*November is upon us weather we like it or not! Hopefully everyone has finished winterizing their boats, homes, cars, & Trucks ect .... Our harbor is all tucked in for the winter Thanks to Everyone that helped!*

*Looking forward our club Never Sleeps unlike many other marinas!! We have a virtual cornucopia of fun & exciting things going on all winter long*

*Please consider helping out with the Veteran's Day Event either in person or via a snack for those attending to enjoy. It takes alot of people and energy to make this memorable event happen every year. It you have never attended you Must come ! It is a moving experience.*

*Also later that same day save some energy and vocal cords to sing Karaoke with Wade Harris ! Come on down and show off your talents at singing ,humming, & drinking !! Speaking of a cornucopia this is the month we all celebrate the Thanksgiving Holiday. Try and look for all the Good things we can be thankful for this holiday and every day !!*

*Also with the new year coming soon we have alot of things coming for 2022 including a new Handbook with a few changes, If you have a new boat, new name, new address ect.... please let us know as we would like this to be the most up to date informational book on the planet.*

*And last but not least don't forget to show up for this months General meeting on Nov 11th which is Veteran's Day 7:00 pm sharp. This is when new board members are nominated to help steer this massive vessel we call The Green Bay Yachting Club !*

Thank You ! Your Commodore Jim Bealeau

## Hello to All !!

the season has officially come to a close. I want to extend a huge Thank You to all who participated in our fall dock days! Even though I was at work, it looks as though it was a huge success !!

With our Veterans Day event coming up, any yard work touchups that anyone sees please feel free to jump in. We want "Our Club" to represent our passion and excitement towards this event.

Now that all the boats are on Earth.....our storage area should be empty except for any of the Lighthouse equipment. With that being said.... please come and remove your belongings. As we will dispose of what we can't sell or rent!

A friendly reminder as we are pet friendly , Please pick up after your pets. Landmines have been found and are not appreciated. Also to the smokers ..... and to the members that bring smoking guests...PLEASE USE THE BUTT BUCKETS!! Send me an email or text if you feel we need more butt buckets.

**Grounds Guy  
Jason Dorner**

## Fleet Captain Dan

Thank You to all that helped on Dock Days including the people that helped cook and serve food & drinks ! Make sure your storage applications for winter are in and paid for. There are copies of storage applications included at the end of this newsletter or available at the club. Please remove changed oil and old batteries from the club grounds. Also do not leave boats plugged in if your not on the club grounds Thank You Fleet Captain---- Out

Pat Bender Head of House

Hello everyone, its November, time to come down and get some Hot food to warm the insides. It helps to wash it down with some cold beverages also. Pool has started and we are getting a lot of interest. Its nice to see the women coming down and getting involved. Come down and join the fun. For something new on the menu I have been thinking about wraps, chicken or veggies. Please let me know what your thoughts are. Thankx Patrick

## Building Guy Jimmy T

Building Guy/Vice Commodore

We now have a new wi-fi system in the club and the harbor ! Thank You to Mike Skorczewski and Alex Nocenti ! Everyone knows Mike AKA(orange shorts ) but not our new social member Alex. Mike and Alex donated alot of time in getting this system up and running so when you see them please thank them. Also Alex and his partners have started a new Tech assistance Company so please help them out by spreading the good word !

Golfing is coming to a close so you will see more of me and the other Tiger Woods around the club! Come on down and shake away those Winter Blues with a few drinks and dice games !

*See you at the Club*

They say "Autumn is another spring when every leaf is a flower." Our boating season has come to an end and winter preparation has begun. Lets appreciate our families in other ways. This year on November 6th the Green Bay Yachting Club will create another spectacular event to honor our men & women in uniform, past , present, and future. Thank You. Also Thank You to the Veterans Committee and volunteers that make this event possible. November 17th Curtis Baeb and friends are preparing ribeyes for the Smoker. November 19th, Pat and Sara will grace us with their voices and smiles while you enjoy a delicious Friday fish fry. Wish everyone who participates a safe harvesting of venison. We then have our appreciation for our harvests and blessings this year. Happy Thanksgiving! The Children's Christmas party will be on December 4th. Please signup the kiddos on sheet in the hallway.

## Grassy Island Range Lights

As a member of the Green Bay Yachting Club, the owners of the Grassy Island Range Lights (you!) you can become a docent for the Grassy Island Range Lights. There are over 70 slips in our harbor. Probably at least 2 people in the boats occupying those slips. If each slip took one weekend day (Saturday or Sunday) to share the lighthouses as a docent we could cover the entire summer of weekends without too much of a hardship on your boating season. And you get hours for your effort.

The coverage dates would be from Spring Dock Day to Fall Dock Day. In 2021 there were 31 weekends between Spring & Fall Dock Days. 31 times 2 is 62 days to cover. With 70 slips it should not be a hardship for the dock holders to become lighthouse keepers for a day, The process and procedures will be documented and shared before your day. Please think about it. A signup sheet will be posted with the dates for 2022 sometime before the Spring Dock Day,

And you can invite your non-boating friends to become docents. Yes, spread the word. The Grassy Island Range Lights facebook page includes information regarding the docent program and how to get involved. Check it out.

Saturday, October 23rd the Grassy Island Range Lights hosted the board of the Friends of Plumb Island and Pilot Islands. It was a great meeting which I had the privilege of attending. ( they didn't ask me to leave ) They have taken on a monumental task restoring the structures on those islands. They are working in conjunction with the US Fish and Wildlife Service. Much work has been completed but there is much to do. Will be a Great place to venture to on your cruising the Bay.

