Greetings from the Commodore Gary Kuschel

I hope everyone is enjoying this nice summer weather, and getting to use your boats. Being the dog days of summer, we, as a board, figured you all must be getting sick of seeing and hearing us, so we will not have an August general meeting. I do have a couple of reminders though, 1) Appropriate dress in the clubhouse, shirt, shoes, cover ups, are needed, when inside. 2) No minor children in the club without a parent or guardian. 3) Not everyone has the same taste in music, or volume level, please consider others both at the dock and in the club. The Luau was a great time. Buddy and Donna did an awesome job, when you see them, make sure to thank them. The only odd thing about the event, was when I got in the dunk tank, a line formed with people waving dollars in the air, with my whole family in the front of the line. The summer socials are going great, July 29th is Ribeye, and on August 26th, is to be announced. Good food, good cause, good people. Try it, you'll like it. I'm sure I missed something, but knowing the rest of the board, I'm sure it is somewhere in this newsletter. Hopefully I'll see you all around the club. Till next month, Gary

Enjoy the rest of your

Fleet Captain Dan Emmel

This is going to be short and to the point. First I would like to thank Buddy Paul for use of his bobcat to spread gravel around the GBYC property. It saved us a lot of time.

If you have a trailer stored on the grounds of the GBYC you must buy a storage sticker, no exceptions, or you could find a lock on your trailer. Yes, that is a winter storage application in the August DockLine, isn't that sick? Seems like summer just began! Enough said from the Fleet Captain, i am out. Enjoy the rest of summer.

Entertainment Heather Heil

Happy August! This month please join me in giving thanks to Buddy & Donna Paul for organizing the Annual Luau on **July 11th**. Approximately 120 people participated with some new elements including an ever-popular dunk tank, 2 bands, the Parrot Head Club, and a hula-hoop demonstration. We also enjoyed the revitalized pig roast tradition. The money generated from these events helps you, as investors of the club, sustain a healthy club and it can help in continuing to keep our fees down. Thank you for the support and for introducing your friends and family to our club. Packer fans gathered on **July 18th** to watch #4 take his place in the televised Hall of Fame ceremony. \$4 specials were available and as usual, fun was had by all. July ends with a "Summer Social" headed by Jay Zahn and crew with Rib Eye Steak on July 29th. Proceeds to benefit the 2016 GBYC St. Baldrick's Team and the August "Summer Social" will be Wednesday, August 26th.

UPCOMING EVENTS:

We start the month with the GBYC Dinghy Poker Run on Saturday, **August 1st** starting at Noon. Dinghies of all sizes welcomed and don't forget your water balloons and pistols. Pirate gear is strongly encouraged. This is a pre-registered event and you may do so on the bulletin board with a \$10 entrance fee to be collected on the 1st. We leave the club at 12:30 p.m., with five destinations to collect your poker cards- best hand wins half the net proceeds. Pizza at the GBYC to follow for registered participants. **NO RAIN DATE.** For questions please contact Gene Francisco at gene.francisco@ymail.com. **Coming in September and October...** September 16th, Men's Smokers start (Larry Labine). September 19th, Fall Fest Golf Outing (Ken Lemerond). October 3rd, Yachtoberfest (Heather Heil). October 31st, Halloween Party (Jackie Manlick). *As a reminder if you are interested in serving on any of these committees (past, present, future), please let me know. I would be happy to connect you with the teams.

Sunshine and Sadness (Roger Gilsoul)

We sadly note the passing of a long-time GBYC member, George Verheyden:

Finally summer is here, better late than not at all. I know I have been trying to enjoy it. I would very much like to thank those of you that have helped so much with weed eating and mowing. It has been an incredible help. So many good people helping out, thank you. As for now we are trying to keep up with weeds at shore line and in the gravel parking area. If you help out, the Tsunami is for the shore line. Other larger container is for all else. Jorge is trying to keep up with water/shore clean up and ice. If you see him doing something right, please let him know. If we get behind please let me know. I will take care of it ASAP or get a hold of Jorge. So go out and enjoy our short summer.

Well to start with, I'd like to thank Kris Johnson for cleaning both the men's and women's showers! Also everyone that helped decorate and clean up after the luau, Great Job !! Also, if there are any problems with the AC please let me know so we can get someone to fix it in a timely fashion. Thank you again for every ones help in keeping the building tidy and continue to do so. Till next month enjoy your summer!!

Grassy Island Range Lights, Inc.

All is well that ends well. All is well that keeps on. Such is the way with your Grassy Island Range Lights. For those who attended Dave Nelson's birthday party, I'm sure you will agree it was a great time. Dave and Rita greeted guests in the South lighthouse. A cash bar was busy at the North lighthouse. Merlin did an awesome (although at times hard to hear) telling us all about Dave's 94 years. And we all ate cake. It was too beautiful to cut but cake is for eating. Thanks Dave for being you.

We had our first official tour bus from the United States Light House Society visit on July 19th. As we were the last stop on their whirlwind 8 day lighthouse tour they arrived very late and could only stay a short while (15 minutes.) They liked what they saw and got their passports stamped. The next visit from the USLHS is August 3 where we are the first stop on their Door County lighthouse tour. They are a smaller group and should have a little more time. We had a surprise visit from the New Jersey Lighthouse Society on July 18th. As no lighthouse keeper was at the club they left before Merlin and crew arrived. Impatient. We need to set some standards for the drop ins. More about that later.

Have you seen the new T-shirts? We have a bunch of 'em in red, white or blue for only \$11 (\$14 for XXL.) Stop on out some Tuesday night between 5 and 7 and check them out. And wear your work clothes and Head Lighthouse Keeper Merlin will find something for you to do.
