Greetings from the Commodore Gary Kuschel

Welcome to summer everyone! You know it's that time of year, when little flying bugs try to take you away. Or, instead of asking you for a beer, they just try taking it out of your body. Hopefully you all had a good Father's Day, it is fun to see the ones who gave me gray hair, getting some of their own. I heard Jay's smoker was great. Watch for next months cook and entree. Thank you Judy Smits for chairing the launch party/blessing of the fleet. July 11th is the luau, don't miss this big club event. New this year is a dunk tank, and I'm told I will be one of the first to sit in chair. (That must be why my wife and daughter are in the backyard playing catch). On July 14th, there will be an open house at the lighthouses. Come out and see these amazing pieces of history. The hours to both of these events are posted elsewhere in this newsletter. Just a reminder, with summer here, all the board members are volunteers that also want to enjoy their boats. I'm sure, if you ask them, they all have jobs for you to do for hours. Enjoy the weather! See you at the club, its yours, use it.

Thanks, Gary

Fleet Captain Dan Emmel

Not a lot to talk about at this time of the year , so this will be brief. We have a couple of docks open in the harbor do to recent boat sales and two jet ski docks, so pass the word. I noticed a few trailers with no storage sticker on the them, please buy your stickers, that's all I'm going say about that. I would like to start up the dock planning committee meetings again. We took a little time off this Spring , now that things calmed down a little ,we can start the meetings again. I will be calling the volunteers I know or if you are interested in the future planning of the docks and harbor ,give me a call. Enjoy the rest of the summer, the days are already getting shorter, Fleet Captain out.

Good Morning to all,

On Saturday June 6th 40 people left the Green Bay Yacht Club on a cruise down the East Shore of Lake Winnebago. We departed at 10:00 o'clock sharp and proceeded to Schumackers Shanty for Lunch. In route we traveled through many miles of scenic Farm country and into Calumet County Park on Lake Winnebago. We broke for an hour, had Lunch and refreshments and were on our way south to Fondulac Yacht Club. Again we traveled through the Fondulac park system in route to our 2nd stop. We were greeted by 5 Fondulac Yacht Club members that served us refreshments. We then headed west towards Elkart Lake area, and on through Valders over to our 3rd stop in Menchilville at the Iron Buffalo Saloon. After a short rest we departed and headed for our final destination at Anduzzi's Pub in East Green Bay. It was a Sunny day, and a good time was had by all. Safety was our first concern and prevailed the entire ride. We were able to raise \$400.00 dollars for the Golden House for Domestic Abuse in Green Bay WI. This was our 2nd Annual ride. I want to give special Thanks to Paul Buntin who helped promote the run with me. I also want to thank all the People who participated in the event. Thanks, Tom Nies

June has come and almost gone as I write this! I sure hope July is warmer ! Jorge has caught up on the lawn for the moment. There are always weeds to spray. If you don't mind a little yard work and need some hours we could sure use the help. I know there are other jobs you would like him to do if he has time. Please let myself or Dan Emmel know so we can convey to Jorge. I'm sure the fuel dock will be getting busy too and there was work to meet State inspections. Jorge is also trying to clean up around the docks as time permits. Hopefully the new aerators will be in soon! As it gets busier something may get missed. Please email, text or just walk up the dock. I will be on vacation June 27th -July 5th. I will still check emails. Have a safe 4th of July! !

Happy Independence Day fellow FREE Spirits ! Thank you to everyone who's been a part in keeping our great country free ! The new lighthouse etching on the window looks fantastic, thank you Barb Stencil ! With the annual Luau bearing down on us please feel free to help spruce up our club a bit. Maybe a bath for the outside of the building, a good window cleaning or a little extra dusting. It all helps contribute to a better place & let's people know you care, not to mention the coveted hours ! Hope everyone is starting to get a little boating in. As you read this, Julie and I are pirates on the Watkins BAB across the big pond! Thanks again to All our club members for everything you do & we'll see everyone soon !

Summer has finally made it here. The GBYC is always willing to cure your thirst after a hard day of work or a relaxing day on the water. We are continuing our goal of satisfaction with our Tuesday Burgers, Thursday Mexican, Friday Fish, and Sunday Chicken. Reminder that if you are sitting in back room or on patio to clean up after yourself so others can use the area as well. Please feel free to go into kitchen and ask Todd if he would need some help delivering food to others. The more help he gets the quicker he can get orders out. Another reminder to all is our club is open from 6:30a.m. to last call at 2:00a.m. and then out by 230a.m. All must be out of the club between these times or our alarm system will be set off. Thank you to all who come and patronize our club. Enjoy the summer!

Exciting times ahead

Your lighthouses are enjoying the summer in the glimmer of the late sunsets and the 6th order Fresnel lenses. We have some exciting things coming up. We will be celebrating Dave Nelson's birthday Tuesday, July 14th with an open house at the lighthouses (his birthday is July 5th.) All members are invited and encouraged to come on out if only for a little while to wish Dave a happy birthday and thank him for all he has done for the Club over the years. Yes, there will be cake.

We have a couple of visits from the United States Light House Society coming up. On Sunday, July 19th an upper Peninsula of Michigan lighthouse tour is stopping at our lighthouses as their last stop before flying out of Austin Straubel. On Monday, August 3rd we will be the first stop for their scheduled Door County tour. We are excited to be a part of their tours.

On August 8th the Green Bay Mike & Key Club will be hosting an event at the lighthouses. The Amateur Radio (Ham) operators are licensed to transmit on certain frequencies. Besides providing emergency communication for the County, assisting with medical communications at walks and runs and weather spotting, we find ways of practicing to communicate. One of the ways is by promoting an event. All this is done as volunteers. What we are planning to do is to promote the two Grassy Island Range lights at the Yacht Club. We call this a "Special Event". In a national radio magazine and international web site, we list the Event giving the date, time, location and frequency. On that day, we transmit calling sending "Grassy Island Range Lights Special Event." Other operators would contact us and we will log their information. When they send us a self addressed stamped envelope we will send them a certificate with the contact information and history of the Lights.

Y'all come on out and see us some Tuesday night, especially for Dave Nelson's birthday.
