April means different things for different people. For me it means tax time and my birthday month. For the club it means the beginning of a new boating season, spring cleanup, unwrapping our boats, and a lot of cleaning

Undoubtedly the high price of fuel this year is going to put a damper on a lot of boating trips lucky for us we have a full harbor and a lot of members to share rides with. This will be a great year to open our boats up to our fellow boaters and friends and get more **"smiles per gallon"** than usual!! Also high fuel costs mean we will all spend more time on the docks with our boating friends and neighbors period I see a lot of dock parties and cookouts, club activities and bonfires in our future! All in all we will have a GREAT year ! See you soon at the club !!

Hi there, House here, I hope all of you have enjoyed the specials on the menu. We are open to suggestions on new ideas for the menu. Jessica has been doing a great job with new drinks. Don't hesitate to ask if we have anything new to drink. With the warm weather approaching we all can look forward to new activities. Please get involved to make the fun and successful. Pat

Hello All,

Spring is on the way, as soon as I know more on current project details I will post the info on Face Book, and through The Duck-O-Gram. I'm also going to get a total on what we have for a budget for flowerbeds. By the time the April meeting happens I will have lawn care estimates.

Thank You for all the feed back and ideas! KEEP THEM COMING !! Not everyone likes change, but change is necessary for the club to progress with the times. Please keep an open mind and be respectful of others ideas.

Your Grounds guy, Jason Dornor PH# 920-609-0334

April is here! As our hibernating animals come out of their winter sleep, birds fly back to settle, and in some parts of the world the harvest season begins. Let's begin to embrace the preseason of boating with some fun! Let's start with bringing back Karaoke on the 8th starting at 7 p.m. Our Board is meeting on the 11th. Then our General meeting on the 14th. Hope you are blessed to spend Easter Sunday with your family on the 17th. On the 20th, Dan Laubenstein "The Lucky Duck" and crew will be hosting this month's Mens Smoker with their Legendary Pot Roast. Then on the 22nd welcome another new music guest Nick Miller for another live music event. Shane and Chad Kofler host the 4th Annual Rick Kofler Memorial Pool Tournament on the 23rd. Come and play no matter the skill level. Prizes, payouts, 50/50, paddle wheel and you can bring a basket too. Then we top off the month with our Italian Date Night. Sign up will be on the board. Speaking of Sign up! Mothers Day is right around the corner. Sign up to help us in the kitchen, serve or our your wonderful family to enjoy the Mothers Day Brunch at the GBYC on May 8th.

Hello fellow boaters!! Boating season is coming up soon , ice is melting and we're all getting the itch to get back on the water. Nothing new is going on with the building but if you have any projects for me let me know! Thanks and Good Boating Building Out.

Fleet Captain

I want to thank Dan and Ann Emmel, Larry Labine, Art Gage, and John Kennedy for their help with the dock assignment process. The updated dock book will be available soon. Please remember to sign in and out of docks if on vacation, or you are floating in slip over night. We do have new slip holders this year so make them welcome and help them out if they have any questions. If you plan on keeping a trailer at the club remember a trailer sticker is required. Dock day is on April 16th weather permitting. The first lift crew will be starting on April 29th. Til next month Gary

Hi, GBYC! Summer is coming!

To get the apparel cabinet ready for stock, we have cleaned house! Items for taking are found in the back room. April 2nd is the deadline to rummage through those. Leftovers are being donated. Check them out while you can!

Apparel update - As excited as we are, the apparel items we picked out have inconsistent inventory. Considering that, we are holding off on this project until we can get a better radar on apparel inventory.

Boat Frame Plates! The form will be open April 4th - April 10th. Payment will be accepted **ONLY** by a bartender from April 11-16th. There will be no special orders. Please pass this information along to any boat neighbor you have that is interested in getting themselves a boat frame. Cost is \$30.

The Form: <https://forms.gle/JrjNxTy5CNyqr9CEA>

Grassy Island Range Lights

Grassy Island Range Lights

Here we are. April is the month that the docks are put back. It is also the month that the lighthouse keepers meet to work on the lighthouses on Tuesday nights after dock day. It also is an opportunity for ALL GBYC members to stop on out and check out the beautiful parklike setting that the lighthouses stand on. HEY! And maybe you will get excited about spending some time sharing the lighthouses with other members and visitors. Alright, pitching the docent program. But it doesn't have to be that. It could just be that you are curious and want to check it out. COME ON OUT!

As it has been. stated in previous articles, 2022 is the 150th birthday of your Grassy Island Range Lights. Cause for celebration. The date and times as well as activities are in the planning stages. If you would like to participate in the planning process, send your "I'm in" to grassyislandlights@yahoo.com.

Docent: a person who acts as a guide, typically on a voluntary basis, in a museum, art gallery, or zoo. Yup, a volunteer opportunity to support your club and enjoy sharing the lighthouses with the public. Please give it some thought. And talk it up with your relatives, friends, acquaintances, fellow boaters, in-laws, 😊. Its' not hard work and really fun. Become a "wickie."

Club members as Business Owners

Each month we will showcase a member who is a business owner. We hope that fellow members will try and use our club members in your every day lives! Cornerstone is featured this month for their efforts to help out the Ukrainians with a fund and supplies drive and raised well over \$3,500. Steve has an associate at Cornerstone who is from the Ukraine so it hits home hard there. You can reach out to Steve for any contributions.

I was born and raised in Green Bay, Wisconsin, I am married with 4 children and 3 grandchildren with one on the way. I enjoy golfing, hunting and family time.

I am currently a new social member of the GBYC in which my wife and I enjoy getting to know so many wonderful new members.

After High school I jumped right into a sales position at Triangle distributing for 14 years then made a career change 1998 to being a Mortgage Loan Originator with Five-Star Mortgage. My greatest love is the financial world so in 2006 I became a founding member of Cornerstone Mortgage with 4 other partners. We have since built Cornerstone mortgage into one of the largest mortgage banker/brokers in Wisconsin which gives us leverage to offer the best deals in the industry. I currently operate business from offices in De Pere, Green Bay, Marinette and am now also licensed and operating in Florida.

Driven by honesty and integrity, I have comprehensive mortgage expertise, coupled with a knowledge of the housing industry that helps educate and provides knowledge for my clients. I enjoy working in the mortgage industry, it provides a rewarding experience of helping clients along the way in making one of the largest investments for themselves. I have a passion for what I do! I enjoy connecting with people, listening to their personal situation, and tailoring a loan package that meets their needs. I am well versed in WHEDA, Conventional, VA, FHA, USDA and REVERSE loans. I take pride in helping my clients build or purchase their home or helping them lower their monthly housing costs through refinancing.
