Green Bay Yacht Club

Also At

Ahoy everyone! The days are getting longer and warmer. Hopefully we can start unwrapping and working on the boats soon. Until then, remember there is Funstuff happening at the club. Keep an eye on Facebook and the Goose Droppings for upcoming events.

Goose Droppings you say, what is that? If you aren't receiving the weekly email, contact Kris at Kjohnson_79@yahoo.com and he will add you to the mailing list. For now, the next big thing is the Interclub party on April 1st. It is the GBYC's turn to host this event. We invite the Gladstone, Manitowoc, Appleton, Fond du lac and Sheboygan yacht clubs for a very fun evening with food, music, raffles and laughter.

A reminder that there is to be NO parking in the fire lane on the east side of the building. This means everybody! If it's for a few minutes because you're dropping something off, it's okay. But, if you're hanging out, don't do it.

With March comes longer days and warmer weather. Also, St Patrick's Day, all of you leprechauns stay out of trouble but have fun! See you around the club. Until next month....

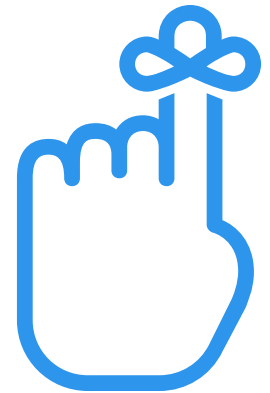

Dawn Demeny

Commodore

Commodore Dawn Demney
AKA (Madam Commodore)

This is a reminder to write your hrs down. If you did the work get the credit !!

Jason Dornor
Grounds Guy

Hello All !

Spring is getting closer, thank goodness! I am pleased to announce that Margaret Halverson has agreed to take the lead on our next phase of flower bed rehabilitation. I will be collecting bids for the North lot repair. If anyone has a lead on a gas fire-pit , please let me know. The plan is to have one on the memorial patio, like we have in the front of the Club House. If there is anything that needs to be addressed for Grounds/Dock Day, please let me know so it can be added to the work list.

We are looking for people to run for the board positions that will be expiring this fall. Its a great way to get involved and make a difference in our club. Positive changes can happen with everyone's support.

Your Grounds Guy, Jason Dornor

Sunshine & Sorrow

Our condolences to Brian and Michelle Roznowski on the passing of Brian's mother Carla. Sincere sympathy to the entire family during this sad time.

Hopefully with all the luck, we will March into boating season early this year. We have some great things going on. A great Pork Shank Smoker being prepared by Jay, Dan and Clan on the 15th. On the 17th, St. Patrick's day we welcome back Mickey Grasso for some great music 6-9. Then as we prepare to begin next month, we are hosting the interclub party on April 1st. Jim Manlick is still In need of a few volunteers for hours. Get your tickets and then get them hours in before summer is here. See you down there.

Building

Hello fellow boaters ! The club just recieved the new furnace. The other 2 are working fine so come on down to the club and have cocktail and stay warm !!
Building Out

From the sunny and warm beaches of Florida comes this article for your enjoyment.

With our recent hires, we should be good for bartenders. Please make them welcome.

Drink chips are now more basic. Beer chips are \$2.50, drink chips are \$3.50, and pitcher chips are \$7.00. If you drink call brands, you will have to pay the up charge.

Starting March 1st, there will be some slight increases in food prices. You all have been to grocery stores lately and seen their prices, so ours will be minor. Finally, I want to thank Nikki, Todd and Renew for making my job easier. All for now, see you at the club.

Gary

Darn project is wrapping up do to weather conditions.

Slip holders must have dock applications in by end of February with a \$250 deposit to hold your dock. Write any request on bottom of app. We will be holding our dock assignment meeting March 16. With the warm weather we have been having it looks like we could have an early dock days, will keep you updated. Fleet Captain out

Attention All Members !!!!

