Greetings from the Commodore Gary Kuschel

Hopefully everyone had a good Memorial Day, and remembered why we celebrate this day. Thanks to all our veterans, past, present and future. The grand smoker was on May 27th. Great food and a good time. Small changes coming to next falls smokers, stay tuned for updates. Sunday chicken is back. What a good way to end the weekend with chef Todd cooking for you. June brings us the bike and car ride on the 6th, and our own Brent and Emily make it legal, congrats to them. On the 13th, of June, we have the blessing of the fleet/launch party. Thanks Judy Smits for chairing this. Then on the 21st, is Father's Day, not as big an event as Mother's Day, but just as important to some of us. If I'm missing any event, sorry. Just check our princess of fun, aka entertainment chair Heather's article for a more detailed list of events. A reminder to all, events need help, jobs have to be done. your help is what keeps costs down and fun up. Whatever kind of member you are, full or social, help is needed and appreciated. You all are what keeps this club special. Till next month,
Gary

Fleet Captain Dan Emmel

Not a lot to talk about this month. I hope everybody enjoyed their Memorial Day weekend. The harbor is looking good with all the boats in their slips. Just a few more to put in, which should happen in week or two. Don't forget to purchase your trailer storage stickers for your trailers. I see that there are a few walk ramps that need work, I would like to work on these Thursday evenings so I will be looking for a small crew to help out. Enjoy the water and be safe. See you at the club!

Fleet Captain out.

Entertainment Heather Heil

Summer is here...the sound of "splashing" is all around us and life is good!

I'd like to start by congratulating Gerilynn Fransico and Renee Baldwin for their award winning Kentucky Derby outfits. The most exciting 2 minutes in sports proved to be just that! The Mother's Day brunch, organized by Randy and Andrea Slye again this year, was a smashing success. We are so very lucky to have them and all the volunteers in this club creating such memorable events.

Upcoming events: Saturday, **June 6th**, get your motors running! The GBYC annual motorcycle/car ride departs at 9:30am (8:30am registration). The cost is \$15 per bike and includes a drink of your choice at the last stop. The ride is open to the public, and not intended exclusively for motorcycles. Bring your 'Vette, your sports car, your antique car, truck or bus. Please sign up on the club bulletin board ASAP. If you have any questions please call Paul Buntin (660-2701) or Tom Nies (676-3145). Proceeds will go to The Golden House. Saturday, **June 13th**, The Blessing of the Fleet and Launch Party with Father Dave Pleier starts at 4pm. You are then invited to a 5-6pm Hors d'oeuvres reception and 6:00 yummy chicken dinner. The cost is \$12 a member and requires registration on the bulletin board. We are also in need of volunteers. A HUGE thank you goes to Judy Smits for leading this tradition. As a reminder the newly formed GBYC merchandise committee has reinvented the club store to the "Nauti Shop"!! New merchandise is in and has the highly anticipated "Dock Duds" in stock! Check it out and grab some gear. Thank you Team Merchandise! Smokers will continue thru the summer, see bulletin board for details and dates. Coming in July... July 11th Fin Fest/Luau (Buddy & Donna Paul).

Sunshine and Sadness (Roger Gilsoul)

Our condolences to Angie and Kimm DeWitt and the entire family on the passing of Angie's mother, Darlene Hynek. Our sympathy to the entire family at this difficult time.

June is finally here. With a little warmer temps we can all get some boating in. I know I am planning some trips. I see Dan has done a lot of maintenance on the lift. Thanks Dan for keeping our boats safe. Blessing of the boats is coming up soon. Any thing in the grounds you see needs attention let me know. Or if could use some hours, feel free. We could use some raking. Happy summer, safe boating for us all.

