THE DOCKLINE

Official Newsletter of the Green Bay Yachting Club

AHOY EVERYONE!

Well it's October. That sad time of year when we have to put the boats away 😞

The Commodore's Ball was great fun with a great group of people. I would like to thank everyone that helped with the food and set up. I truly appreciate all of you. I hope everyone had a good time. Other than dock day, I'm not sure what else is happening at the club this month but I'm sure there will be something. Keep your eyes out on Facebook or the Goose Droppings to learn what's going on. Nicole Brown has stepped up to take over the Facebook admin. Thank you Nicole! You can be sure there will be a party if there's a Packer game. So bring a snack and come on down. "Go Pack Go."

Remember, it is not only the board that keeps your club afloat. It is all of you. It takes all of us to make sure things are getting done and cleaned and repaired. I can't stress enough how important it is for everyone to get involved in whatever way they can. Elections are coming up soon and I would encourage anyone who is even slightly interested to come to a meeting or contact a board member to get your questions answered. I guess that's all I've got this month. Have a great month and we'll see you around the club.

Happy Halloween!

GRASSY ISLAND RANGE LIGHTS

There are a few members of your yacht club who invest a great deal of time in maintaining and preserving the Grassy Island Range Lights. Why do you suppose they do it? If you ask each you likely will get a different answer. One thing is for sure. The lights are an integral part of the yacht club and have been so since the 1960's.

Since they were sold to the yacht club by the corp of engineers in 1966 a number of people have worked on ensuring their longevity. We know Merlin Baenen and David Nelson are two of the stalwarts in that effort. There are several more who have put in long hours toward that end. The question has been asked "who is going to keep them looking good in the next decades."

As the membership of the Green Bay Yachting Club changes over the years a couple of new members step up to help out. Thank you! WE NEED MORE! There are a lot of talented members of this club who could spend a couple of hours on Tuesday nights lending those talents to their lighthouses. And those hours count toward the yacht club hour requirement. And there are rewards! You'll have to come on out on Tue night to find out what those are.

This is YOUR club. The Grassy Island Range Lights are a part of YOUR club. Step up!

BOARD ELECTIONS ARE 3 MONTHS AWAY!

We need a Nomination Chair. Duties are posted on [Facebook](#) and training will be provided by John Kennedy.

With that, these members will be finishing their terms:

- Dawn Demeny - Commodore
- Kris Johnson - Entertainment
- Jim Thompson - House
- Gary Kuschel - Bar

Remember that this year, members vote the Board into positions. There is a lot of great talk going around the club involving improvements, entertainment ideas, memberships, etc. PLEASE BRING THEM TO THE MEETING. These ideas will not get anywhere without you bringing them to the proper people.
