Hello from your outgoing Commodore! I want to thank my fellow board members for their help over the last 2 years! There has been quite a few hurdles to overcome and a lot of Good changes. From the new POS system, updated handbooks, pavilion roof, asphalt sealed, and derelict boats removed just to name a few. We have increased our membership to new numbers and our harbor is full! Financially our club is in Great shape.

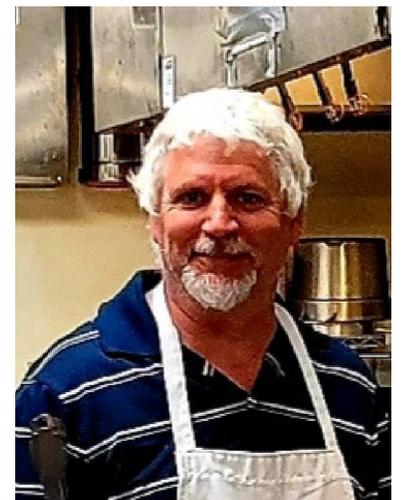

Commodore Jim Bealeau

I also want to thank the entire GBYC family for giving me the chance to help steer your club and all the help through these project years . I wish our ongoing board and new Commodore the Best and you all to know you are being left in capable hands. **Thank You** ❤️

Hello All !!!

Happy Holidays !!! Be safe and merry!! Please use the back entrance only!! Remember if it snows at your home it most likely snowed at our club.....that being said, if y'all need hours.....the back door needs to be shoveled and salted and the gate traveling path needs to be maintained by the members when it snows. All members are owners. We all should show pride of ownership. Thanks Your Grounds Guy

GBYC 18th ANNUAL VETERAN'S DAY COMMEMORATION

I want to thank everyone who helped make this program a **HUGE** success even though the weather was not the best. I want to start with the committee: Barb Stencil, Paul Buntin, Dan Laubenstein, Jim Thompson, Gary Kuschel, and Kurt Kuschel . Special thanks to our community volunteers who were part of the program.

Thank you to all Veteran's, guests and GBYC members who attended this ceremony. I also want to thank everyone who made donations and brought in food and worked the program. I am sorry if I missed anyone by name. Your help and support made this event great.

About 300 people attended this program.

Next year will be our 19th annual ceremony on Sat. November 11 Veteran's Day 2023.