Hello Boating Season !! A little time on the water will do everyone some good. A little time in the club will pickup your " Spirits " also !! I want to thank Dave Basten for replacing the broken tiles at the front entrance with salvaged tiles from the back entry. I understand he is "Only" a Social Member & is not "Required" to put in any hours, but as a "Member" he realizes it is his club also & benefits from being an owner too. With more help from ALL the members we can continue to maintain the cheapest costing food , drinks , docks, etc. in this area ! There has been talk of redoing the woman's bathroom. We have a few ladies that have volunteered their time to do so . We hope they can get together & set this up soon. When a more solid date develops we will post a sign up sheet on the board for helping. Also there is a need for a little touchup painting where patrons have put things up with tape which has been banned in our building for causing incredible damage ! Anyone caught using tape will be delt with swiftly & painfully ! Thank You again to everyone helping to keep the bathrooms picked up inside & out. No one likes to walk into a bathroom & see water all over the countertops & paper toweling overflowing the garbage cans. We also have the small Sharps containers to install in all bathrooms. Anyone that has a need for them "Please " use them & not the wastebaskets. Thank You Again & enjoy Your Club Jim B."

Boating season has finally arrived! So has Chef Todd's awesome Sunday chicken. Tuesday Burgers are still the bomb! Thursday Mexican night is serving a great array of food. We still have breaded pepperjack cheese bites and breaded mushrooms. Friday perch shortage has past. We are going to continue to run the bluegill until it runs out. If you are looking to get some hours Todd is always looking for help delivering food so he can keep on cooking. Please remember to help and rinse off your dishes and place them in rack to run thru the sanitizer. Also as a reminder, we have new carpet installed. Please be careful with your drinks and do not spill the popcorn. Kris

Grassy Island Range Lights, Inc.

The lighthouse keepers of the Grassy Island Range Lights have had a busy May, not at the lighthouses though. Bunch of other boating things to do so the grand old ladies were not given too much attention. Well, hopefully June will be much better. There has been some planting at both the North and South lights.

Hopefully the Canada geese will not snack on our efforts.

As the lighthouses belong to the yacht club, you are more than welcome to come on out on Tuesday nights to see what's happening. Generally it is cleaning and painting. You may (or not) have noticed the down lights are not lit. There is a very good reason for that. Bugs are attracted to lights at night. They leave their calling cards all over the white painted cedar shake shingle siding. Not an easy job to keep clean. As the sun sets later in the summer and the 6th order Fresnel lenses continue to shine they look just fine and hopefully NO BUGS.

There will be a couple of open houses this summer, dates to be determined.

Don't wait for them. Come on out some Tuesday nights and say HI!

SUMMER SMOKERS

Smokers will continue thru the summer on the 4th Wednesday of each month.

Tahiti April/May 2015

A great flight on Air Tahiti Nui. First stop is at the Intercontinental Resort in Papeete. After the long flight we just wanted a refreshing drink. It wasn't refreshing after the price, 2 screwdrivers \$42. Luckily we were here years ago and were prepared. We had one suitcase full of booze and snacks. We wanted to see the downtown life, only to find out everything closes at 6pm and the bars open at 11. We did go to the park which offers a variety of truck food. Cox and Kings had the best poison cru. Which is raw fish marinated in coconut milk and hot peppers. A short flight and a boat ride and we're at Tikehau. Basically a great sand bar with a few beach bungalows. It was perfect. Quiet, good snorkeling and no one around. It was like having your own island. Next stop is Huahine. Another short flight and a boat ride, we arrive to our deep overwater bungalow. Again very quiet, but you could take the boat shuttle to a small village and buy alcohol and snacks. Which worked out good cause we had to replenish our stock. They had a "Yacht Club" which had reasonable prices and a happy hour. Our deep water bungalow had an outstanding view with the back drop of Bora Bora. Last night there it rained and everything shut down. Boat ride, another flight and another boat ride we arrive at Tahaa. (the vanilla island) A deluxe property, a private island with outstanding service. We had a deluxe sunset overwater bungalow. Can't really describe this place. Probably the best place we ever visited. Jump off your platform and you could walk hundreds of yards in waist deep water and all sand. Eagle Rays, Puffer fish and small sharks are abundant. On the side of the island there were coral gardens of beautiful coral and plenty of colorful fish. Everything about this place was awesome, including the refreshing infinity pool. It was hard to believe that 17 nights in the Tahitian islands was over. Depression sets in and you have the god awful flight of getting home. Will we be back? You bet, and not soon enough. Ken and Barb
