*I really want to start with a **Huge Thank You** to Everyone who attended my Commodore's Ball !! And an even **Bigger Thank You** to Everyone who helped us ! You don't know how much this really meant to us (I'm tearing up even writing this). Julie likened this to preparing for a wedding! We were married on the beach in St. Thomas which was waaaaay easier !*

*Speaking of Helping we could never have pulled this off without 9 of Scott & Kristy DeGeest's close friends !! They were our chefs and servers and meat cutters and we cannot **Thank them** enough!!!! The meals were Remarkable ! Not to mention our ironing and table setting crews! Another Thank You to everyone who set up tables and took them down and especially the cleanup crew Sunday morning as both Julie & I were in no shape to do anything til NOON ! This was a record setting event on an*

Epic Scale !!!!!

Julie is thinking of next year already! Maybe..... ?

Hello to All !!

Docks days are fast approaching ! Those who need their hours and are not working closely with that project Please bring your yard weapons' of choice !! There is a lot of yard debris and weeds to take out your anger on !

Also I will have an impromptu meeting of those bodies that are interested in helping with our **Memorial Garden.** Thank You ! See you Soon

Jason Dorner

**Grounds Guy
Jason Dorner**

Dock Days will be on October 16 th. **All** boats must be out of the water by the 14th which is the last day of lift crews. Hopefully we will have good weather. Bring work gloves and yard tools to clean up the grounds. If Saturday doesn't work we will try Sunday. Food and drinks will be served at noon. See You There !!

Pat Bender Head of House

Hello everyone ,I just wanted to start off saying Thank You. As our chicken on Sundays have been very good. We plan on continuing it as long as we still have you coming down for it. We will try to keep it fresh as we pick it up weekly. October is the month that the boats come out and the pool league starts. Its nice to see so many people come down for the Packer games. It is a lot of fun. It would be Awesome to get something else going like Cornhole. Also I would like to bring back date nite so let me know your thoughts. We really had a great time with them. Thanks again for your support! Thank You Pat Bender

Building Guy Jimmy T

Building Guy/Vice Commodore

We repaired the air conditioner at the club. I will be working on the sink in the woman's bath room.

See you at the Club

&

This month's Men's Smoker
keep your eye out for the
Duck Date !

Your Business card or advertisement here !

As a member of the Green Bay Yachting Club, the owners of the Grassy Island Range Lights (you!) you can become a docent for the Grassy Island Range Lights. There are over 70 slips in our harbor. Probably at least 2 people in the boats occupying those slips. If each slip took one weekend day (Saturday or Sunday) to share the lighthouses as a docent we could cover the entire summer of weekends without too much of a hardship on your boating season. And you get hours for your effort.

The coverage dates would be from Spring Dock Day to Fall Dock Day. In 2021 there were 31 weekends between Spring & Fall Dock Days. 31 times 2 is 62 days to cover. With 70 slips it should not be a hardship for the dock holders to become lighthouse keepers for a day, The process and procedures will be documented and shared before your day. Please think about it. A signup sheet will be posted with the dates for 2022 sometime before the Spring Dock Day,

And you can invite your non-boating friends to become docents. Yes, spread the word. The Grassy Island Range Lights facebook page includes information regarding the docent program and how to get involved. Check it out.

SEE OTHER SIDE FOR RATES. Return no later than **September 1, 2021.** Payments and insurance certificate must be received before boat will be lifted – NO EXCEPTIONS.

BE SURE TO FILL OUT AND SIGN THE OTHER SIDE OF THIS FORM

GBYC Storage Winter Agreement Contract

This agreement is made between the Green Bay Yachting Club, Inc (hereinafter GBYC) and the member in good standing (hereinafter "Member"). That Member wishes to store his/her boat at the GBYC land storage facility during the 2021/2022 Winter Storage Season which starts 9/1/2021 and ends 6/1/2022. In consideration of said storage, Member agrees as follows:

1. To prepay the winter storage charges as calculated here on this document.
2. To keep the stored boat insured at all times against claims for property damage caused by said boat or damage to said boat.
3. To remove the boat from storage by June, 1st, 2022. If the boat is left stored after June 1st, 2022, an additional Summer Storage Fee will be charged equal to one-fourth (1/4) of the total winter storage fee (excluding lift-out/lift-in) per month until October 1st, 2022, at which time the next Winter Storage season contract will be charged according to the prevailing rate schedule.

If summer storage is requested due to hardship or extenuating circumstances, the Fleet Captain must receive a written letter from the member requesting that he/she be allowed to keep their boat on shore. This letter must include an explanation of why the boat must be kept in storage and what arrangements will be made to do something with the boat in the future. The Fleet Captain will then review your letter (with the board if necessary) and decide if extended storage is to be allowed.

4. That GBYC shall have a lien upon said stored boat in the amount of the unpaid storage charges until the storage charges are paid in full. That member shall pay said unpaid storage charges prior to removal of said stored boat from the GBYC land storage area.
5. That at such time as unpaid storage charges accrue to a total of \$750, GBYC will send written notice to Member and to any secured parties identified by Member of this agreement pursuant to Section 779.43 Wisconsin Statutes informing Member and the lien holder of what steps must be taken to secure release of the stored boat. That in event said storage charges are not brought current within 30 days after the mailing of the written notice referred to in this paragraph, GBYC may enforce its lien as provided for in Section 779.48(2), 409.501, and 409.507 Wisconsin Statutes. All mailings will be to the address of the Member listed on this Agreement and to the address of the secured party listed on this agreement.

2021/2022 WINTER STORAGE FEE CALCULATION

All storage and associated fees are due with the application. You must pay for the following;

Lift Out (Fall 2021) \$2.75 per foot Boat length _____ X \$2.75 = \$ _____

Lift in (Spring 2022) \$2.75 per foot Boat length _____ X \$2.75 = \$ _____

Pressure Wash Bottom = \$ **5.00**

_____ x _____ = _____ Sq.Ft. x \$.55 = \$ _____
Boat Length Boat Width

(Round up to the next whole number.)

Subtotal \$ _____

+ 5.5% Sales Tax \$ _____

Total Paid With This Application (including pressure wash) \$ _____