Jim Manlick
Secretary

Make sure and mark April 1st on your calendar for the interclub party at the GBYC. For new members the interclub party is an annual gathering of us, Gladstone MI, Appleton, Fon du Lac, Sheboygan and the Manitowoc clubs. It's an evening of food, music, raffles and boating talk that rotates between clubs. In order to put on this awesome event we need your help. We are looking for volunteers for kitchen, ticket sales, setup, cleanup etc, etc etc. We are also looking for donations of appetizers, desserts and basket raffle items. This is a great opportunity for our club to make some money and for members to get some hours before the boating season. Signup sheets are posted for food, volunteer and basket raffle help. Tickets for the event are \$25 (which is the same price we charged in 2017, inflation, what inflation?) and are available at the club, but must be purchased by March 15th. Feel free to contact me at 920-396-4609 or jimmanlick@gmail.com. Thanks Jim Manlick

A party yacht has tipped over once as all the passengers moved to one side to have a better look at a nudist beach in Texas.

A 2004 study has confirmed that joining a cruise ship after retirement is cheaper than retiring to a retirement home.

The difference between a boat and a ship lies in its weight. If a vessel is over 500 tons then it is called a ship. A ship can also carry a boat.

Americans own about 18 million boats today. Some of them are used for recreational purposes while others are commercial boats.

Boats have a life expectancy. After that, they are not deemed safe or stable anymore. Usually, cargo ships that sail in the oceans can have a lifespan of 20 to 30 years. Sailboats are meant to be used for 30-40 years even if they are made of softer materials such as plywood or fiberglass.

The youngest person to sail around the world is Laura Dekker. She is a 14-year old that went off to sail around the world in 2012 and finished her trip 518 days later when she was 16.

