### Greetings from the Commodore Gary Kuschel

I want to thank the handful of members who showed up to May's general meeting. Things do get brought up, talked about, and sometimes even voted on. If you're not there, it's hard to complain. Not that I would ever see that happening. So show up, opinions matter. Thanks to Kris and Pat for all the work they did, and are still doing, in the garage. It looks great. Volunteer, it keeps our club both fun and inexpensive. The grand smoker meal was awesome. Watch Heathers article for the summer social calendar dates and menus. With the harbor getting full, please be on the lookout for children (and adults), at play. Slow down and enjoy the view. You've probably noticed there now is a \$10.00 minimum on debit and credit card purchases. With the fees now charged by the company's it has become a necessity. Our gas tank is scheduled to be installed June 6th. Give it a workout this summer by buying lots of gas. Hope to see many of you at the June meeting.  
Till next month,

Gary

### Entertainment Heather Heil

Happy June! If you missed the May meeting, we reminded the membership that there are numerous avenues that the club communicates through. Email, A Facebook Page, a monthly newsletter that is mailed and emailed, we hold a monthly general meeting and last but not least...you can come to the club and talk to fellow members about what's new and exciting! If you are still not receiving emails through the weekly "Duck-o-gram"....we invite you to email him. Dan's email address is : [infoduck@new.rr.com](mailto:infoduck@new.rr.com) (Thank You as always Dan!) The GRAND smoker has come and gone. Thank you to Rick Kofler and all of this "smoker season" chefs.

The second annual "Zero-K" run on April 29<sup>th</sup>, treated us to a very FUN evening for over 50 registered participants. Thank you to all who helped in planning, executing and participating. It really does take a village and I also want to give a "shout-out" to all of you that invited guests to participate. We will be welcoming new social members soon!!! Bravo!! The highly anticipated 142<sup>nd</sup> Kentucky Derby Party was beautiful! Thank you to our hosts, Donna and Buddy Paul. All were dressed to impress. To see photos, please visit our facebook page. We hope you enjoyed your Mother's Day. Thank you to Andrea and Randy Slye for spearheading the huge brunch undertaking at the club. We know they had an amazing "lighter" crew this year, they *really* worked their backsides off and we thank each and everyone of them. A special Thank you goes to Steve Rieck at "Dad's Liquor" for all of the food donations helping to keep this event cost down. The 2016 GBYC Fleet has officially been blessed! Thank you Father David Plier, Judy Smits and entire team for really making this event special again! These events take a lot of time to plan. If you see an upcoming event that interests you, please consider helping out your fellow members. Our hats off to you "Mother Judy"! June 4<sup>th</sup> we welcome back the GBYC motorcycle and custom car ride spearheaded by Paul Buntin & Tom Nies. The cost is \$15 per vehicle to participate and includes 1 beverage at the club and pizza after. Any remaining proceeds will be donated to the Golden House. The ride leaves at 10am and returns at 5pm, please sign up on the club bulletin board by May 30<sup>th</sup>. On June 15<sup>th</sup> we welcome back the "Summer Socials"! Jay Zahn will be hosting the first one and sign up at the club!

Coming in July: The July 16<sup>th</sup>, "Harboritaville" event is still looking for a lead to coordinate decorations; please contact me directly if interested. Thank you Curt Naegeli for stepping forward to run the food for this.

### Grounds Robb Collins

Hello every fellow boater. We still need a gas dock attendant. The duties are pump gas, cut lawn, weed whack, bag ice, light clean up. The hours are Wed, Thurs, Friday from 4:00 pm to 8:00 pm. Sat, Sunday from 9:00 am to 3:00 pm. For a total of 24 hrs per week at \$10.00 an hour. A collage or high school student would be great. Maybe even two people to split the hours so they work every other weekend. Right now I still plan to be at the club every Tuesday from around 4:00 to 6:00 for anyone who wants to help keep our club looking beautiful by putting in hours cleaning up the grounds. So come on down work an hour then go inside for food and drinks and maybe a laugh or two. See you at the club.

Summer is here. Boating season can finally begin. The ice bins will be filled for your convenience of \$1. If they are low feel free to bag your own for \$.50 and bag a few extra for the bins for some hours. If you need a six pack or a bottle of wine for a river run our bar can hook you up. Prices are on the sheet under the till. Our popcorn machine has popped. I have a new one on its way. Will be back in operation ASAP. Please remember while enjoying the free popcorn to put it in your mouth not on the floor. Todd's lineup is Tuesday burgers, Thursday mexican, Friday fish, and Sunday chicken is here to soak up your Sunday Funday trip to Longtail. Thank you for supporting our club. Have fun, boat safe!

[Grassy Island Range Lights, Inc.](#)

Lighthouses are beacons in the night for those out at sea. They ensure that boats enter harbors safely and serve as markers for hazardous coastlines. For this purpose, the Grassy Island Range Lights were commissioned by Congress in 1866, the lights were built in 1872 on Grassy Island, 1.5 miles north of their present location. In 1966 they were transported from the island to the north side our yacht club harbor. They were moved to their current site in 1999 when the "Lighthouse Keepers" began restoration. Each structure is lit with a sixth-order Fresnel lens. The lights were placed on the State of Wisconsin Register of Historic Sites on October 15, 2004 and the National Register of Historic Places on November 5, 2005. Where do old lighthouses go to retire? How about the Green Bay Yachting Club? We are privileged to be the retirement home for these stalwart fixtures. And no Medicare. Contributions accepted.

**Fleet Captain  
Steve Heney**

Hello fellow GBYC'ers  
Well, the harbor is filling up nicely and most all the GBYC slip holder's are in the water. Thank you to all the Lift Crews and Lift Crew Chiefs for their diligence and hard work. All boats were into the water with no issues and all went smoothly, no problems at all....thank you.  
Finally summer weather is upon us and boats are heading out to Longtail and other destinations down the river, so the boating season has definitely began. The gas tank is on schedule and will be placed on site on June 6th, with a 2-3 day installation so we should have gas mid June.  
Thanks to all for your patience.

Just a reminder to slow down in front of the club as foot traffic has increased and more children will be at GBYC, so please watch your speed and pay attention around the Harbor. Please remember to get your trailer stickers for those who need them, \$75.00 plus tax, see myself or MarLynn for a trailer sticker pass for 2016....thank you.

Just a reminder as well, to be courteous to other members and only park one vehicle in front of your slip with overflow parking on the gravel or in the club lot.

Take care be safe .....and see you at the club.

Steve

**Building  
Jim Thompson**

Hi this is your friendly building guy wishing you all a great boating season. The house is running like clockwork thanks to me. And other members who really do help out a lot. You know who you are. Thank you.  
Happy Father's Day to all you dad's out there.  
Boat safe and we'll see around the club.  
Jim