[www.plumbandpilot.org](http://www.plumbandpilot.org)

Now that the fall Dock Day is history the lighthouse keepers move to Saturdays to continue maintenance on your Grassy Island Range Lights. Good time to check out the lighthouses and Welcome Center and learn what needs to be done when you select a day to be a docent.

And you can invite your non-boating friends to become docents, Yes, really. Spread the word The Grassy Island Range Lights facebook page includes information regarding the docent program and how to get involved. Check it out. Thank You.

# Help Greet our Newest Members !!

John & Mary Tank

John & Mary Walch

Rick Cisneros

Greg & Tami Hartzell

## And More New Members !!

Dennis Felt

Lets make them All feel welcome and also give a hand to our Orientation crew of Judy Shunke & Morgan Emmel for taking the time to show the new members around every month !!

**Our Social Media Expert Miss Morgan Emmel**

She is doing a Funtastic job on our FaceBook page Green Bay Yachting Club Family ! In the last couple weeks we've had 30 + people ask to join !! This is a Great way to socialize and keep up with the day to day Events happening at our club !!

## From the Nominations Chair

Time again to think about new Board members! The Annual meeting will be here in a flash, and we need to identify replacements for some of our Board members who will be taking a well deserved rest. There will no doubt be lots of issues and projects to deal with in the coming year. we are a small club that has historically relied on its members to pitch in , not just for scheduled work parties, but even more importantly for administration and oversight of our Club operations. As I noted last year, its completely reasonable for every full member to have spent at least one term on the Board for each decade or so of membership. This not only helps the Club to get the needed work done in an efficient, cost-effective manner, but it also provides the members with a close look at how the Club operates. I would ask you to think about volunteering for the Board this fall, to continue your "fair share" to our future success. Contact me (920-265-3270 or [captjohn652@gmail.com](mailto:captjohn652@gmail.com)) or any Board member with any questions. Thanks for your attention !

**John Kennedy**

GREEN BAY YACHTING CLUB, INC.  
P.O. Box 485  
Green Bay, WI 54305

**SEE OTHER SIDE FOR RATES.** Return no later than **September 1, 2021.** Payments and insurance certificate must be received before boat will be lifted – NO EXCEPTIONS.

**BE SURE TO FILL OUT AND SIGN THE OTHER SIDE OF THIS FORM**

## GBYC Storage Winter Agreement Contract

This agreement is made between the Green Bay Yachting Club, Inc (hereinafter GBYC) and the member in good standing (hereinafter "Member"). That Member wishes to store his/her boat at the GBYC land storage facility during the 2021/2022 Winter Storage Season which starts 9/1/2021 and ends 6/1/2022. In consideration of said storage, Member agrees as follows:

1. To prepay the winter storage charges as calculated here on this document.
2. To keep the stored boat insured at all times against claims for property damage caused by said boat or damage to said boat.
3. To remove the boat from storage by June, 1<sup>st</sup>, 2022. If the boat is left stored after June 1<sup>st</sup>, 2022, an additional Summer Storage Fee will be charged equal to one-fourth (1/4) of the total winter storage fee (excluding lift-out/lift-in) per month until October 1<sup>st</sup>, 2022, at which time the next Winter Storage season contract will be charged according to the prevailing rate schedule.

If summer storage is requested due to hardship or extenuating circumstances, the Fleet Captain must receive a written letter from the member requesting that he/she be allowed to keep their boat on shore. This letter must include an explanation of why the boat must be kept in storage and what arrangements will be made to do something with the boat in the future. The Fleet Captain will then review your letter (with the board if necessary) and decide if extended storage is to be allowed.

4. That GBYC shall have a lien upon said stored boat in the amount of the unpaid storage charges until the storage charges are paid in full. That member shall pay said unpaid storage charges prior to removal of said stored boat from the GBYC land storage area.
5. That at such time as unpaid storage charges accrue to a total of \$750, GBYC will send written notice to Member and to any secured parties identified by Member of this agreement pursuant to Section 779.43 Wisconsin Statutes informing Member and the lien holder of what steps must be taken to secure release of the stored boat. That in event said storage charges are not brought current within 30 days after the mailing of the written notice referred to in this paragraph, GBYC may enforce its lien as provided for in Section 779.48(2), 409.501, and 409.507 Wisconsin Statutes. All mailings will be to the address of the Member listed on this Agreement and to the address of the secured party listed on this agreement.

### 2021/2022 WINTER STORAGE FEE CALCULATION

All storage and associated fees are due with the application. You must pay for the following;

Lift Out (Fall 2021) \$2.75 per foot Boat length \_\_\_\_\_ X \$2.75 = \$ \_\_\_\_\_

Lift in (Spring 2022) \$2.75 per foot Boat length \_\_\_\_\_ X \$2.75 = \$ \_\_\_\_\_

Pressure Wash Bottom = \$ **5.00**

\_\_\_\_\_ x \_\_\_\_\_ = \_\_\_\_\_ Sq.Ft. x \$.55 = \$ \_\_\_\_\_  
Boat Length      Boat Width

**(Round up to the next whole number.)**

**Subtotal** \$ \_\_\_\_\_

+ 5.5% Sales Tax \$ \_\_\_\_\_

**Total Paid With This Application (including pressure wash)** \$ \_\_\_\_\_
