First off I have to wish my Beautiful wife Julie a **Happy Anniversary** on Feb 1st we will be married 27 years !!

Well only 48 days til spring and for us boaters it can't come soon enough !! Thinking of all the things needing attention or replacement on the boat like new bottom paint, new shift cables and boots. A good washing and a fresh coat of wax, waterproofing the canvas and 100 other things to do before she goes in....Wow I'm tired just thinking about it! I guess a little longer of a winter rest isn't such a bad thing as I get older 🤙

Saturday nite was an Awesome birthday party for our Grounds Guy Jason Dorner! We also had the live music from Jamus which is Always a good time ! Don't forget to tell your non-member friends what Great times we have and invite them down.We have a **Wonderful** place here and everyone can use a little more fun and friends in their lives !

Please don't forget there is no parking in the rear of the building as it is a firelane that needs to stay clear.Also we have alot of older members that could use the closer door parking moreso than us younger 60ish members!! Bring your friends and family down and make some memories !! Thank You & Happy Valentine's Day **Jim**

Happy VD to ALL !!

All is slow and steady, nothing to report this month. Be safe and stay warm. Let's not forget to Patronize the Club in the off season !!

Thanks, from your Grounds Dude,

Jason Dorner

February is named for the Latin word februum wich means purification. So lets make 2022 pure fun! Every Tuesday night is a great time to stop down brush on your shooting abilities, while we all share the ability to have fun. Feb 12th, Pat and I are hosting Date night. Sign up in the hallway. We will be serving baked chicken with some amazing sides. Soon to follow dinner we have some fun. I have put together another rendition of the "Oddly Wed Game". Dinner will be served at 6 and fun to follow. Feb 13th is the Superbowl. Swing on down and gather with friends and family while supporting the club. The Mens Smoker on February 16th is Gary and I doing a slab cut of meat. Larry and Matt will be March with his slab cut of meat. Anyone wanting to host a smoker, a summer social or club event let me know and let's start planning.

Pat Bender Head of House

House here, hope everyone is enjoying the winter. Look at it this way, only a few more months and it will start warming up. As to our new P.O.S system, some people are ok with it. We have more work to do to try and get it personalized for what the club needs. Please bare with us. I asked if we can put up a sign up sheet if people want more one on one training I would like to make that available. On a different note I mentioned before that we would like to bring in some soup and sandwiches but I would like ideas so I don't bring in something people won't eat. Please tell Todd your ideas. Thanks

Remember dock holders to get your dock applications in. Along with proof of insurance and \$250 deposit in. The sooner the better.

DARN project is moving along great. We have the north side trees cut down. Getting some wood to fix a few damaged boards.

All for now...see you at the club. Gary

Grassy Island Range Lights

Like what was in January's article, this year your Grassy Island Range Lights will be 150 years old. YES, 150 years. Reason to celebrate. We have yet to dedicate the new break wall upon which they stand. Another reason to celebrate. In addition to the 150 year birthday of your lighthouses, we are again included in the Door County Lighthouse festival. Stay tuned for additional details as to dates and hours. Working on a Committee to get the birthday party done right. If you have ideas or want to be on the Committee, send your "I want in" and ideas to: grassyislandlights@yahoo.com

Docent: a person who acts as a guide, typically on a voluntary basis, in a museum, art gallery, or zoo. Yup, 😊 volunteer opportunity to support your club and enjoy sharing the lighthouses with the public. Please give it some thought. And talk it up with your relatives, friends, acquaintances, fellow boaters, in-laws, Its' not hard work and really fun.

And if you haven't yet, check out the video :

Requests for a dock, both from previous dock holders and from new applicants, must be submitted by March 1st, 2022. The assignment committee will honor requests for a new slip/location as best as possible. However, in order to make best use of the harbor we may assign slips based on size, i.e. large boat = large dock, small boat = small dock. Docks will not be assigned to members not in good standing i.e. has not completed the requisite hours in the previous year or is past due on dues or fees. Dock fees must be paid in full by the due date on the invoice and prior to launching boat.

All dock applications from dock holders must include a \$250.00 non-refundable deposit and be submitted by March 1st. Balance of the dock fee is due prior to lift-in or May 1st. Failure to pay all fees by due date will result in full dock fee payment with dock application the following year and dock re-assignment will be at the discretion of the Fleet Captain.
