Greetings from the Commodore Gary Kuschel

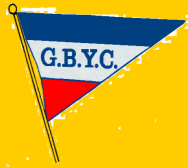

It's hard to believe, but Labor Day is already here. Where did the summer go? Hopefully everyone filled out their winter storage applications and returned them. The earlier we get them back the easier it is to plan where our professional lift crews will gently place your pride and joy for its hibernation. Smokers are starting up again with September being Larry Labine's famous Ribeyes. The sign-up sheet is in its usual spot. Sign-up early, you don't want to miss out on this one. With September, also comes Packer football. What better place than your own GBYC to watch the games. With our help how can they not go all the way? Remember to bring a snack to share. So lets enjoy the rest of the summer, I'll see you around the club. Have a fun and safe Labor Day!

'Till next month,
Gary

Fleet Captain Dan Emmel

Welcome to September, the season is getting very short. We had no board meeting in August so there isn't much new to talk about. Dock days will be Oct. 17 8:00 am. Tommy Nies will be working on a lift crew schedule. It will be posted at the club when done. If you would like to join a lift crew to get some hours call Tom. Don't forget to fill out and turn in your winter storage form with payment. It seems way to early to be talking about lift crews and winter storage but I am sure we will have some good weather in September and early October. Fleet Captain out, see you at the club.

Entertainment Heather Heil

"Ba de ya, say do you remember, Ba de ya, dancing in September!" Please help me in extending thanks this month to Gene and Gerrilynn Francisco for the fantastically fun and wet Dinghy Poker Run to VanBoxtels, Fox Harbor, South Bay and Hagemeister Park on Saturday, **August 1st**. 44 people participated and \$150 was generated towards our dock funds. **September 13th** at Noon we begin our official indoor Packer tailgates and bring a dish to pass. If you are interested in cooking, serving or selling brats for any Packer game this season, please let me know. **September 16th** begins the Men's Smoker Season with Larry Labine serving Ribeyes! Sign up on the bulletin board.

September 26th, FORE! Join fellow club members at the annual Fall Fest golf outing held at Royal Scott. The cost is \$50 a person. Please contact Ken Lemerond for more information and to play. THEN, that night from 7-10pm "The Geezer Band" plays at The Green Bay Yachting Club. **September 27th**, I will personally be renting the club for a "Stella & Dot" Jewelry party from 10am-1pm; this is NOT an official club event, however I would like to extend an invitation to you all. **October 3rd** brings out the German in all of us! It's the second annual "Yachtoberfest" sponsored by Innovative Companies Incorporated. Enjoy traditional polka music beginning at 3:00pm. Break out your lederhosen and drindels as we dance the night away with "LIVEWIRE" starting at 7pm! Tickets are \$10 and available for purchase from your friendly bartender. Food, steins and German beer will be available for purchase the day of. Back by popular demand we will have a best stumpf fiddle contest for prizes! And finally on **October 31st**, join us for a Halloween costume party at the club. **Coming in November:** November 7th, Veterans Day Ceremony (Roger Gilsoul). November 14th, Commodore's Ball (Renee Kuschel). November 28th, club decorating. November 29th, cookie walk (Angela Watkins).

Grounds

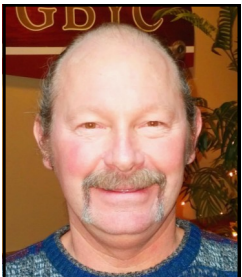

Mike Watkins

Hard to believe September is here. It doesn't seem like we really had a summer. All the rain though sure helped the weeds and grass grow. Jorge has done a great job keeping up, especially with all the members that have been helping, thank you! Don't know how much ice we need with these temps, but Jorge was making up some spare bags. Just in case we run out when he's not here, they would be in the club house freezer. Hope you noticed the flag up when he is in. I thought that was a good idea and we will certainly get a bigger flag for next year. Jorge has also done a good job keeping the shoreline cleaned up. If there is something we have missed, please let me know. Football and some meetings have all ready started. School should have started or will be starting soon. The sign of Fall. There have been a lot of members helping out with clean up, especially with the geese. Mike Skorczewski has helped with that a lot. Thank you! Unfortunately, I will start looking at winter issues. Let me know anything I forgot or missed. Hopefully we will have some good boating weather left.

Building

Jim Beaulieu

Hello September! Coming back from 2 weeks in Ft. Lauderdale's 100+ heat index, I don't mind a few cool mornings. I should be back for a few weeks now so if there is anything I missed or should know feel free to contact me via e-mail or phone. I would like to thank Kris Johnson for pressure washing the garage on the north side & anyone else that's helped out with the building issues in my absence! Thank You! There are still a few things I'd like to take care of before my term is up in December so I do appreciate all the help from our fine group! Other than that, bring on the Packer Football season !!

Jim

House

Kris Johnson

Boating season can't be long enough. The hot summer days are getting shorter. Head on down and get a great drink at the GBYC. We have plenty of choices to quench your thirst. If you are hungry, our Tuesday burgers are going strong. Thursday we have our Mexican menu with so many choices. Friday fish is always yummy. We have some frog legs in so they will be on the menu as long as they are hopping out of the kitchen. Sunday chicken is always a great way to fill your bellies after a long day at Longtail. Remember if you are looking for hours Todd is always looking for help delivering food. Please don't forget to tip our "cookie" and our bartenders.

Grassy Island Range Lights, Inc.

On Saturday, August 8th, the Green Bay Mike and Key Club set up their Emergency Communications Trailer between the lighthouses to commemorate the 10th anniversary of the dedication of the Grassy Island Range Lights, a day after National Lighthouse Day.

With overcast skies throughout the 9AM to 1PM event, the radio conditions faded in and out. When good, contacts were made in New York, New Jersey, Connecticut, Kentucky, Arkansas, Texas and California as well as others. A Connecticut contact, affiliated with the Amateur Radio Lighthouse Society indicated that the Grassy Island Lighthouses had never been activated before on the radio and is one that is sought out. The first weekend of August is Lighthouse Special Event Weekend all over the USA.

August was a busy month at the lighthouses with another visit from the United States Light House Society. One of the visitors was Wayne Wheeler, President of the USLHS. In his comments left in the guest register he stated "Beautiful and accurately restored, Bravo!" Its pretty exciting when the President, who stated he visits about 50 lighthouses a year, gave your lighthouses such high praise. And an unexpected visit of 50-60 children from South Korea in Wisconsin for an "English as a Second Language" program. The children were a rambunctious bunch and most were quite interested in the lighthouses and their history, and others just there for fun. Again in 2015, along with Yachtoberfest we will have an open house at the lighthouses. The time will be from 1PM to 5PM on Saturday, October 3rd. Please let your friends and neighbors know. We do not charge admission for the lighthouse tours unlike many other lighthouses, so it is a good deal.
