OCTOBER 2018

Greetings from the Commodore Jim Manlick

Greetings to all and Happy October. It seems like it was just spring Dock Day and here we are lifting boats and getting ready for fall Dock Day. If you've been to the club lately you've seen the equipment and materials arriving for the lighthouse project. Things are going to be tight this year for storage so listen to what Steve has said repeatedly and move or remove anything that you haven't paid for to keep at the club.

Fall brings plenty of activities to our club, including Packer games, the return of smokers and the great Veteran's Day event. Please plan on attending any or all of these events or better still, volunteer to help. I would like to take this opportunity to invite all of you to our annual Commodore's Ball which will be held on November 3rd. Tickets for the event are \$30 per person and include a delicious meal from Renard's Catering and music by Fork in The Road band. Menu details and tickets will be available soon. If you've never been to the Commodore's Ball or haven't attended in a long time it's worth it to see your fellow members in something other than shorts and tee shirts.

It's also time to start thinking about the GBYC annual meeting in December. Your club is going to need members to serve on the board for the upcoming year and beyond. I encourage everyone to think about throwing their name in the hat and becoming more involved. We are also looking for input on the dues and fees committee. We need all of this set by the November meeting to vote on in December.

Have a great month and see you at the club.

Jim

Entertainment Gary Kuschel

Here it is, the end of September already, where did the year go? It seems like yesterday we were putting the docks in place for the boating season. I would like to thank Larry and Matt for their great job on the first smoker of the season. Thanks to Ken and his crew for yet another entertaining golf outing. October brings us karaoke on the 5th (unless they change it again). Autumn Fest on the 6th. Thanks ahead of time to Tom and Linda Nies. Ace Champion cooking class the 14th. The smoker is on the 17th, and **Booyah** on the 24th, with Dan Laubenstein and crew.

If someone wants to plan a Halloween party, let me know. We usually have some ghosts and goblins. As I always wait until the last minute to write my article, (because I love doing it so much), I'll tell you a little bit about November. On the 2nd is karaoke, November 3rd is our Commodore's Ball, a great event, look for details soon. On the 10th of November we are again hosting our annual Veteran's ceremony. Come on down and honor our patriots. Then on the 21st, is the smoker. As you can see, lots going on, with many opportunities to get hours and meet new friends.

Till next month, Gary

House Jay Zahn

I should have stayed in bed today with a pillow wrapped around my head instead of waking up to find a nightmare of a different kind. She went away!! This just doesn't seem to be my day.

In this case, the she is summer and it is officially over. The Yacht Club continues to deliver though. Tuesday and Thursday specials along with Fish Fry's on Friday. Look for Todd to be doing Saturday afternoons starting after dock day. October will see the Whisky Chick Karaoke start up again on the 5th. Also pool league later in the month. Drink specials for all the Brewer playoff games. "Go Brewers". Come on down and enjoy the club.

I would like to thank Larry and Matt Labine for making the September smoker a success. Up next, Chicken in a Barrel with all the fixings on October 17th. Sign up sheet posted on the bulletin board. Also the first person who can name the group from the sixties that sang the verse at the start of my letter will get a free frosty mug of beer courtesy of Dan Laubenstein. Until next month.

Go Pack Go!

Grassy Island Range Lights

The day is near. Bids are in. Contracts are signed. Waiting on the US Corp Of Engineers to give their blessing. One month later and we are still waiting. Sorta. Michels, the major contractor has moved a bunch of their equipment to the south side of the harbor. Looking straight up from slip 57 I see the boom from their big red crane. Somewhat disconcerting. Hopefully this will all come together BEFORE this hits the mail. Meanwhile, there is a lot of work to do. The west and south side docks will have some boards removed to allow access to the below structure, to allow the electrical contractor to string the heavy cable required to return the full service to the docks. Some is part of the retaining wall project and some is due to WPS mandating the dockside power be brought up to date (read that GFI.) There are other things needing done. Thinking about it, the contractor needs room to haul 55 foot lengths of sheet pile to the breakwall. There are things in the way. Gotta be moved. The house mover requires the full width of the road to the lighthouses to move them to the south side. There are things in the way. Gotta be moved. Some of these things are the tasks of the contractor. Some of them are the club's responsibility. Merlin and the lighthouse keepers are pitching in. Hopefully by the time you read this most of the work will be done. If not, "come on down." Merlin will put you to work.

Couple weeks until Dock Day (Oct 13.) Busy, busy up to and including that date.

Grounds

Dawn Demeny

Ahoy everyone. Well the fun is coming to an end, sad to say, but there are still things that need doin'. Joey will be here regular hours until October 12th. Then Dock Day on the 13th and we would like a group to help with redoing the children's play area. So if that's of interest to you, we'll see you then. I'm also looking for bulk rubber chips for the playground. I believe the ones that are there now are brownish but not sure color matters. We received a notice from Van's Waste. There is too much garbage in the recycling bin. If you're not going to sort it, put it in the trash bin. We will be getting billed extra based on how much there is. If you're not sure what goes where, there is a poster on the bulletin board. On the same note, you may be saving yourself money but you will be costing the club money by putting things like tires in our dumpsters. They know, the man is always watching! Regarding the east shore project, the current plan is to remove the landscape stone on November 11th in the morning. We will save as much as possible to be reused. So a few people to help with that would be great. We will have a skid steer available for this project.

Karaoke

Is Back!!!

Sunshine & Sadness - Roger Gilsoul

Our sympathy to Merlin and Fatima Baenen on the untimely passing of their son, David. On behalf of the Club, sincere condolences to the entire family at this difficult time.

Condolences are extended to GBYC member Pat Besaw and his entire family on the recent passing of his mother, Bernice.

Our sympathy to Sherry Schmidt and her entire family on the passing of her mother Margret Schmidt

It is also with great sadness with the passing of Roger Gillis, a former Green Bay Yacht Club Member, and father/father-in-law of Tony and Mary Gillis.

Membership Committee

Sheldon Carr

I am formally organizing a membership committee. I would hope to have a committee of 4 to 6 people meeting monthly. We would meet to discuss and formulate plans that proficiently and economically promote the Green Bay Yachting Club to new prospective members. Meeting day and time would be discussed after members have signed up.

Well,....G.B.Y.C. Lift Crews are in full swing and the sound of the TRAVEL-LIFT is filling the air as the leaves start to fall and we prepare for our upcoming construction projects. If you haven't submitted a 2018-2019 Winter Storage Application with your check "paid in full" for G.B.Y.C. storage, please do that soon, especially if you want your boat in a certain location at G.B.Y.C. When signing for a lift out, please remember to sign at least 24 hours in advance and also include your "CELL PHONE NUMBER".....this is very important for crews to organize and maintain efficiency. Also remember,.... as you

decommission your boat on G.B.Y.C. grounds, it is your responsibility to properly dispose of gear lube, oil, tires, batteries and anything else you replace or change out on your boat. Dock Day is approaching quickly,OCTOBER 13TH IS DOCK DAY! Please make a note of it as there will be plenty to do with the upcoming construction projects, dock placement, yard clean up and general maintenance. I hope we have a great turn out and THANK YOU! The "Shrink Wrap" sign up sheet is up on the bulletin board by the Lift Log and Dock Holder Log books, please sign up soon if your boat needs to be shrink wrapped. Lastly, please be courteous and patient with our Bartender Staff, especially at peak times, they do a fantastic job! Well, that is all I have for now..... take care, be safe and we will see you at the Club!... I'm Out!!!
Steve
