### Greetings from the Commodore

Gary Kuschel

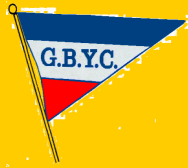

The March meeting will be one to attend. We will be voting on keeping gas here, and if we do, what size tank to purchase. Some different options are available. Look in Steve's article for more details. Voting is a valuable right, use it. Slip assignment for 2016 is completed. We do have a couple open slips, if you know of anyone interested, bring them down. Thanks to Rick Kofler for hosting the February smoker. His award winning ribs were just that. Heather and Kris hosted the newlywed game, a lot of fun and laughs were had by all. We even learned a few secrets of some of our members. (something about the pool table) Congrats to Jay Zahn for winning the chili cook off, and to Heather for winning the soup portion of the contest. All the entrées were very tasty. In March we have the hair today, gone tomorrow with corned beef and cabbage on the 12th. This event is a show of support to our GBYC team going to St. Baldrick's on the 13th. A fine group of men and women shaving their heads in the fight against childhood cancer. We also have the inter club party on the 19th, this year it's off to Manitowoc. We will have a bus, seating is limited, so sign up soon. For a complete list of events with dates and times, you can find that in Heather's article. Hope to see you all at the March meeting. You are what makes us a great club.

Gary

Everyone's Irish  
On March 17th.

So come on down to  
the club for happy  
hour.

### Entertainment Heather Heil

The 2<sup>nd</sup> “Oddlywed” game returned with our gracious host “Kris Eubanks” on Saturday, February 13. Significant others teamed up and competed at chances of matching answers with their spouse. Congratulations to Buddy and Donna Paul and Tom and Jodi Bentzler the winners of their respective rounds. Thank you Rick Kofler for the Ribs at the February Men’s Smoker. Sign up for the **March 16<sup>th</sup>** Men’s Smoker is on the bulletin board. Randy Slye and Jay Zahn are preparing a delicious steak dinner limited to 50 men. “Pat and Amy” returned to the club Friday, February 19<sup>th</sup>. We thank them for their fantastic music and fun that was had.

Things heated up on February 21<sup>st</sup> at the start of the Daytona 500 race with the annual Chili and soup Cook-off. Thank you to chefs: Dan Hietpas, Gary Kuschel, Randy, Andrea and Carissa Slye, Patrick Foley, Heather Heil, Jay Zahn, the Hockers and an unnamed “no-name” chili chef. The winner this year was the St. Baldricks organization!! Jay Zahn (Chili), myself (Chicken & Wild Rice), Larry Labine and Mike Stoller all donated their winnings to the GBYC team!! Side note, it is always appreciated when you bring a dish to pass. Please remember to clearly mark anything with seafood and/or nuts. We do have several members with food allergies. As I write this the “Fire On the Ice” party is on the horizon. It is going to be a low-key event this year, as we have not had anyone step forward to run it. Please remember that we are all volunteers and we always need your help to keep this club vibrant and to honor tradition. On Saturday, **March 12<sup>th</sup>** we will have a St. Patrick’s Day/Hair Today, Gone Tomorrow Party at the club to celebrate the brave souls shaving their heads for childhood cancer and to generate some funds with Corned Beef and Cabbage and live music from 3-6pm. Enjoy raffles and more. Team Labine will make the Corned Beef and Cabbage and you must pre-register to eat. If you are unable to shave your head but want to support the team, a t-shirt is also available for purchase to help generate funds. Sign up on the bulletin board by March 11<sup>th</sup>. Get them while they are HOT! March 13<sup>th</sup>, the BFF’s (Bald Friends Forever) will shave their heads at St. Brendan’s Inn. The Manitowoc interclub party is on Saturday, **March 19**. The cost is \$42 a person and includes the transportation and heavy hors d’ oeuvres. Sign up by March 6<sup>th</sup>. Jay Zahn, a past participant in the St Baldrick’s event is helping to raise money for the team with the 2<sup>nd</sup> annual “Zahn On Tap” event, Saturday, **March 26<sup>th</sup>**. From 4-7pm join your favorite Zahn’s at the club for an excellent time. Coming in April...**April 13<sup>th</sup>**, smelt fry (please note date change). **April 29<sup>th</sup>**, the 2<sup>nd</sup> annual “Zero-K Run”. This year’s theme, “We Salute America”, costumes encouraged. See you at the club fellow fun seekers!

