Commodore Jim Bealeau

I believe mother nature has finally given in to our crys for summer! I am sitting on the back of an anchored boat enjoying the friendship of some fellow members having a little orange juice & Titos on an 80 degree morning! **Life Is Good !!!**

I want to send out a Huge Thank You to Margaret & Russ for the back breaking work they are doing with our landscaping. It is looking Fantastic!!

Another Great Big Thankx to the anonymous donor that paid for a new roof on our pavillion !! Thankx to everyone that was involved with our club flooding incident!! The club really never missed a beat for how serious it was !!

The Big Bash is the 25th of this month! Please bring friends & family to experience what we have to offer. Also don't be afraid to step up and help out with the 50/50 raffles or paddle sales. Bartending for an hour or so will be greatly appriciated. Thank You Everyone in advance!!

Hi there, House here, I hope all of you have enjoyed the specials on the menu. We are open to suggestions on new ideas for the menu. Jessica has been doing a great job with new drinks. Don't hesitate to ask if we have anything new to drink. With the warm weather approaching we all can look forward to getting our boats in and enjoying the water. Please get involved to make the club fun and successful as your help is needed on busy days. Thank you for all our help, it is appreciated. Please welcome our new bartender Abby as she will be starting this month.

Grounds Guy

Boats are in !! Almost all of them but mine of course, LOL!! Flower bed project is taking shape! Fear not! The patio is happening! We are coordinating and making sure we have all the boxes checked.

Reminder.... Please be sure to put your name on your boat related belongings that are stored in the pig-pen. So nothing gets tossed that is to be kept. Also weed control behind your slip is up to us to keep looking good!!

Have a great season!!

Your Grounds guy, Jason Dornor

## Reminder & Thankx

There is no more feeding the wildlife at our club. This is just 1 more reason. Thank You Jimmy Thompson for fixing our icebox by the fuel dock! At first we were looking at worse a new freezer ! But after Jimmy cleaned half of a 5 gallon pail of corn out of the compressor & fan we now have a working unit again!!

I would like to say thank you to everyone who has supported the events so far this year as we head in the correct direction with a little more normalcy. We do have more events coming your way. Our Smokers are done till fall but the Summer Socials are back on starting in June. Keep an eye out on the bulletin board for sign up. If you are willing to head one up and make one of your special dinners let me know and we can show you the lines;) Friday, June 18th our fish fry will be accompanied with music from the heart Pat and Sarah. Our Summer Bash is June 25th! Our open to the public event is going to be a great encouragement to what this summer has for us. Lets bounce back and bring the light and happiness that we know as the Green Bay Yacht Club.

Dear Jim this is my letter hello yacht club members a new members should be a good boating year if it ever warms up things at the club are going just fine Jim Beaulieu is doing a great job as Commodore So come down and enjoy the club spend lots of money here and see you out on the water ♠ ♠ ♀

Gary Kuschel  
Fleet Captain

Not much to report this month.

By the time you read this, we will have had to bite the bullet and buy gas. The only deal is buying your fleet captain a beer.

Remember the harbor is full this year,so signing in and out of your slip is important. We do have people joining that will be floating. So knowledge of when slips are open is very important. Thank you for your assistance in advance.

Till next month...gary

# Grassy Island Range Lights

Grassy Island Range Lights Very active June. Door County Lighthouse Festival June 10-12 in which your Grassy Island Range Lights are part of. Friday, Saturday and Sunday, 10:00AM thru 5:00PM. A good opportunity for GBYC members who are interested in the docent program to come on out and see what is involved. June 25: Brown County Historical Society Road Rally, 9:00AM to 3:00PM, plus the GBYC Summer Bash starting at 4:00PM. Lighthouses will be open from 3:00PM to 6:00PM for BASH attendees. Every Tuesday night is lighthouse night for the lighthouse keepers working on various projects. Come on out, If for no other reason, climb one or both of the lighthouses, check out the binoculars for closeup of where the lighthouses were located, and buy a t-shirt or refrigerator magnet. Or just say HI! September 17: Dedication of the restoration of the break wall the Grassy Island Range Lights stand on and the "park like" se~~n~~g of the break wall and the 150 year Birthday Celebration of the light houses. Have some ideas on how to celebrate? Talk to a lighthouse keeper or send your thoughts to [grassyislandlights@yahoo.com](mailto:grassyislandlights@yahoo.com). Help make this special. Docent: a person who acts as a guide, typically on a voluntary basis, in a museum, art gallery, or zoo. Yup, a volunteer opportunity to support your club and enjoy sharing the lighthouses with the public. Please give it some thought. And talk it up with your relatives, friends, acquaintances, fellow boaters, in-laws, ♠♠. Its' not hard work and really fun. Become a "wickie." Lighthouse keepers were sometimes referred to as "wickies" because of their job trimming the wicks. A

A friendly reminder about parking, only 1 vehicle is permitted to park in front of your boat. There is limited parking so be courteous and have your guests park in the gravel. Also if you have a trailer parked on the south side they should be moved to the North side parking lot by the Coast guards building. Parking on the south side end is very limited. Thank You

## Memorial Weekend

I talked with the powers to be at the Celebrate DePere and they finally are wanting the boating community to be a part of their celebration. They would like to have a boat parade next year with prizes for the best decorated boats! As this develops we will keep everyone informed ! Thank You ! Your Commodore Jim

GBYC boaters come together again to help Celebrate DePere !! We had all slips occupied by our members this year !! The staff here is Excellent and again this year our boaters left the docks early Sunday morning to allow the childrens fishing tournament to have the docks !! They welcomed us with open arms & we hope to continue this yearly tradition!!

## Handmade Jewelry

I fell in love with jewelry when I was four years old at Stubie's Jewelry Store. Twenty-five years later he became my teacher at NWTC.

I fabricate jewelry from flat raw materials, Sterling Silver, Copper and Gold. I incorporate gemstones in many of my designs. And I LOVE creating one-of-a-kind designs.

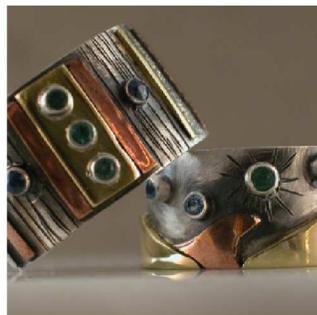

Some other work that I really enjoy creating is Draw-lery, creating from the drawings that children make. Friends and family are always so pleased to receive these keepsakes.

Teaching jewelry technique and business classes for artists is very important to me. I continue to teach to keep these skills alive.

My company is called Myska Jewelry. Myska is the Polish word for "Mouse", my family nickname.

Everything I create is made with love and a little bit of magic!

If you would like to read more about the things that I create and my journey, you can google my name, Michelle Zjala Winter.

Please help our GBYC members companies whenever possible !! Thank You !!

# The Memorial Patio

We are getting closer to starting the New Memorial Patio !!

We are Happy to team up with Global Recognition and Gagnon Clay products to get our loved ones remembered in stone with these etched patio blocks. They will be incorporated in the garden to serve as a reminder of important people of our club & our lives !

As soon as pricing and placement are available our Grounds Guy Jason Dorner will make it available online & at the club!! Any questions can be directed to him and also any help will go towards your hours at the club and will be greatly appreciated !!!!