Thank You

GOD BLESS AMERICA

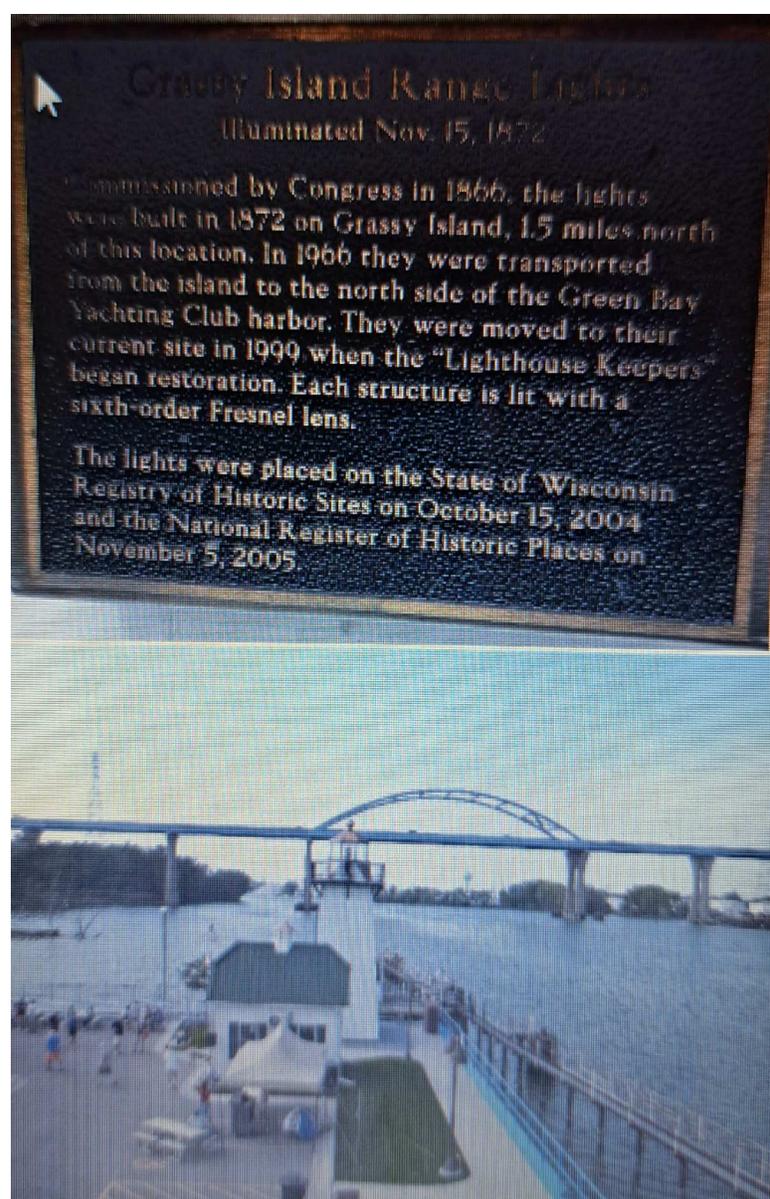

Roger Gilsoul

Grassy Island Range Lights

Your Grassy Island Range Lights are now over 150 years old. If you had the opportunity to Memorial Lighthouse Park have you wondered how we managed to get here? A number of your fellow yacht club members and other volunteers spent countless hours and donated a large sum of money to accomplish. Thank You.

So? So how do we assure they will be here in their present condition in the next 150 years? Needed are more volunteers. Look in the mirror. Do you see a lighthouse keeper? Sure, you have a job. Most of the people who got the lighthouses to where they are today had full time jobs over the years of the restoration. One evening a week from dock day to dock day they volunteered their time. The effort and comradery exemplified on the West end of our harbor.

Over the next few months consider what you will be doing on Tuesday evenings after dock day 2023

dock day 2023.

GBYC 2023 Board Nominees

Commodore; Dawn Demeny & Gary Kuschel

Dawn Demeny

Hello fellow GBYC members. I am Dawn Demeny and I am running for Commodore. I have previously served on the board in the secretary and grounds positions. My husband John and I have been members since 2009. We are very active in pretty much all aspects of the club.

A little background on me personally. I have owned and operated two businesses and am currently employed at Chrysler World in Abrams. I feel that with my business background, I can help steer the club in a profitable direction. I humbly ask for your support in the upcoming election.

Gary Kuschel

I'm sure most of you know me. I've been a member since 2000. If you don't know me, it seems everyone knows my wife, Renee. I've been on many committees, and held many board positions in my years as a member. I feel that experience would make me a good Commodore. I would appreciate your vote. Thanks Gary kuschel

Board Jim Manlick, Jason Dorner, Dan Emmel, Jamie Swinton

Jim Manlick

Hello fellow GBYC members, I'm Jim Manlick and I'm running for the board. For those of you who don't know me, my wife Jackie and I have been members for a dozen years or so. During my time as a member I've done two terms on the board as the secretary and two terms as the commodore. Even though I said never again, here I am willing to do another term. I look forward to working with the new board and commode and especially having the opportunity to help make sure our club continues to function and prosper. Thanks

Jason Dorner

You all know me and what I stand for. I'll continue doing what I'm doing!
Thank You Jason

GBYC 2023 Board Nominees

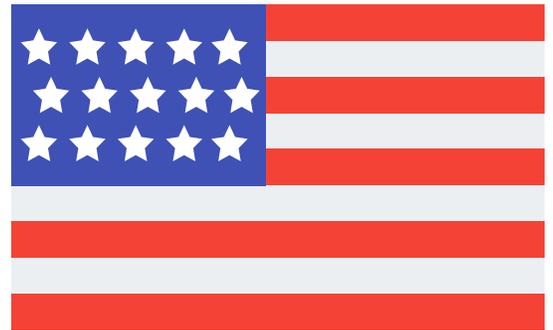

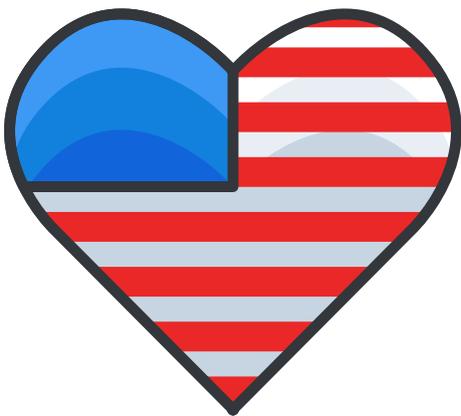

Dan Emmel

Hello, everybody. This is Dan Emmel, running for the 2023 GBYC Board. I've been a member since 1994 with my wife Ann Emmel and we have since been dedicated members through hosting and volunteering for numerous events and serving on the Board for 2 terms in the Fleet Captain position. I look forward to serving a third term, in hopes to continue making the club an enjoyable place for our members to boat at.

Jamie Swinton Running for Board Position
Hi everyone, for those of you that do not know me, I am currently in the Treasurer position on the Board. I have been a full member of the Yacht Club for 5 years. Our boat is the "Current Situation". My family consists of my husband Andy and sons Andrew (25) and Hunter(20). I have an Associate Degree in Accounting. I own a small trucking company, Boucher Trucking LLC. I do all the books for the company and have done so for 29 plus years. I came into my Secretary position when Ruthe became ill, and the Board appointed me. I was elected in 2021 and became the Treasurer. I have decided to run again for a Board position and look forward to helping the Club continue to move forward.

Thank You Candidates for your precious time & efforts!!