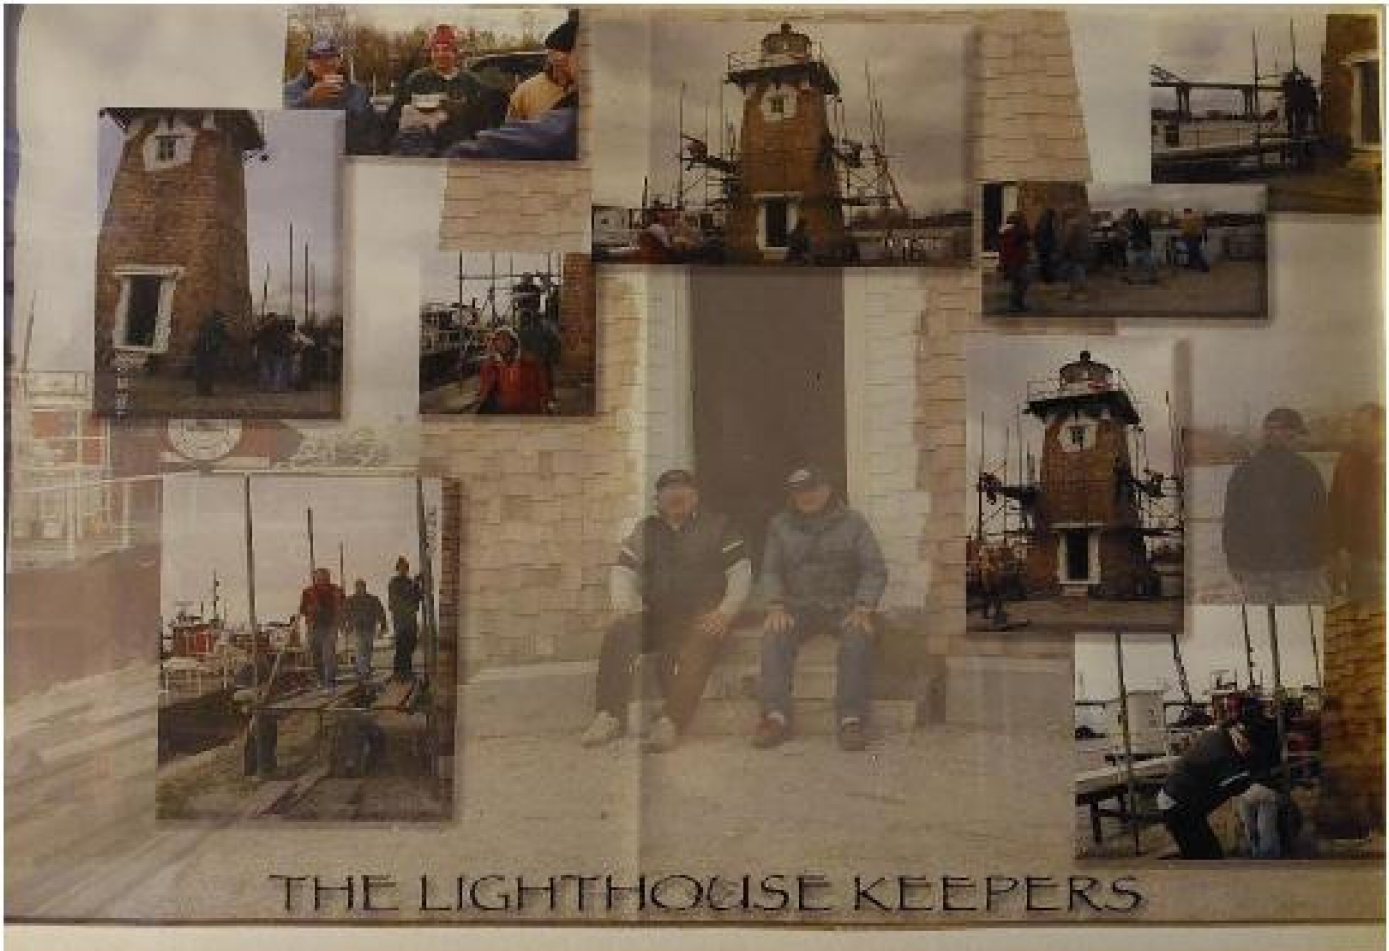

The first ship to reach America only had 40 people on board, including Christopher Columbus. It was the size of a bus and it did not exceed 70 feet.

Grassy Island Range Lights It's winter in Wisconsin. It snows, then we get 40 degree temps and the snow melts. The ice melts. Then it gets COLD! Then it snows, etc etc! What this all leads up to is we are heading in the right direction. It is March. We march toward Dock Day in April. Yeah!

So what. We do this every year. Yes, that is the way it is here. But it does give us a few months of "warm" weather. Prep the boat for launch. Who will be the first in ? It is also the start of the light house Tuesdays! Yes, there is such a thing. Its when the Grassy Island Range Lights lighthouse keepers return to regular activities at the lights.

Lighthouse keepers? Yup, the volunteers who keep the lighthouse nice. GBYC members get hours for their volunteer efforts as lighthouse keepers. And there's rewards. And its fun

2023 Dock Application

(Please Print)

Name _____ Membership Nr. _____

Address _____
Street City State Zip

Phone Numbers

Home _____ Work _____ Mobile _____

E-mail Address(s) _____

Type of Boat _____ Boat Name _____
(Power, Sail)

Boat Length _____ Width (**round up to next whole number**) _____ Draft _____

Boat Manufacturer _____

Boat Registration or Documentation Nr. _____

Current Dock holder? _____ If Yes, Dock Nr? _____
(Yes or No)

Insurer _____

CERTIFICATE OF LIABILITY INSURANCE MUST ACCOMPANY APPLICATION

(Let us know if your insurance changes, email renewal certificates to gbyc485@gmail.com)

(Also contact your insurance to automatically email gbyc485@gmail.com COI future changes.)

Requests for a dock, both from previous dock holders and from new applicants, must be submitted by March 1st, 2023. The assignment committee will honor requests for a new slip/location as best as possible. However, in order to make best use of the harbor we may assign slips based on size, i.e. large boat = large dock, small boat = small dock. Docks will not be assigned to members not in good standing i.e. has not completed the requisite hours in the previous year or is past due on dues or fees. Dock fees must be paid in full by the due date on the invoice and prior to launching boat.

All dock applications from dock holders must include a \$250.00 non-refundable deposit and be submitted by March 1st. Balance of the dock fee is due prior to lift-in or May 1st. Failure to pay all fees by due date will result in full dock fee payment with dock application the following year and dock re-assignment will be at the discretion of the Fleet Captain.