### Grounds Robb Collins

This little bit of warmer weather can really get a person excited that we are one more month closer to dock days. I saw some motorcycle’s riding by, that might be just a little early. For some of us, this warm weather means the end of snowmobiling which is a little sad. I want to say thank you to Linda Nies for having a demonstration on the AED before the last general meeting. I hope all who were there learned something. Well I gotta go find some sun tan lotion just to be ready.

Happy St. Paddy’s Day!

## EASTER EGG HUNT

There are eggs hidden throughout this newsletter. TRY TO COUNT AS MANY EASTER EGGS AS YOU CAN. There are no eggs in the advertising. Answer: on the last page.

**Fleet Captain  
Steve Heney**

Hello fellow GBYC'ers! The feeling of ol' man winter finally releasing his grip is in the air, which means spring and boating season is right around the corner. Thank you to everyone who turned in a dock application. With the process changing slightly this year, meaning the deposit and such, there were a few matters that needed addressing, but nothing major and thank you to all for your cooperation and patience. Just a reminder also that you need to be a " member in good standing" and all dues and fees paid in full for final dock assignment, this includes membership dues. Please call me or send an e-mail if you have any questions on this, please be prudent on your status and accounts with GBYC, Jim Manlik may be contacted for account status. Keeping on the same topic, late fees will also be added to any delinquent accounts. If anyone has a concern or question on this please contact me. The Dock Assignment Committee has met and dock assignments will be posted shortly at the club. Switching to another very important and pending issue is the GBYC fuel system. The quotes are in from Petroleum Equipment and they are as follows:

Option #1 : 10,000 gal. Tank \$24,660.00

Option #2 : 5,000 gal. Tank \$20,512.00

Option #3 : 3,000 gal. Tank \$17,221.00

\*\*\*\* This pricing is complete with installation, all permits and includes tax.

I am urging everyone to attend the March General Meeting to vote on the GBYC fuel system, this is very important, pass the word and please lets get a great turn out for the March Meeting! Thank you, stay safe and see you at the club!

Steve

**Building  
Jim Thompson**

Hello members, this is Jim from the building. Just want to let you know everything is running smooth, except the beer cooler had a little problem, we need a new Compressor and evaporator. So if anybody wants to start a Go fund me page for this Go right ahead and get that started. There's been some early progress on the women's bathroom, thanks Jim, Jackie, Kris and Pat. So if you have any suggestions on the bathroom let me know and will run it through the mill and see if anybody else likes that idea. Other than that, I'll see you at the club.

**House  
Kris Johnson**

The weather is getting warmer and it sure is giving me the itch to get on the boat. It's almost here, but in the mean time Todd is cooking up a storm in the kitchen. Tuesday burgers are a great time to catch up with other members while taking a chance at playing pool. Thursday Mexican night is always good to get your eat on. Plenty of items to choose from. Friday fish is doing great, with plenty of perch in stock. Sunday chicken will be starting soon. I will keep you posted with updates. Please feel free to use the table and chairs in the dining area. I only ask to clean up after yourself and put tables and chairs back in place. Thank you.

## [Grassy Island Range Lights, Inc.](#)

One of the greatest assets of your yacht club lies to the west end of our harbor, the Grassy Island Range Lights. Since 1966 they have been on the club's property. The taller of the two was used for several years as the cloak room for the club house. After the current clubhouse replaced it's predecessor, the lights fell into disrepair. Members of your club decided they were worth saving. They were moved to the current location on the break wall on the west side of our harbor. Then the work began to restore the structures to their current condition. Ongoing maintenance is required to keep them looking good.

Many of our members over the years have been active in the restoration and maintenance of the lights. Most of the current "lighthouse keepers" are of such an age that they are concerned who is going to maintain the lighthouses when they have passed. This was reinforced with the passing of Lighthouse Keeper Jack Hanitz this last week.

If you enjoy the sight of the lights as the sun sets in the west and the lights at night, then you are a lighthouse keeper wannabe. As a yacht club member, you have an opportunity to get involved. Washing windows, scraping and painting, scrubbing floors, no task is that tough but need to be continued. And it's even fun. Really! Talk to one of the active lighthouse keepers now, or send an email to [grassyislandlights@yahoo.com](mailto:grassyislandlights@yahoo.com) requesting what you can do. Let's all actively enjoy our lights.

Answer: 28 eggs
