COMMODORE

Hello, everybody our boating season is getting closer. we had a good turn out on St. Patrick's Day. DJ John brought his karaoke equipment and entertained the crowd. Also, the crowd entertained us. Be sure you check with our entertainment guy Tony to see what activity we got this month and come down and support the club. Also, remember to treat our bartenders and other members with respect. Thank you and let's have a safe and fun boating season.

FLEET CAPTAIN

Just completed dock assignments, they are posted at the club by thDock days is scheduled for April 6 starting at 9 am, weather permitting. Will keep you posted through facebook.

Make sure your boat is unplugged before leaving club property.

When you unwrap your boat make sure the shrink wrap is inside the dumpster. We dont want it blowing around and ending up in the water or in the woods south of the property. Thats all i have to say for now Fleet Captain out.

HOUSE

Hi everyone, Happy Spring!!! April is here, Dock Day is coming fast along with a full month of events at the club. We have received good feedback on the new tv's and reorganization of the back bar with a few more changes coming soon.

Food and drink had a couple items added and we will be adjusting some inventory items that are no longer selling or duplicates of what is on the gun. In the bar we added a J Henry Bourbon and Rye. Also we brought in La Crosse distillery vodka, coffee whiskey, and rock-n-rye. There will be some drink menu ideas posted soon. Some pricing changes will be happening as need be and are necessary to keep the bar and kitchen open. We have some events coming up that could use some help so if you are interested it's appreciated and a chance to get some hours in. Contact me for information if interested in helping. Looking forward to the open harbor and upcoming busy season. See ya at the club.

GAS DOCK CARD ACCESS

Hi All, just want to let you know that we had a problem with the gas dock card access. We do have it fixed now and I believe I have most of the trained people entered. That being said, if you were trained for gas and your card doesn't work, please let me know. I did not have a good list with all of the trained people on it. You can email me at nhobbies03@msn.com if you would like me to confirm your access. Just waiting for summer!

FLEET CAPTAIN

Happy Spring Everyone,

We have the Inter-Club party on April 13th hosted by our friends at the Appleton Yacht Club. Twenty Five dollars a person. If you would like to jump on the bus from the our club to theirs for only thirty more dollars.

May 4th come and join us for the 150th Run For The Roses. Party starts at 3:30 and race starts at 5:35. There will be games, prizes and drink specials.

On Friday May 10th the band Rocker will be here celebrating their 50th anniversary as a band.

The Blessing on the Fleet will be on June 1st starting at 4:00 with the talented Dani Maus providing music from 5:30-8:30.

GROUNDS

With spring right around the corner (hopefully) there are a few grounds projects coming up. First off there will be the usual list of spring clean up for dock days, so please bring your rakes and shovels! Second if anyone is looking for hours the pavilion is in need of pressure washing and painting the ceiling/rafters area. We would like to have this done before the Rocker concert. The large dumpster will be on site for dock days and after to throw out shrink wrap. The small dumpsters and porta pottys on north and south sides will also be usable starting with dock days. If anyone has any grounds concerns or a grounds project they would like to see done don't hesitate to reach out!

GRASSY ISLAND RANGE LIGHTS

As the yacht club harbor comes to life Saturday, April 6, the lighthouse crew starts Tuesday night “lighthouse night.” Time to get busy cleaning and other updates and maintenance as is required. This is an opportunity for all GBYC members to get hours coming out Tuesday nights and help out. Not hard work and great camaraderie. If you have acquaintances whom you think might like to get involved with the light houses, don’t be bashful! Invite them out on some Tuesday night.

We will again be participating in the Door County Lighthouse Festival, June 7-9 and the end of September. There are also additional events, dates to be published in the Grassy Island Range Lights facebook page.

Is an old lighthouse keeper who really loves going on walks a Wikipedia?

Lighthouse keepers were sometimes referred to as “wickies” because of their job trimming the wicks on the whale oil lights. No longer do the Fresnel lenses have wicks but they do require ongoing maintenance.

BOATERS, we want to hear from you!

The Wisconsin Department of Transportation is undertaking a study of the Tilleman Memorial / Mason Street Bridge, and would like feedback from the boating community about use of the Fox River in and around the Tilleman Memorial Bridge. Your feedback will be used during the alternatives development and to assist the Department in making recommendations for the timing of future work on the bridge.

Point your phone's camera at the QR code here, and it will take you to an online survey.
