future of the docks, if interested contact me. Before boats go back in the water I would like to clean out the south east storage of old cribbing and what ever else may be in there. It seems to have accumulated over the years. If you have something stored in there please label it with your name, otherwise I will throw it out. Please don't forget to unplug your boats when leaving club property. Thanks, Dan

## Grassy Island Range Lights, Inc

The Grassy Island Range Lights have been a part of the Green Bay Yacht Club for almost 50 years. As we look to the West from the club house we are awed by the gems on the ring that is the harbor. They are taken for granted by many as they have belonged to the GBYC for such a long time. To those who appreciate the significance of lighthouses through the ages, these lights represent a romantic period in Green Bay's history.

The lights have been used by many in publications and annual reports. Harbor Credit Union uses their image on their debit card. The United States Lighthouse Society is hosting a tour of the lighthouses of Door County and the Fox Valley in August of this year, including our own Grassy Island Range Lights. The lighthouses are owned by the Green Bay Yacht Club. As such, our members are tasked with their maintenance and upkeep. The cost of the maintenance and upkeep is borne by grants, donations and a perpetual fund established by David Nelson and Merlin Baenen. The labor is provided by you, the members of the Green Bay Yacht Club and volunteers. Become a lighthouse keeper and share the pride of ownership. Come on out any Saturday during the winter or on Tuesday night after the docks are in. All are welcome.

## Grounds

### Mike Watkins

Hello to March from Grounds.

Most everything seems to be going well for the grounds. Thank you to those that have helped with getting salt around. Tom and Paul Sawiki are doing an excellent job.

I would very much like to thank Buddy and Donna for the February Smoker. I thought they did a fantastic job. It was a lot of work running for items and pre planning. I think Donna, with some help from Angela and Heather Heil did a lot of cooking. Buddy really outshined anything else he has done for the club. As usual Kris Johnson came up at the right time to help save a counting mistake. Can't say enough about how lucky we are he is on the Board.

Heather has some really special ideas on the entertainment end, her abilities are quite astounding, thank you all!

Angela and I will be gone a lot in March, but if anything comes up I will try to check email as much as possible, so let me know. I won't be home for long before the membership meeting.

Will do anything I can.

Think warm!!

Thank you

Mike Watkins
