APRIL 2019

Greetings from the Commodore Kris Johnson

We have been forced to succumb the levels of water like the Laurentide ice sheet glacier that created us. With both the water levels and debris floating amongst us. We can all band together and preserve our happiness another month until our first "boat" harbor splash. Our summer prep time is right around the corner. Anyone looking to get hours in can plan ahead and talk to our corresponding board members for help. Our D.A.R.N project is going as scheduled thus far. We have almost finished re-facing the South side docks. The West shore that is to be created is in the development stage. We have them removed from the harbor and being prepared for reconstruction. If you still have not acquired your hours, contact either myself or Pat Foley and we can work a time and project for you in the coming weeks. I cannot thank the people enough that show up every week to help with this project. The talents that each member brings to share within our club is remarkable. Each in their own way serve the club with many volunteer hours and special expertise, that makes even the most difficult project a joy to be a part of. We look back at members still with us, and others who are with us in spirit. We have created so much greatness here through the years and have made us the club I am proud of today.

Kris

Gary Kuschel

I'm writing this after just leaving the chili cook off, so I'll apologize ahead of time for any odors. Andrea Olson did an amazing job hosting this event. I think I tried 17 different chili's. If memory serves me right, Steve Weise got 1st place, with Terry Quatsoe getting 2nd place, and Kent Henderson family taking 3rd place. Thanks to all that made chili and all those who attended. March was a busy month with lots of events. Thanks to all the Chairpersons for making fun happen at our club. Looking ahead, on April 6th is Zahn on Tap. They donate money from this event for next years St. Baldrick's event. May 4th is the Kentucky Derby at 3 p.m. Hosted by the Lemeronds. May 18th is the Blessing of the Fleet, hosted by Judy Smits. So mark your calendars for these events and we will see you at the club.

Till next month,
Gary

House

Jay Zahn

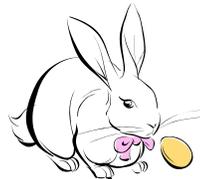

Greetings!

April brings the nice weather. Hopefully? It also brings with it the start of Sunday Chicken at the club. Sunday Chicken will start up on the 7th. That also means we stop the Saturday lunches. We still have pizza and chili available.

I would like to thank Dan Hietpas and his crew for a great Smoker in March. April smoker is set for the 17th. The sign up sheet will be in the back. Entrée of choice is juicy rib eye.

Would also like to thank all the members who stopped out to support the Hair Today Gone Tomorrow Benefit. It was a great success. Thank you for your support! Until next time. Go Brewers!

Sunshine and Sadness

With sadness we note the passing of Jerry, "Fish" Broekman, Jr. Fish was instrumental in many of the improvements to the docks and the grounds. He will be remembered for his "Fish-isms" and missed by all who knew him.

Grassy Island Range Lights

Boing! Spring has sprung. Flooding everywhere. WOW! So, is it cyclical or global warming due to us humans? Now there is a subject to debate over a beverage. Understand the sheet pile is all in, now time for the walers (whatever they are?) and the cross ties. Then fill and the rest of the work. The dude in charge of the project has told our Mead & Hunt engineer that the majority of the work should be done by May 1. Except perhaps some of the landscaping. Hope so as my boat and others are parked in behind the lighthouses. With the work that has taken place on the docks, the new dock layout on the west end, the pedestals, the work on the east end of the harbor the whole place is going to look spectacular! Looking forward to the Welcome Center between the lights. The reality is that there will be a lot of work to be done with the landscaping around the harbor and the work around the fire pit, there will be lots of opportunity to get hours in. Are you getting excited yet?! I sure am.

Fleet Captain Steve Heney

Ahoy Fellow G.B.Y.C.'ers!!!

Well, spring has definitely sprung and here comes the 2019 Boating Season!!! Yee-haa!!! ;) Anyway..... Thank you to John Kennedy, Larry LaBine, Dan Emmel, Gary Kuschel, and Art Gage for your expertise in the Dock Assignment Meeting. The Docks have been assigned and the Assignment Sheet will be posted shortly. I want to thank everyone that applied for a 2019 dock at the Green Bay Yacht Club. This year was the best thus far as minimal phone calls needed to be made and just about everyone had their dock deposit in on time. Thank you very very much. The process goes so much smoother. There are a few that owe yet for the deposit although not many, please forward your check soon, thanks. The G.B.Y.C. Harbor is approximately 85 - 90% full with a few pending inquiries. I know there has been much talk about the dock deposit checks not getting cashed. It has been addressed at recent Board of Directors Meetings, apparently it is a accounting issue with Quick Books. I will continue to work with our dock holders and members to make sure that they receive the best in member satisfaction along with keeping the best interest in G.B.Y.C. in mind. I would like to echo the thoughts of John Kennedy at the recent General Meeting. When I became Fleet Captain I decided on the implementation of the \$250.00 deposit due at application time due to past issues at dock assignment time. Well , it is working and working pretty well, and John Kennedy agrees. I will continue to iron out some minor issues, but believe me it does really help G.B.Y.C. a lot. I have been in communication with Tom Nies and we will be meeting soon on scheduling 2019 Lift Crew Assignments. They should start by the end of April, first week of May. Stay tuned! The Travel Lift was "un- shrink-wrapped" this weekend and gone over by Dan Emmel, thank you Dan! We need to do some repairs to the 'Travel Lift' this spring so I will be contacting 'Travel Lift' soon as a full inspection was done in Fall. I will consult with Tom Nies and Dan Emmel on what issues / repairs will take president in repair. I am watching the current fuel market and will be ordering a Spring fuel shipment very shortly. Reminder: Please properly dispose of all waste items as we start to commission our boats for the upcoming boating season. We have a great yacht club and I'm proud to be a part of it!

Well, that is all for now. Please stay safe and take care, and I will see you at the Club!!!

I'm out!!!

Steve

Well the boating season will start soon. Because the ice is going out, I know this firsthand because I fell through it this past weekend. The club seems to be running well so I guess whoever voted for me did a good job picking the Building guy. This will be my longest letter because Ken Lemerond said mine are always really short. Well this month he's wrong, and I also got it in two days early so he has more time to edit it. Which he will need because it's four times longer than any other time. Thanks everybody who watched me struggling to get out of the ice hole and held their laughter till I was safe. Hope to see you all in the club spending your money wisely across the bar.

Grounds
Jason Dorner

Hello fellow GBYC'ers!
Mother Nature is finally cooperating, and we are able to see earth again without all of that white crap. Dumpsters will be here shortly, if they are not already. And soon we will be ready to put the grounds back in the shape that it was last season. A special "Thank You" to all those that have helped salt around the club to keep it safe and keep the doorway shoveled and clear. Extra prayers and happy thoughts that Mother Nature doesn't dump on us this April again!
See y'all at the club,
Jason
